Oyster Fishing Cases Dismissed In Prince Co.

SUMMERSIDE — Two cases of oyster fishing in a restricted area and another dealing with a bootlegging charge in Tignish, were heard yesterday afternoon before Prince County Magistrate W. Chester S. MacDonald and resulted in dismissal in both fisheries cases and an adjournment in the other.

One witness was called in the cases of Guy Palmer, and William Walfield, both of Conway, after they had pleaded not guilty to charges of fishing for oysters in a restricted area in the Bedford River on Nov. 1.

Bud Williams, a fisheries officer stationed at Ellerslie, stated that on that day he was towing a dory into the harbor when he noted two others fishing in the restricted area, but he was unable to identify either of the persons in the boats at that time.

He explained that after towing the dory into the harbor, he returned to find that the two dories were now in the legal fishing zone, and immediately seized them and brought them to the fisheries station.

Mr. Williams stated that in that particular area the posts marking the illegal fishing zone are slightly out of line but not by more than 10 feet.

Defence attorney, J. Watson MacNaught, QC, moved for dismissal upon conclusion of the Crown's evidence on the grounds

that the boundary had not been clearly defined in the evidence and there was no evidence that the two were actually fishing.

Magistrate MacDonald stated that in his opinion any persons who break the law and get away with it through a legal technicality are only hurting others in their profession, but said that he had no alternative but to dismiss the charges against both men.

BOOTLEGGING CASE
In the bootlegging charge against Lottie Keough, of Tignish, two witnesses were brought forward by Crown Prosecutor George R. McMahon before the case was adjourned late in the afternoon until Feb. 21.

Joseph Oswald Petrie, of Woodstock and George Roger Arsenault, of Howland, both told of travelling to Tignish and purchasing four bottles of beer at "Bobby Carter's house", from Mrs. Keough for two dollars. They were later apprehended by Cst. Peter Boros of the Alberton RCMP detachment and after obtaining statements from them the three returned to the Carter residence where both lads identified Mrs. Keough as the one from whom they had purchased the beer.

The evidence of one more Crown witness is to be heard and also any witnesses called by defence attorney, Mr. MacNaught.

Charge Results From Ice Cutting

SUMMERSIDE — Ray Saue of Summerside pleaded not guilty in police court yesterday to a charge of creating an obstruction by cutting the ice at a public landing and the case was adjourned by Magistrate Richard S. Hinton Q.C. until Thursday.

Saue was summoned into court after police received a complaint that he was cutting the ice at the public landing adjoining Harry Dickie's service station, Water Street east. He was reported to have told police that he cut the ice in order to prevent cars from driving out on to the harbour

as they were interfering with smelt fishing.

Yesterday in court Saue stated he was pleading not guilty because he was not within the town limits and the police did not have jurisdiction over this particular area. However, the Magistrate informed him the harbour is within the town limits. He added that 30 years ago that landing was used by nearly every one coming from Bedouque, who crossed over on the ice. The landing is still used each winter by vehicles and pedestrians.

A man charged with being intoxicated in a public place was fined \$20 and costs or 15 days.

K. C. Irving Said Enthusiastic On West Pt. Ferry Project

SUMMERSIDE — The chairman of the West Point Ferries committee, P. M. MacCaull, Ellerslie last night stated that he was "well pleased" with an interview he had another member of the committee, Robert Grindlay, MLA, had with K.C. Irving in Saint John and that

Mr. Irving had shown enthusiasm for the project, no matter where it was decided to place the mainland terminal of the proposed project.

Mr. MacCaull also stated that plans are being made to meet with the committees from Buctouche and Shediac this Friday evening aboard the ferry between Borden and Cape Tormentine.

The P.E.I. committee chairman explained that Mr. Irving re-affirmed his pledge to finance the building of dock facilities if the New Brunswick terminal was placed at Buctouche, but he said he would be behind the project no matter where they decided to place the terminal.

While in Saint John, Mr. MacCaull was also in touch with the Saint John Dry Dock manager who will be acting in an advisory capacity in their hunt for adequate vessels. He stated that present plans call for two ferries that will carry approximately 50 cars.

The island delegation stopped in at Moncton on their way back to this province and conferred with Mayor Joseph Landry of Shediac, who pointed out the advantages of Point du Chene as the mainland terminal. The Shediac mayor especially stressed the tourist development in that area and gave as an example that there are 1,600 cottages around Shediac that are used on a seasonal basis.

All three committees are still studying transportation and other technical figures and no decision is expected for some time, although it is anticipated that something will be known about where the ferries for the project can be obtained within two months.

MRS. W.A. MACRAE

Recordings Available For Schools

With music festival time approaching, several schools not having regular instruction in music have requested recordings of classes in school music, it has been learned from Mrs. W. A. MacRae of the P.E.I. Music Festival recordings committee.

The festival association has made these recordings available for such schools. On one side of the record the selection is sung by a school group with piano accompaniment, while only the accompaniment is recorded on the other side for purposes of practice.

As these records are not available until requests are received, the committee asks that any who wish to obtain them should write as soon as possible to P.O. Box 791, Charlottetown. A small charge is made to cover the cost of producing the records.

O'Leary, George Nicholson, Crapaud.

The meeting was held in the National Film Board theatre in the Dominion Building.

S'side YPU Plans Events

SUMMERSIDE — The regular meeting of Summerside Trinity YPU was held in Epworth Hall on Tuesday evening with the president, William Wedlock presiding, Graeme Linkletter conducting the worship service. He described the needs of the people in Latin-America and the work of the church there.

All members are urged to participate in the variety concert to be held in March. Several members volunteered to take part in a pop-bottle collection on Saturday.

It was decided to order 300 boxes of chocolates for Valent-

THE NEW executive of the P.E.I. Mutual Fire Insurance Company is seen following a meeting of the directors yesterday at the end of the annual meeting held in Summerside. Left to right: front row: Ramona Tanton, Summerside, recording secretary; T. L. Linkletter, Summerside, secretary-treasurer; E.W. John-

stone, Burlington, president; Gregor MacCallum, Brackley Beach, vice-president; (middle row) Ralph Johnston, Long River, past president; J. B. Edwin Reid, Rollo Bay; Eric Lowther, Crapaud, directors; (back row) Albert Linkletter, Linkletter; John MacIntosh, Tignish, and Chessel Anear, Lower Montague, directors.

P.E.I. Mutual Fire Insurance Reports Record High Income

SUMMERSIDE — The P.E.I. Mutual Fire Insurance Company revealed an all time high net premium income of \$226,486.52 for the past year at its annual meeting yesterday at Civic Auditorium. Retiring president, Ralph Johnston presided.

E. W. Johnstone, Burlington, was elected president for the coming year, with Gregor MacCallum, Brackley Beach as vice-president and T.L. Linkletter, Summerside re-elected as secretary-treasurer.

Ramona Tanton was recording secretary.

The directors' report showed that the net premium income was an increase of \$19,000 over the previous year.

About 62 per cent of the net premium income is derived from farming and fishing risks it was stated, while the net in-

terest income amounted to \$20,851.93.

The net losses showed an increase over the previous year of \$39,000 and amounted to \$182,010.01.

The report showed that the loss percentage of premium income is approximately 80.3 per cent compared to 69.6 per cent for the previous year.

The company carries a total in excess of \$58,000,000 of fire insurance, an increase of approximately \$4,000,000 over the 1960 figure.

The directors report abhorred the fact that the cause of such a large percentage of the losses was unknown to the insured and of the fact that many persons still persist in lighting fires in their stoves with gasoline and kerosene which is a very bad practice, it was pointed out.

Matheson Addresses Tignish Liberal Rally

TIGNISH — Why are there always poor times, increased taxes for fishermen, farmers and people in general when a Conservative government is in power was one of the questions posed by Alex Matheson, leader of the P.E.I. Liberal party to an overflow audience at a Liberal rally in the Tignish Legion hall last night.

Mr. Matheson, the principal speaker at the rally, dealt with many of the political issues of the day. "Promising John", he said, "is going to give \$10 a month increase to old age pensioners; if he continues sinking the country in debt as he has been doing where is he going to get the money?"

"What has the present government done," Mr. Matheson continued, "nothing but additional taxes, sales taxes, income taxes. What about the cause-way promised by Dr. Phillips, Health Macquarrie, Angus MacLean and others during the election campaign." In today's Guardian, stated Mr. Matheson, the present minister of public works, Mr. Walker continues to evade the question.

Referring to the low price for potatoes he noted that the Shaw government merely says "you are growing too many potatoes". "You can get higher school grades nearer home," he continued, "but the government is

doing nothing to provide for young people who are not qualified to go on to university. Training should be provided in their own districts for those students in agriculture, carpentry, mechanics, for pupils who are unable to complete grades nine, 10, 11 and 12."

During the first 40 minutes of the rally the time was given over to the Young Liberals Association presided over by the vice-president of the provincial organization, Alex Campbell, Summerside.

In the election of officers for the First Prince District Young Liberals Association, Andrew Wells of Alberton was elected president; Cyril Arsenault, Tignish, vice-president and Mrs. Adrian Kinch, St. Louis, was appointed secretary-treasurer.

Directors were named for most of the 20 polls in the first district. Dr. Douglas MacDonald, Charlottetown addressed the rally on the work of the Young Liberals and expressed the regret of George MacKay, MLA, who was unable to be present owing to illness.

Seated on the platform were Lloyd Gaudet, Mr. Matheson, Alexander Cameron, Andrew Wells, Dr. MacDonald, Robert Campbell and Edwin Lewis. E. C. Gaudette was chairman of the rally. Following the rally lunch was served.

'Limited Access' Policy Explained

Highways Minister Philip Matheson said yesterday that portions of the highway network of the province could be declared limited access highways, "but at the present time traffic doesn't warrant it."

The provincial government, by order-in-council declared that highway between Summerside and Miscouche as being of limited access. This means that the number of driveways or roadways leading on to that highway can be limited by regulation.

For example, if a housing development were established at any site along the highway, it may be that only one, or a limited number of roads leading to the highway from the development, would be allowed.

Mr. Matheson said that at

present no other stretches of highway in the province are being considered for limited access regulations, with the possible exception of a portion of the St. Peter's highway from the Queens County all to the intersection of the Brackley Point Road.

Fourteen members were present and the chairman of the civic affairs committee, Gerald Egan, reported to the organization on the last meeting of the Summerside Town Council which he and four other members attended.

Donald Crosby and Walter Wheeler were present from the Charlottetown club and showed an excellent movie on parliamentary procedure. The movie was followed by a lively discussion by the members present.

Points were brought out as to the proper way of conducting a meeting and addressing a meeting as well as the way to prepare reports and speeches.

The next meeting of the Summerside Jaycees will be held at the Tartan Restaurant on Monday evening Feb. 5 at 6:30 p.m. All those interested in the Junior Chamber of Commerce movement are invited to attend.

Lions District Official Speaks At Island Rally

SUMMERSIDE — Deputy District Governor Colin MacKay of Oromocto, N.B. was principal speaker at a Lions regional rally held last evening at the Kensington Legion Home with upwards of 75 Lions from the seven island clubs in attendance. They were accompanied by their wives or lady friends.

Master of ceremonies was Gordon Cooke who introduced the guest speaker.

The deputy district governor spoke on the history of Lionism, especially regarding the district to which the island clubs belong, District 41-N-1.

During his address, Mr. MacKay paid high tribute to the founder of Lionism Melvin Jones, who established the first organization in Chicago in 1917. Mr. Jones passed away in June 1961 at the age of 82. Mr. MacKay stated Lionism has spread from 30 clubs in 1917 to 16,034 clubs with a membership of 642,575 in 114 countries or geographical areas at the present time.

The first Lions Club on P.E.I. received its charter at Montague in 1949, the guest speaker related, but this charter was surrendered a few months later. Then followed the Charlottetown club in 1953, Summerside and Kensington in 1954, Souris in '55, Borden in 1957, Parkdale formed a club in 1960 and St. Eleanors in 1961.

Mr. MacKay stated that Eric Jessome, past president of the Kensington club and now international councillor was the first district governor of district 41-N-1, which includes New Brunswick and P.E.I.

The deputy governor stated that charter members deserve a rich reward for their great work and he asked each member to dedicate himself to the work of Lionism. He called upon Mr. Jessome to read the Lions' code of ethics and deputy district governor, Reginald MacLellan, Summerside to read the Lions objects.

Others who spoke briefly were zone chairman, Joseph Molloy, Charlottetown; zone chairman, Boyd Bearisro, Kensington; Deputy district governor, Reginald MacLellan, Summerside, and King lion of the Kensington Club Don Baker who welcomed the Lions and their ladies to the rally.

Deputy District Governor MacLellan expressed the regrets of District Governor Jacob Kirsch of Moncton who was unable to be present. Mr. MacLellan asked each member to take back to his club "some of the brotherly love that exists here tonight."

The charter members of each club were introduced by the master of ceremonies and the group was honored by being seated at a special table. Before being seated they were piped into the banquet hall by Piper Ruddy Dawson of Tryon.

Members of the committee in charge of the rally were Lorne Glydon, James Bamey, George Clark and Eric Jessome. The Ladies Auxiliary of the Kensington Legion catered. Grace was delivered by Rev. Ronald Parsons.

'Green Gables Week' Poses Problem For National Park

"Because of the terms of reference governing the establishment and the operation of National Parks, many factors have to be considered before a promotional scheme of this kind can be approved," Eric Kipping,

superintendent of the Prince Edward Island National Park said last night.

Mr. Kipping was commenting on a recent proposal to hold a "Green Gables Week" with a real live "Anne of Green Gables" as a tourist attraction.

He stated that such a proposal to have local girls dressed in costumes of the period in which the "Anne of Green Gables" story was set, has been under consideration recently by the federal government's department of northern affairs and national resources, which is responsible for the administration and operation of national parks throughout the country.

Mr. Kipping noted that difficulties of traffic congestion in the area are also increasing each year, and the presence of the 6-11 course in the immediate area complicates the matter further.

"Solutions to these problems have not yet been found and a final decision in the matter has, therefore, not been reached as yet," Mr. Kipping concluded.

WEATHER

TORONTO (CP) — Temperatures:

	night	day
Victoria	33	39
Calgary	29	42
Regina	16	31
Toronto	17	25
Ottawa	18	20
Montreal	22	23
Quebec	17	19

Sydney	33	38
Yarmouth	37	43

HALIFAX (CP) — The weather office says cold-sunny weather is expected today.

Regional forecasts:

Halifax and vicinity, South Shore except Yarmouth County, northern N.S., and Eastern Shore; Prince Edward Island; New Brunswick: Mostly clear and colder; northwest winds 15, shifting in the evening to southwest 15. Low-high at Halifax and Liverpool 18 and 25. New Glasgow, Goshen and Charlottetown 13 and 20. Moncton and Fredericton 5 and 15. Saint John 10 and 15. Edmundston and Campbellton 5 below and 10 above.

Yarmouth County, Annapolis Valley and Cape Breton: Clear with a few cloudy intervals and a few snowflurries; colder; northwest winds 15, shifting in the evening to southwest 15. Low-high at Yarmouth 18 and 25. Kentville and Sydney 15 and 20.

High tide today at Charlottetown at 12:35 a.m. and 1:30 p.m. At Rustico at 10:02 a.m. and 1:13 p.m. Summerside tide eighteen minutes later than Charlottetown. Sun rises today at 7:15 and sets at 5:09.

4 Officers Take Course

SUMMERSIDE — Four police constables of the Summerside force are in Charlottetown for three days attending the course being held under the direction of the RCMP.

Those attending from Summerside are Stewart Berry, Keith Champion, Sigurd MacKinnon and Caryle Newson. The remainder of the force will attend a later course.

Shorthorn Ass'n Faces '62 Revenue Cutback

Loman MacLean, Arlington Lot 14 was re-elected president of the P.E.I. Shorthorn Breeders Association at the annual meeting held here yesterday.

The breeders pared expenses for the coming year, as they faced what they regard as a cutback in revenue, but also discussed moves that would extend their breed which has grown extensively over the past year with 234 breeding cattle brought in from other provinces.

The association cut trucking subsidies to exhibitors to a flat rate of \$1.50 per animal to one fair only. To qualify the member must have paid his dues by the first of July, and he must notify the secretary to which fair he wants his trucking subsidy paid. The membership fee has been raised to three dollars.

The Shorthorn breeders face an unusual situation in the problem of prize money at the Provincial Exhibition. While they have separate shows for the Beef Shorthorns and Dual Purpose animals, the provincial exhibition association only provides prize money for one show, as they do for other breeds.

The problem of the suggested cutback in available revenue developed when the secretary wrote a letter from the deputy minister of agriculture, outlining a new system of aid to the organization.

In future, the letter explained, the department will pay the basic grant of \$300 to both the Beef Shorthorn people and the Dual Purpose side of the breed, plus the additional amount available to all other breeds, amounting to three dollars for every calf registered during the year. But it will not pay any additional grants for prize money, or for other purposes.

Last year, Secretary Sterling Wood explained, the department had paid some \$489 toward the Shorthorn prize list, the association makes up the rest for the Beef Shorthorn classes. The exhibition association provides the prize money for the larger classes of Dual Purpose Shorthorns.

GRANT RAISED
But, it was revealed, the department of agriculture is raising its grant by \$300 this year in making the grant available for both types of Shorthorns for a total of \$600. Last year only one basic grant was available for a total of \$300.

Mr. Wood felt that with a larger entry of Beef Shorthorns expected this year, entailing a bigger prize-money outlay, the breeders' association may well have to make a larger contribution to the prize money for the big fair.

Mr. Justice R. R. Bell, a director of the Shorthorn Breeders Association and also of the exhibition association, said the exhibition association last

practically \$7,000 last year on the livestock show. **NO INCREASE**
The provincial government grant of \$9,000 to the exhibition has not been increased in 20 years, said Judge Bell although, he added, grants to other fairs in the province have been increased and in some cases doubled.

The breeders decided to provide the same financial aid for club members, the Rural Youth Fair and the Easter Beef Show and Sale, but they discontinued special prizes of \$10 in each case to the Summerside Lobster Carnival and agriculture fair, to the Crapaud Exhibition and the show at Dundas.

The members set aside a sum for a gift to Mrs. Audrey MacMillan Veniot in appreciation of her co-operation and assistance, voted to hold a field day at the home of President MacLean, late in June or early in July and named Professor L. H. Hamilton, formerly of Macdonald College, as first choice to judge at Charlottetown with Kenneth Deacon, Unionville, Ont., as second choice.

Members were urged by Athol Roberts, Southport to list with the provincial department of agriculture any animal they may have for sale and considered the suggestion of Ralph Adams O'Leary that a consignment sale of Shorthorn cattle be considered.

There is still a demand in Prince County for good Shorthorn breeding cattle. Mr. Adams had reported to Mr. Roper in a telephone call yesterday afternoon. The O'Leary man was unable to be present owing to illness.

Mr. Adams had also suggested that the association enter a float in the Lobster Carnival parade at Summerside, and a publicity committee to visit new members and help publicize developments within the breed.

GOOD SHOWS
Mr. Roper congratulated the breeders on a splendid job in developing new breeders last year, for "a tremendous show" at Charlottetown and also for "marvellous shows" at Alberton and Dundas.

The livestock director warmly congratulated Waldron MacPhee, Elmwood for winning the Semper trophy for the herd having the highest ratings in milk and butter fat in the breed in Canada.

Mr. MacLean said the association had reason for pride in the breed development during the past year. A total of 234 Shorthorn breeding animals had been brought into the province, he told the meeting.

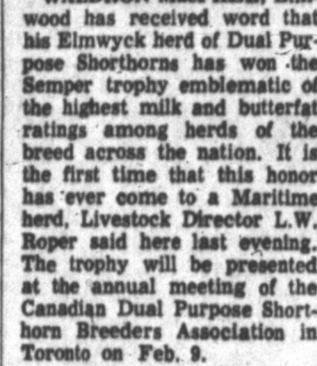

The question of choosing a princess for the association, from among 4-H Club girls, was left to the new board of directors.

Vice-president Alton Younker, Winsloe and Secretary Sterling Wood, Mt. Herbert were re-elected.

Directors include Clifford Townsend, Rollo Bay; Walter Simmons, Freetown; Daniel Jewell, North River; Keith Barrett, Belmont Lot 16; Athol Roberts, Southport; Waldron MacPhee, Elmwood; H. Lyle Boswell, Marshfield; Ralph Adams,

STERLING WOOD, Mt. Herbert (left) and Loman MacLean, Arlington, Lot 14 were re-elected yesterday as secretary-treasurer and president of the P.E.I. Shorthorn Breeders' Association at the annual meeting held here.

WALDRON MACPHEE, Elmwood has received word that his Elmwood herd of Dual Purpose Shorthorns has won the Semper trophy emblematic of the highest milk and butterfat ratings among herds of the breed across the nation. It is the first time that this honor has ever come to a Maritime herd. Livestock Director L.W. Roper said here last evening. The trophy will be presented at the annual meeting of the Canadian Dual Purpose Shorthorn Breeders Association in Toronto on Feb. 9.

Mr. Wood felt that with a larger entry of Beef Shorthorns expected this year, entailing a bigger prize-money outlay, the breeders' association may well have to make a larger contribution to the prize money for the big fair.

Mr. Justice R. R. Bell, a director of the Shorthorn Breeders Association and also of the exhibition association, said the exhibition association last

WESTERN BRIEFS

VISITS AUNT
Howard Gould and his son, Billy, of Burlington, Ont., visited their aunt, Mrs. Frank P. Fraser, Alberton, on Tuesday.

FERGUSON FUNERAL
The funeral for Mrs. Finlay Ferguson was held from Victoria United Church on Jan. 20. Rev. Bryer R. Jones conducted the service in the church and at the grave. Mrs. Allison Lea was organist. Hymns sung were "The Lord's My Shepherd" and "Abide With Me." Pallbearers were Edwin Bell, Melville Bell, Alan Ellis, Edwin Boyce, Louis D. MacLeod and James Boyce. Interment was in Crapaud cemetery.

CROSSMAN FUNERAL
The funeral for Mrs. Charles Crossman, Cape Traverse, was held Tuesday, Jan. 23 from the Church of Scotland, Cape Traverse, service was conducted by Melville Reed. Hymns sung were "The Lord's My Shepherd" and "Unto The Hills" and "All Ye People That On Earth Do Dwell." Pallbearers were Brewer Waugh, Roy Simmons, Hamp MacLean, Bert Dickie, Edward MacWilliams, Muncy Gardiner. Interment was in the church cemetery.

TURNER FUNERAL
The funeral for Edward J. Turner took place Tuesday morning from the home of his son, James Turner, Hope River, in St. Ann's Church. Solemn Requiem High Mass was celebrated by Rev. J.N. Triner, PP, assisted by Rev. Walter Reid, deacon. Rev. Clifford Murphy, sub-deacon. Rev. Arthur Pendergast, master of ceremonies and Rev. Gerald Steele concelebrant. Present in the sanctuary were Rev. Dr. Louis Callaghan, Rev. Harold Croken, Rev. T.P. Butler, Rev. L.J. Ayer, Rev. Joseph LeClair, Rev. Denis Gallant and Rev. Andrew MacDonald. Pallbearers were Jack Doyle, Brandon Reid, Robert Simpson, Lee Bell, Lorne Stewart and Thomas Reid. Interment took place in the church cemetery, the service being conducted by Rev. Walter Reid.

BROWN
At the Charlottetown Hospital, Tuesday, Jan. 23, 1962, Mrs. Anastasia Brown, 140 Water Street, and formerly of Boston, Mass., in her 92nd year. Her remains will rest at the Charlottetown Funeral Home until this afternoon at 3 o'clock, at which time they will be forwarded to the residence of her cousin, Moses MacInnis, St. Peter's Bay. The funeral will be held Thursday morning, leaving the house at 9:15 for Requiem High Mass at St. Peter's Church at 9:30. Interment in the church cemetery.

WALTON
At the Charlottetown Hospital, Tuesday, Jan. 23, 1962, Mrs. Mary Walton, 140 Water Street, and formerly of Boston, Mass., in her 92nd year. Her remains will rest at the Charlottetown Funeral Home until this afternoon at 3 o'clock, at which time they will be forwarded to the residence of her cousin, Moses MacInnis, St. Peter's Bay. The funeral will be held Thursday morning, leaving the house at 9:15 for Requiem High Mass at St. Peter's Church at 9:30. Interment in the church cemetery.

WALTON
At the Charlottetown Hospital, Tuesday, Jan. 23, 1962, Mrs. Mary Walton, 140 Water Street, and formerly of Boston, Mass., in her 92nd year. Her remains will rest at the Charlottetown Funeral Home until this afternoon at 3 o'clock, at which time they will be forwarded to the residence of her cousin, Moses MacInnis, St. Peter's Bay. The funeral will be held Thursday morning, leaving the house at 9:15 for Requiem High Mass at St. Peter's Church at 9:30.
