Yugoslavs Round Up Pro-Soviet Sympathizers

By SYDNEY WEILAND BELGRADE, Yugoslavia (Reuters)—Nearly 200 persons have been arrested in a government roundup of pro-Soviet sympathizers and "security risks," it was reported Saturday.

Yugoslavia. Those arrested appear to be chiefly persons imprisoned during the earlier campaign. MINISTER'S BROTHER HELD Vladimir Dapcevic, a brother of Peko Dapcevic, secretary for transport and communications in President Tito's government, also was said to be under arrest.

On the eve of the Ljubljana meeting, Soviet newspapers and journals published sharp editorial criticism of Tito's persistence that Yugoslavia should follow its Communist line, independent of Moscow. Soviet bloc parties officially boycotted the congress, sending "observers" instead of the usual "fraternal delegates."

Woman Runs Down After 32 Hours Talking

FAYETTEVILLE, N.C. (AP)—Mrs. Verna York finally ran out of subject matter and quit talking Saturday — 32 hours and 10 minutes after she began her marathon.

Her claim to the Fayetteville championship was immediately threatened by a new challenger, Vi Brewer, a 21-year-old typist. Miss Brewer, fifth in a series of seven long-winded ladies, took her place before the microphone, intent of setting a new record.

Verbose Verna's immediate objective was sleep—plenty of it. The 24-year-old Fayetteville housewife surpassed the record of 29 hours, 12 minutes and 43 seconds set Friday by Mrs. Arthur Capps, 38.

At stake is \$1,500 worth of prizes to the chatterbox champion. "Actually, I could have gone on until noon had I not run out of things to talk about," Mrs. York said.

Moncton Lawyer Is Elected Kinsmen District 7 Governor

FREDERICTON, (CP)—Moncton lawyer Richard Miller was elected Governor of Kinsmen District No. 7 unopposed Saturday as annual elections climaxed the final day of a three-day convention here.

Richard Goulden of Dartmouth, was elected deputy governor. On assuming office Mr. Miller appointed the following officers: Deputy governors, Dr. Charles Ramage of Fredericton and William Crosbie, St. John's, N.B.; district treasurer, Fred Fraser, Moncton; secretary, Bud Fogarty, Moncton; Bulletin editor, Douglas Wanek, Moncton and Kin Information chairman, Kenneth Chappell, Moncton.

At Saturday night's governor's dinner presided over by retiring district governor Donald Robb, Truro, N.S., Mr. Miller expressed special gratitude to his home club for its election and noted the governorship was an honor reserved for only one of 800 Kinsmen in the district each year.

He acknowledged that the office was one requiring responsible action, and expressed the hope that the 24 Kinsmen Clubs in the Atlantic Provinces, comprising district 7, might be increased to 28 within the next year with an identical number of Kinette Auxiliaries for women. U.S. 'Copter Strays Into E. Germany

BERLIN (AP)—A United States helicopter with eight army officers and a sergeant aboard strayed into East Germany Saturday and landed in the hands of the Communists. The United States demanded the prompt return of the army men and their craft.

The demand was made to the Russians in East Berlin because the United States does not recognize the East German puppet regime. There was no immediate reply.

The Americans were not identified. The Soviet army headquarters said all nine were safe and unharmed.

The Sikorsky helicopter, belonging to the U.S. 3rd Armored Division in West Germany, landed at Zwickau, 30 miles east of the border. Authorities assumed the craft, on a military exercise, turned east by navigational error in a thunderstorm and ran out of gas.

The East German official news agency, ADN, said the helicopter "was compelled to land in the southern district of Karlmarxstadt and was seized" by police. Karlmarxstadt is 50 miles inside East Germany.

The announcement said the East German foreign ministry sent the U.S. state department a protest note, charging that East German air space had been violated.

A U.S. Embassy aide in Bonn said no note had been received.
