

Inside and Outside.

AUTHOR UNKNOWN.

Rosy and warm the firelight falls
In the rich man's home to-night,
On the pictures hanging against the walls,

With tattered garments and faces thin,
Abroad in the bitter cold,
The poor man's children are looking in

I think, as I hasten along the street,
Of the beautiful home above,
Where the rich and poor alike will meet,

Cheer Up!

I.

Cheer up! What though the trees be bare,
And what though brown the meadows,
And what though chill be all the air,

II.

Cheer up! What though upon the ear,
Unwelcome sounds are falling,
Another voice ye soon shall hear

III.

Cheer up! Though still the heavens are dark
And still the earth is dreary,
Each meadow soon shall hear its lark,

HARD ON THE CAPTAIN.

Captain Ben Marcy was a retired ship-master.
I never saw but one other man looking at all like him,

Well, Captain Ben had retired from the sea with a competence,
determined to spend the evening of his days in quiet enjoyment of entire independence.

One day a neighbor sent to the Captain a basket of choice fruit,
accompanied by a note, the bearer being a brother of the colored persuasion,

"Hi! you black rascal! what ye doin' here?" demanded Captain Ben.

"Ah yah! Mas'r Cap'n! I've been gone an' fotted ye ober a lot of peaches, pears an' plums, and sich."

"Well, where are they?"

"Why, yer see, Mas'r, I couldn't see ye, so I give um to yer bruvver, jes back here a piece."

"My brother! I haven't got any brother, you black rascal!"

"Oh golly! Mas'r Cap'n, I didn't know for sartin. I spects den, he was ye son. He looked nuff like yer. Bress do Lord, I didn't know 't ye had a boy so old—"

The darkey did not finish the sentence. Seeing the old sailor "preparing for action," he cleared the coop, while Captain Ben grining in spite of his wrath, went on to find the Admiral curled up beneath a sheltering arbor, enjoying a feast fit for a king.

CAPSICUM POROUS PLASTERS

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTERS are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind. All other plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different: the instant one is applied the patient will feel its effect.

Physicians in all ages have thoroughly tested and well know the effect of Capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered. Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniment. After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents for one, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.
