Local Airman Has Arctic Trip

Greenland's icy mountains, chill Arctic Seas and barren tundra has ceased to be the field of operation for LAC A1. MacDonald, son of Mr. and Mrs. Charles R. MacDonald of Charlottetown and Vernon River, who has just returned home after taking part in "Operation Nanook" undertaken by 408 Squadron R. C. A. F. Greenwood to which he was attached from R. C. A. F. Station Summer side as Communications Technician.

LAC. MacDonald who spent six weeks in eastern arctic was met on his return in Halifax by his wife and then spent several days visiting with friends in Nova Scotia before returning to Charlottetown where they were warmly welcomed by a host of friends at a party in his honor given by Mr. and Mrs. Joseph Gill.

The simplest and cheapest comforts of life in this latitude were amplified by the uncomfortable living conditions in the north. A few ivory trinkets and photos are all the souvenirs that LAC MacDonald wants to keep of the north. When the ragged haircut performed in the bright midnight sun has gone back to normal, the last personal signs of the northern operation will be gone and "Operation Nanook" will be but a memory.
