Change of Business!

For nearly fourteen years we have conducted business in this city in the lines of SEEDS and GROCERIES to the satisfaction of our patrons, as is evidenced by the fact that a large proportion of our present customers have dealt with us regularly from the start. For several years past we have foreseen that the development of our Seed business—now the largest in that line in the Maritime Provinces—would eventually make it advisable to give up the sale of Groceries altogether. That time has arrived, and we now RETIRE FROM THE GROCERY BUSINESS, not because of any want of success in that line or want of confidence in our ability to continue to compete for a fair share of patronage, but for the reason that we have plans for the future which, properly carried out, will, apart from the Grocery business, take up all our time and employ all our capital.

We propose to further develop and extend our Seed trade, improve wherever possible the quality of the Seeds we sell, and increase our facilities for conducting the business; to enter more largely into the growing of Seeds for our own trade in such lines as this can be profitably done, and in connection with the Seed business conduct

A COMPLETE BOOK STORE,

in which the sale of Agricultural Literature will be made a specialty.

Our former Store in MONAGHAN'S BRICK BUILDING, on QUEEN STREET is now being completely refitted and prepared for the proper carrying out of the above named plans. This Store will be open for business as soon as possible, and due notice will be given of the date. In the meantime our office remains where it is at present and we respectfully request prompt payment of all due and overdue accounts.

We have now to cordially tender our sincere thanks to our many friends and customers in both the city and country for their liberal patronage, and beg to inform them that we have sold out our STOCK OF GROCERIES and the good will of our Grocery business to MESSRS. BEER & GOFF of this city, and we bespeak for them the patronage of our customers in the Grocery line, and we feel confident that MESSRS. BEER & GOFF will endeavor to please all our old customers by giving them GOOD GROCERIES AT LOW PRICES and prompt attention, such as we have ever tried to do.

GEO. CARTER & CO.

Referring to the above, we shall make every effort to give Messrs. Geo. Carter & Co's. former Grocery customers, who may favor us with their patronage, the attention and satisfaction which we are sure they have received in the past, and thus prove that we merited their confidence in recommending their customers to deal with us.

OLD AGE OF INDIANS.

Defying All Rules of Health They Keep Well and Strong.

The Remarkable Longevity of the Indian Race Explained.—For Every Human Ill They Have a Cure—They Know Where to Find the Roots, Herbs and Barks that will keep them in Good Health—The Secret Now Given to the World.

Laughing Dog. Age 106 Yrs.

Indians are long lived. There are many Kickapoos now living who have trod parts of this vast continent long before white men ever set this foot on the soil of their vast domain. Their lives have been spent with nature. Born to good health, as the saying goes, they keep it.

Think how they live, eat, sleep, travel about, exposed to climatic changes, poisonous night airs, damp sleeping places, food half cooked, and eaten with utter disregard of all common rules of health. Yet, look at them! Pictures of health.

Chronic Rheumatism? Never. Malaria and Chills? Very rarely. Indigestion? Occasional symptoms perhaps, but Chronic Dyspepsia, utterly unheard of. While any of the numerous afflictions of the liver, kidneys or bladder, so frequently found among the whites, is rarely heard of among the Indians.

Why is it?

For centuries these children of nature have studied her ways. For centuries they have known where to look in the forest and field for a certain cure for the ills which arise from the disobedience of nature's laws. At the first sign, the first symptoms of sickness, they resort to their "Sagwa"—the most potent, remedial combination of roots and herbs known to the Indian or any other race.

A combination so valuable that the learned professor of Physiological Chemistry at Yale college commended it, and could offer no suggestions.

Science surpassed by Indian craft! Nature undefiled by mineral poisons.

Indians are subject to ills of the flesh, but they have a remedy for all.

Kickapoo Indian Cough Cure breaks up their colds and stops their coughs. Kickapoo Indian Worm Killer keeps their children free from these troubles; and Kickapoo Indian Oil arrests croup, allays pain, heals bruises, and quickly kills all pains; Kickapoo Indian Salve heals, wounds, cuts, abrasions of the skin, humors, eczema, etc.

These remedies are now sold by every druggist in the land, and their best proof of genuine worth is in the fact that on their merit solely they have achieved this sale within a few short years. Ask for them at the Trading Post on the Frontier, and you'll find them there. Go into the fashionable drug stores of New York City, and these remedies of the Indians are to be bought. Everywhere, high and low, they have made friends by their intrinsic value. Sold by Druggists and Dealers.

Afraid of the Moon. Age 117 Yrs.

Kickapoo Indian Sagwa,
The Incomparable Liver, Stomach and Blood Medicine. $1 per bottle; 6 for $5.
