Established 1845.

NEW YORK LIFE INSURANCE COMPANY.

Assets, January 1st, 1868, Over Ten Million Dollars! PRESIDENT: MORRIS FRANKLIN, ESQ., Vice President and Actuary: WILLIAM H. BEERS, JR. HEAD OFFICE 112 & 114 Broadway, N. Y. General Agents for the Dominion of Canada: BURKE & SUMMERVILLE, Herald Buildings, Montreal.

The New York Life Insurance Company IS ONE OF THE OLDEST INSTITUTIONS

Of the kind in America, having been chartered in the year 1811, and commenced business in May, 1845. During the twenty three years of its existence it has issued policies upon the lives of more than Fifty Thousand Persons. and has paid in losses \$50,000 to the families and representatives of those who have deceased while members of the Company.

Annual Income EXCEEDS Four Million Dollars. A SAFE INVESTMENT.

The instances are many within the experience of every Life Insurance Company, in which the provisions of those who have thus made provision for their wants in times of prosperity and health. A wife may insure the life of her husband for her own benefit, and should she survive him, the amount of the insurance will be payable to her free from any claims against his estate; and in case of the death of the wife before that of the husband, the amount of the insurance may be made payable to her children.

THE COMPANY DECLARES ANNUAL CASH DIVIDENDS, which are available in payment of each Annual Premium. All the insured in this Company receive dividends which can be used in part of the second and each subsequent Annual Premium thereafter; or the dividend may be allowed to accumulate and subsequently used in whole or in part in the payment of Premiums. The business of the Company being PURELY MUTUAL, each member pays only the average cost of insurance, all surplus being annually returned to the Policy holders. (Companies having a stock Capital usually retain a large portion for the stockholders.) The Dividends paid to Policy holders exceed \$3,000,000.

Employment Assurance Policies. These Policies are coming into general request. As a sure and profitable investment for one's declining years, they deserve the attention of all. The sum secured by an ordinary life policy becomes available upon the death of the insured; on the Employment Assurance the amount is received by the assured himself upon his attaining a specified age. A full description is made for details concerning prior notices.

THE NON-FORFEITURE PLAN.

This Company originated and introduced the valuable feature known as the Non-Forfeiture Plan, which is mainly superseding the old system of long payments, and has revolutionized the system of Life Insurance in the United States, and which has been adopted generally in a less favorable form by all Life Companies. A party, by this table, after the second year, cannot forfeit any part of what has been paid in.

Tables of Rates, Circulars, Examples of Dividends, Forms, &c., can be had by applying to the Agent, at Charlottetown. MEDICAL EXAMINERS: DR. MACKIESSON, DR. R. JOHNSON. Agent for P. E. Island: HENRY A. HARVIE. Charlottetown, Nov. 19, 1868.

INK. INK. INK. CARTER'S Combined Writing & Copying INK! THIS COMBINATION INK has been awarded the highest premiums over all others in the United States, and pronounced by the most celebrated Chemists the best ink ever offered to the public. It is used by many of the largest commercial houses, Banks, Railroads, and other Corporations, and gives perfect satisfaction. The Advantages of this over other Inks, are:— First—It flows freely from the pen, and does not thicken by exposure to the air. Second—It will give a perfect and instantaneous copy. Third—It will not mould. Fourth—Being equally as good for copying as for book-keeping, it entirely does away with the use of two kinds of ink. Fifth—It is more permanent than common Inks. Sixth—The color, when first written, is a beautiful dark green, but in a remarkably short time it changes to a brilliant jet black—not a brownish black. Seventh—It is admirably adapted to the most delicate writing, and always "makes its mark." The Ink is warranted to flow as freely as any other writing fluid now in use; to give as perfect a copy as any copying ink; and not to mould. This Ink is for sale at HARVIE'S BOOKSTORE, Queen Street, Charlottetown, Nov 4, '68.
