PRESENTATION.—A short time ago the ladies of the Warren Grove congregation presented their pastor, Rev. D. MacLean, with a beautiful easy chair as a token of their appreciation of his services. The chair was manufactured by M. Wright & Co., and is highly valued by the recipient, not only for its beauty and the comfort afforded, but as indicating the love that exists between him and the congregation.

SOCIAL AT MARSHFIELD.—A very successful basket social and entertainment was held at Marshfield, on the 1st inst., under the direction of the managers of the Presbyterian Church of that place. The hall was comfortably filled and the usual order peculiar to such occasions prevailed. Mr. William Thompson, of Dunstaffnage presided. The programme was varied and interesting, and, to judge from the rounds of applause, was well received by the audience. As the rendition of the different numbers was equally meritorious, it is difficult to particularize or discriminate. Special mention may, however, be made of a song by Mr. Agnes C. McAulay, the words of which were in the Gaelic language and consequently not understood—a feature regarded by some as an additional merit. The result of the sale of baskets was highly satisfactory, owing largely to the energy and characteristic ability of Mr Peter Brodie, who acted as auctioneer. Upwards of fifty dollars was netted. The success of the social reflects creditably on the managers and their associates.

DANGER ON THE PRAIRIES.
Alkali in Great Source of Trouble in Northwest.

OAK LAKE, MAU., Feb. 5.—One of the great drawbacks to life in the great Canadian wheat belt, is the presence of alkali in the water. This is a prolific source of kidney and bladder trouble and it is for this reason that Dodd's Kidney Pills are becoming indispensable in this district.
Frank Collesaux, of Oak Lake writes: "It gives me great pleasure to testify to the excellent curative qualities of Dodd's Kidney Pills. About two years ago I was attacked with kidney disease and severe pains in the back. A friend of mine advised me to try Dodd's Kidney Pills. I did so and six boxes cured me. My back has not troubled me since."
