nize her as the one who is always trying to sneak in unnoticed 10 minutes late because of practice) led our scorers with 14 with Janet Trainor close behind with 12. In Halifax on Saturday playing the strong Dalhousie

team, we trailed 35-18 at the half and ended up on the short end of an 83-42 tally. For Dalhousie, Sue Cosh, who was with us last year, had 16 points. Our high scorer was Heather MacLean with 11. The girls play their next

game at home next Sunday aft with Moncton providing the opposition.

We are happy to reiterate that all Panther Hockey games will be broadcast over CHTN (1190) with Bob Henry doing the play-by-play. "What's his name"...you know the gravelly voiced centenarian who assisted him last year... will be relegated to a gofor job while John Neville, demon statistician for the Panthers, will this season supply the colors. We are sure that you'll enjoy Bob and John so give CHTN a listen Friday night at 8:00 and Saturday at 4:00. Why not try taking a transistor equipped with earphone to the gym on Friday...that's the 20th century for you.

# Ten Cent Suit

# Over Parking

# Meter Dispute

A Los Angeles woman has filed a ten-cent claim in Small Claims Court, charging a parking meter with theft.

According to Norma Miro-pol, the parking meter consumed her dime and then failed to operate. She told the court the incident caused her great anger and the loss of ten cents.

The city attorney's office is taking the claim seriously. They fear the claim could cost the city several hundred dollars in red tape, plus a dime.

# Student Union Bungles Again

Well it's happened again. We've gotten another stupid decision from the Student Union policy makers. The Photo Club has been officially shut down, thus throwing future Cadre photos and this year's yearbook into limbo. Supposedly, someone (most likely Ray Shalala) sealed over the door to the Photo Club because members of the club made no official reply to a Student Union ultimatum. Ray, did you not take into account that the Photo Club now has no chair man and therefore no spokesman to present it's views? Did you not read last week's Cadre where club members replied to your issues?

their budget. Are now that operated within going to hire 2 full time photographers at \$10,000 to run The National Photo Club Ltd? Can I assume that all students will now get their \$6 yearbook fee returned? Yes, that certainly was a real smart move Ray. The men that you've banned built the Photo Club from nothing. And you've see fit in your divine power to close it down. You really missed the boat on this one. I hate to say it Ray, but I believe your resignation would be in order.

I also wonder if you realize that much of the equipment now locked in the darkroom belongs to club members and that legal action could be brought against you for confiscating their equipment? The Student Union is to be run to benefit the students, not to work against them. The photo club merely represents an activity that grew because a few guys enjoyed photography and wanted to supply the Student Union with pictures of campus life. Student Union clubs are not members of an international consortium, and many people resent you for trying to run them as such. Photo club members have invested many hours of work and sometimes even their own money in order to make improvements in the blasted place when Union funds weren't available. In the past, they were always one of the few activities on campus

Our basketball team plays at home this weekend. The gym will probably be packed one hour in advance, so you'd better get there early. The stage section is reserved for members of the Football Team and Cadre Staff writers, so conduct yourself accordingly when looking for a seat. We're expecting great things from our Winter Sports teams so get out to the games and be a UPEI Athletic Supporter.
