

I don't think you can park here. You are creating a traffic hazard. you stupid, stupid people. But really, I don't mind this kind of parking that much.

This could have been two bad parking jobs, but instead it's one really shitty job. By the way, I stole your back hubcap, jackass.

The owner of the big truck must be compensating for something not so big (assuming the owner is a man). The truck creates bad parking jobs all around it.

Holy Crap! Does Anybody Know How to Park Anymore?

This person is blocking the roadway, but if he or she had a stupid piece of shit truck, he or she could have driven through the snow and not taken up two spaces.

There is only one correctly parked car in this lot. Congratulations! You look like an idiot.

Triple parked! And in a handicapped space! That's a first, and I hope to see more like that in the future.
