

Local and Other Items.

THE LYCEUM—to-night.

NEW CHURCH.—The Farmer says that funds are being collected for a new Roman Catholic Church at Misconche.

PUBLIC MEETING.—The public meeting to be held in McLeod's Hall, on Monday evening next, promises to be of no ordinary interest. Be sure and attend.

AN IMAGINARY ROBBERY.—The store of Mr. James McLeod, Lower Spring Park Road, was not broken into on Monday night, as stated in the Patriot of last evening.

SUPREME COURT.—In the case of McKay vs. Sullivan, which was concluded this forenoon, the appeal was allowed with costs. After the conclusion of this case, the Court adjourned till 3rd December next.

THE BEATRICE.—The steamer Princess Beatrice, Capt. A. H. Kelley, arrived from Halifax, via intermediate ports, last evening, and sailed again this afternoon. She had a general cargo both ways.

BOILS, carbuncles, and other skin eruptions indicate that the system is endeavoring to reject poisonous acids, and that Ayer's Sarsaparilla is imperatively needed. It is the most reliable of all blood medicines. Ask your druggist for it, and take no other.

POLICE COURT.—Mary Doyle, violation of Scott Act—third offence—two months imprisonment. Patrick Cullen, keeper of Law Courts building, opening a drain for the reception of slops, washings, etc., on Queen Square. Summons dismissed.

NOTICE.—Notice is hereby given that I will issue executions on Monday, 25th inst., against all persons who have not paid their city tax, real estate, personal property and poll for this year. In order to save costs pay at once.—ROBERT VANDERSTINE, City Collector. nov20 4i

P. E. ISLAND RAILWAY.—Return tickets at one first-class fare will be issued from all points to Charlottetown on Monday December 2nd, good to return up to and on the 4th, to parties attending St. Andrew's Dinner at the Osborne House on Monday evening, December 2nd.

MUSICAL.—Over thirty of the leading citizens of Charlottetown have recently purchased the celebrated Newcombe Piano. These beautiful instruments have been pronounced by leading artists the finest made in Canada. Call or write to Mr. S. N. Earle if you are thinking of purchasing a piano. dwy 1i

PROBATE COURT.—The probate court has been occupied for the last two days examining witnesses in proof of the will in solemn form of the late John H. Ross, of Flat River, and may be engaged for the rest of the week, as a large number of witnesses are in attendance yet to be examined. Mr. Justice Young is presiding. A. A. McLean, Esq., is advocate for setting aside the will; Malcolm McLeod, Esq., Q. C., for sustaining it.

BOSTON COMEDY CO.—This favorite Company give their opening performance in the Lyceum this evening, appearing in "Aurora Floyd" and "The Rough Diamond." The Company have been playing to good houses in Summerside for some time past, and the papers of that place speak in the highest terms of their different performances. Give them a bumper house to-night. Manager Webber deserves it.

DR. TALMAGE AGAIN AN EDITOR.—Beginning with January 1st next, the Rev. T. De Witt Talmage, D. D., will become one of the editors of The Ladies' Home Journal, of Philadelphia. The famous preacher will have a regular department each month, written by himself, with the title "Under My Study Lamp." His first contribution will appear in the January number of the Journal. Dr. Talmage's salary is said to be one of the largest ever paid for editorial work.

FIRE AT GEORGETOWN.—The Salvation Army barracks at Georgetown was destroyed by fire shortly before daylight this morning. Nothing was saved. The cause of the fire is unknown. The building was formerly used as a market house. The wind was blowing right across the street, in the direction of the new courthouse at the time, but that structure being of stone with slate roof, was perfectly safe. The wise policy of the Government in erecting stone buildings was here exemplified. We trust that in future more buildings of brick and stone will be put up throughout the Province.

DIED FROM HIS INJURIES.—The Farmer says: A sad accident which resulted in death occurred Mr. Patrick Deegan, of Cape Traverse, on Tuesday, the 4th inst. On that day he was driving homeward from Summerside and at "Moynagh's brook," near Ross' corner, the horse was driven into the brook to get a drink. When done the animal suddenly sprang forward when one of the wheels went up on the bank and Mr. Deegan was thrown out and we are informed hurt his spine. In consequence of this he died last Monday and was buried Tuesday. The old gentleman was well on in years and his age no doubt, prevented his recovery. We tender our sympathy to the family.

MORE LIGHT.—We understand that the Edison Electric Light Company have arranged to erect their system of electric lighting in this city. The Edison system gives a light that is as near perfection as possible. The light is clear, soft and steady, and there is not the smallest risk or danger of any kind. The electric current is indirect, or what is known as low pressure, so that the whole current can be taken through the person without injury. In the direct system many lives have been lost; in the Edison there is perfect safety, and with the improved Edison fixture perfect light. It is expected that the lights will be in operation about the first of the year.—C.M.

PRODUCE SHIPMENTS.—The schr. Sparrowhawk cleared for Bermuda to-day with a general cargo shipped by A. Horne & Co. Amongst the cargo were 475 bags potatoes, 650 bushels oats, 53 drums codfish, 120 bushels turnips, 3 boxes harness, 2 sheep and 6 live geese. The Sparrowhawk is owned by Mr. H. C. Outerbridge, of Bermuda, and is commanded by Captain Curry, of Pictou. The schr. Coronet, Capt. Gelert, sailed from North River for Newport, R. I., this morning with a full cargo of potatoes (5,500 bushels), shipped by A. Horne & Co. The schr. Menagero cleared for St. Pierre Midy, a few days ago with a cargo of 2,100 bushels of potatoes and turnips. The schr. Annie, Capt. LeBlanc, sailed a few days ago for Sydney, C. B., with a cargo consisting of 1,500 bushels of oats, and 40 tons pressed hay. Both cargoes were shipped by Mr. C. H. Schurman.

THE Lady Godiva must have had exceptionally long hair since it completely concealed her lovely person. Since Ayer's Hair Vigor came into use such examples are not so rare as formerly. It not only promotes the growth of the hair, but gives a rich, silken texture.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER. News of Stanley.

BERLIN, Nov. 20.

The Reichsanzeiger has a despatch from Captain Wissman, dated Mpwapwa, Oct. 13th, in which he says four of Stanley's men and one of Emin's soldiers have arrived there. They left Stanley at Nenkuna on August 10th. Emin and Casati had thirty Soudanese soldiers and many other followers. They had in their possession a large quantity of ivory. Stanley had a force of 240 Zanzibaris, accompanied by his six lieutenants. The expedition struck camp as soon as the messenger started. Emin and Stanley repeatedly fought and repulsed the Mahdi's forces, capturing the Mahdi's grand banner. The majority of Emin's soldiers refuse to follow him southwards.

LONDON, Nov. 20. Captain Wissman telegraphs that Henry M. Stanley arrived at Mpwapwa on November 10.

The Old Trick Worked Again.

ST. JOHN, N. B., Nov. 20.

A man who says he belongs to Nova Scotia arrived here by train to-day, and reports the loss of \$150 in the usual way. Shortly after he left Bangor, a man approached the Nova Scotian, and remarking that he had that amount to pay on freight, asked him to let him have the cash until he got to Oldtown when he would get a cheque cashed and return the amount. At Oldtown the stranger got off the train to get the cheque cashed but forgot to return. The victim had a through ticket to Halifax. He declined to give his name.

Another Big Raft Scheme.

OTTAWA, Nov. 19.

J. D. Leary, of New York, the originator of the Joggins raft scheme, arrived in town yesterday to interview the Minister of Customs as regards arrangements for the taking out of another big raft. The Minister being absent for two or three days Mr. Leary interviewed Sir John Macdonald. Another gigantic Joggins raft will leave Nova Scotia for New York early in the spring. Mr. Leary left for home last night.

Rioting Negroes.

COLUMBIA, N. C., Nov. 20.

A number of negroes, full of whiskey, started a riot on the plantation of Henry Hill, in Laurens County. Hill, who is 80 years old, remonstrated, and was fatally stabbed. One white constable was seriously beaten, and further serious trouble is anticipated, as the whites propose to punish the rioters at any cost.

Marriage Bells.

ST. JOHN, Nov. 20.

This afternoon Arthur Calhoun, of the Boston Traveler staff, was united in marriage to Miss Maggie Ellis, daughter of J. V. Ellis, M. P., editor of the Globe. Mr. and Mrs. Calhoun left for their home in Boston by to-night's train.

They Favor Amnesty.

CONSTANTINOPLE, Nov. 20.

The Grand Vizor and other Turkish ministers favor the granting of amnesty to the Cretan insurgents.

Weather Bulletin.

TORONTO, Nov. 21.—10 a. m.

Moderate to fresh winds, mostly southerly, cloudy and showery, not much change in temperature.

Souris Notes.

Souris is looking forward to the winter. The fall shipping is well under way, and the foreign fishermen have nearly all left. Quite a lot of farm produce has been shipped by our enterprising merchants, Matthew, McLean & Co., McEachern & Co., Sterns, Kickham, Capt. A. R. McDonald, and others, principally to Boston, Halifax and the Newfoundland markets. Canned meat is being put up in large quantities just now by Matthew, McLean & Co. and D. Murphy, who has made quite an addition to his already extensive factory.

In Souris improvements, Dr. Ford has enlarged his drug establishment, and Michael Lavis has built a large warehouse on Main Street. John McKinnon, too, has finished his residence in short time. Our young folk are to have a new rink for the winter. A company was formed a short time ago to undertake the affair, and in a short time the necessary amount of stock—about \$1,000—was subscribed. For those who desire intelligent amusement we expect a number of lectures through the winter. Rev. W. W. Brewer was here from Charlottetown yesterday and gave us quite an enjoyable evening with his lecture on "The bright and happy side of life." Mr. Brewer promises to come again, and no doubt he will have a full house.

Next week Mr. Thomas B. Shea is to lecture on "The life and adventures of Thomas Manning." Others are expected, which we hope will be forthcoming.
