

That Christmas Money.

In the next few weeks people will talk Christmas more than all other subjects combined. And very many will count their pennies to see if they will go around. And some will realize for the countless things offered for sale "that money talks." Yes, and many a poor tired clerk will wish that they could talk back. To give unselfishly without thought of return is the true Christmas spirit; but how many times, oh human nature, will the thought occur this month "Now if I make so and so a return next year." The growing Christmas present custom comes hard among certain classes, who do not always have plenty of ready money, among farmers and people near towns, who keep poultry, the egg supply is a great source of Christmas money, because prices are always very high at this season. If the old hens will only shell out the eggs now, thinks many a mother, I can soon get back all the money taken for Christmas. The surest way we have heard to get it back is this: E. A. Hubbard of Hatfield, Mass., says, "About one year ago I sent \$5 for six cans of Sheridan's Condition Powder to make hens lay, and in January my twenty-eight hens laid twenty-nine dozen eggs. I have sent \$5 this year for six more cans and the Farm-Poultry monthly." Certainly that Christmas money came back in short order. Mrs. Warren Delano, Hampton, Me., said recently to the manufacturers of this wonderful Powder, "I send \$6 for Farm-Poultry two years, and six large cans of Sheridan's Powder. It is the very thing needed. Last winter my hens did so poorly I almost lost heart, but this year 50 hens have cleared me \$125.00. "All for a little courage and Sheridan's Powder, for I had paid for more than double the average usually allowed per hen, so that her Christmas money returned manifold. Husbands, a word to the wise is sufficient; Make your wives' Christmas present six cans of Sheridan's Powder and take no other. For 50 cents I S. Johnson & Co., Boston, Mass., will send two 25 cent packs five packs for \$1.00; or for \$1.20, one large 2 1/2 pound can of Powder, postpaid; six cans for \$5.00, express prepaid. The best poultry paper—Farm Poultry—one year, and a can of Powder for \$1.50. d12 061 w11

G. G. DeNoyer, M. D., P. E. Island, says of Peptonized Porter: "I take pleasure in recommending the above named preparation. After a trial of the same I consider it a valuable remedy in dyspepsia surpassing many others of considerable repute." L. W. N. Baker, M. D., Bristol, says of Malto Peptonized Porter: "Having occasion to test your porter and extract of malt and taraxacum I can highly recommend it, supplying a long felt want to the medical profession, as it combines the fat-producing qualities of malt with the alternative principles of taraxacum and from its composition will easily be retained by the most delicate stomach and consequently prove invaluable in protracted convalescence and all wasting diseases." Ask your druggists for it. dec22 41
