FIBERGLAS

draperies offer
lasting
loveliness with
a lifetime of
easy-care wear

Fiberglas® Draperies are so practical ... so beautiful ... so easy to care for! Never, never need ironing—not even a "touch-up"—because, of course, they're permanently ironed during manufacture by the exclusive Fiberglas® "Coronizing" process. And they have many other features: they're easy to wash and keep their fresh, radiant beauty ... they're fade-resistant and soil resistant—fireproof, mothproof, mildewproof and rotproof. They can't shrink, stretch or sag—drapes gracefully. Their soft, glowing translucency lasts forever. Choose now from the complete Fiberglas collection—there are fabrics for every decorating scheme, from traditional to modern.
