DOWN THE BACK STRETCH

Bonnie Cameron 2:12 1-2 has been sold by Walter Thompson of Halifax, to Randal Hubley, who plans to race this good trotter in several events this season.

Hedley T. Fulton of Upper Stewiacke, N.S., has purchased from parties in Ontario an unmarked pacer that is said to have a tremendous flight of speed and has shown miles better than 2:12 in work outs.

King Spruce 2:10 and Fireglow 2:14 1-2 are now at the Halifax race track in training. The King Spruce horse was not in as good form last year as the previous year although he won on two occasions.

Allie Webster, harness horse enthusiast of Marie, P.E.I., who established himself in the Hall of Fame through being the breeder of Mac Aubrey 2:08 3-4 and Silver Doctor 2:14, has constructed a track on the Walter Dingwall farm, east of the home property.

A four-year-old pacing mare by Al Worthy 2:15 1-4 out of Helen E. 2:15 1-2. She is a beautiful gray and carries herself like a queen.

Dr. D. A. McIsaac of Glace Bay, N.S., was in Charlottetown the first part of the week selecting horses from Well McNeill for use in the Dominion Coal Company mines.

Harness horse racing is very popular with the Germans, and tracks with elaborate grand stands, rest rooms, etc., are located in most of the large cities.

The fastest bred German trotter at the present time is Herold by Harvest Druen 2:04 1-4 out of Miss Independence.

Harness horse drivers in Germany are mostly high class men who have inherited their talents from fathers who have been connected with horses.

Below is the list of 205 pacers, leading off with the immortal Dan Patch 1:56 1-4.

brilliant programs. The principal races will be in Berlin, where on July 26th a few days before the formal opening of the Olympic games, a race meet for big purses will be given.

A friend in this city has received word from Johnny Conroy saying that he likes his new location with the Alexander Stables in Saint John very much, and that he is giving regular work outs to Betty S. 2:04, The Great Guy 2:02 1-4, Hanover Courier 2:09 and Oh Boy Fisher 2:11.

Muscltone (3) 2:02 3-4, trotted a sensational race at Milano, Italy, March 28th, when he completed 1,660 metres (nearly 200 yards over an English mile) in 2:07 2-10.

As mentioned in these columns a short time ago, an effort is being made to combine the Canadian Trotting and Pacing Association and the Dominion Harness Horse Association, both Ontario controlled.

The National Trotting Association with its ex-Canadian W. H. Gocher as Secretary and generalissimo, has functioned so long and so satisfactorily that it would seem to the writer a rather cruel blow to separate from them.

If Maritime members renounce their membership in the National and take up with the Upper Canadian Association it will mean a mixup as regards eligibility certificates, because Fredrickton and Charlottetown will stick with the National and not doubt a great many others, I'm not almost all.

Quaker Girl 2:13, six-year-old pacing mare owned by Robert Inor and now being trained over the Truro track by Jimmie Sanderson, is one of the best bred in the Maritimes and as good as there is anywhere.

Bold Venture Favorite For Preakness Today

13 Entries To Battle In Classic

(A.P. By Guardian's Special Wire) BALTIMORE, May 15—Thirteen three year olds, one of them a gelding, were chosen today to do battle with Morton L. Schwartz's Bold Venture, the Kentucky Derby winner, in the 46th running of the \$25,000 Preakness at Pimlico tomorrow.

Unlike two weeks ago, however, when Bold Venture was lightly regarded for the Derby, the New York-owned colt held the spotlight as officials of the historic "Old Hilltop" course prepared to handle 40,000 or more spectators.

In locking about for a horse most likely to beat out the favorite, if it is to be done, experts settled for the most part on Granville or Memory Book. The Woodward colt never got a chance to show what he really could do in the Derby, tossing his rider, Jimmy Stout, at the start.

ON THE SIDELINES

PROSPECTS FOR A City Baseball League failed to brighten up any during the past week and it appears at the present time that the once popular league has sung its swan song.

IN CONVERSATION with some players yesterday the idea was broached of forming teams from the three sections of the city, North, East and West. The idea is a good one.

THEN THERE IS another way out. Summerside are having a tough time of it in getting their league underway and are anxious to have an Island League formed with two teams from each place competing.

IN THIS WAY travelling expenses would be very light. In fact so set are Summerside officials on the matter that they intend hiring a truck to convey the players here for the games should the idea go through.

SUMMERSIDE - Charlottetown game has always drawn good crowds and this season Summerside can guarantee plenty of competition.

ENOUGH FOR baseball. Here comes another challenge for George Leslie, Island heavyweight champion.

THE GLACE BAY boxer was former middleweight champion both amateur and pro of the Maritimes.

DAYTONA Drawn From Derby EPSOM DOWNS, England, May 15—Sir George Bullough's colt Daytona was scratched today from the Derby, great open classic race for three-year-olds to be run here May 27.

Texas Girl Sets British Golf Pace

(A. P. by Guardian's Special Wire) SOUTHPORT, England, May 15—Mrs. Frank Gubbwaite, an attractive young Fort Worth, Tex., matron, shot a sparkling par 75 over the exacting Southport and Ainsdale course here today to lead a large field at the halfway point in the 36-hole qualifying test for the British women's golf championship.

The 24-year-old star who showed such dismal form during her early practice rounds in England that Captain Genna Collett Vane left her off the Curtis Cup team finally recovered her putting touch.

With Patsy Berg, Minneapolis, and Mrs. O. S. Hill, Kansas City, bracketed at 79, Marion Miley, Lexington, Ky., and Mrs. Leona Cherrey, Los Angeles, at 80, and Mrs. Maureen Orcutt Crews, Coral Gables, Fla., and Charlotte Gutting, South Orange, N. J., packed at 82.

Wanda Morgan, the defending champion, showed her game was sound by firing a 78.

After the final 18-hole qualifying test tomorrow, 64 will go into the elimination rounds the first of which will be the 36-hole qualifying test.

Senior registrations had, however, shown a decrease of 338 to 1,395 he said, but the interest shown by juniors more than offset the decrease.

He decried the "poor sportsmanship" shown by some officials in protesting games.

Mr. Hudson was re-elected president. Other officials are Rev. F. R. Holborough, Sydney, honorary president; E. E. McIsaac, Trenton, N. S., first vice-president; Cecil Day, Liverpool, second vice-president; V. E. McSweeney, Halifax, secretary-treasurer.

Phillies Pound Cub Hurlers For 11-6 Victory; Bees Upset League Leaders 7-5

(C. P. By Guardian's Special Wire) NEW YORK, May 15—Phillies landed on a parade of Chicago Cubs hurlers at Philadelphia today and pounded out an 11-6 victory for the League champions' sixth straight setback.

First baseman Dolph Camilli hit four hits for four times at bat, including a homer and triple. Outfielder Ethan Allen also hammered out a four-bagger for the Phils and first baseman Phil Cavaretta did it for the Cubs.

The Phils counted five runs in the fifth to put the game on ice. Bees gave Leroy Parmelee an unexpected stinging at Boston while trouncing the pace-setting St. Louis Cardinals, 7-5.

Jim Chaplin had the "Gas House" boys well in hand until he weakened in the eighth. Then the veteran Bobby Smith rushed in and stopped the Cards in their tracks.

Pittsburgh Pirates defeated Dodgers 6-2 at Brooklyn, handing single Van Mungo, ace moundsman of the Dodgers, his sixth defeat of the season.

Mungo lasted seven innings during which all of Pirates runs were scored. Jim Weaver went the route for the Pirates, allowing four hits.

Giants stretched their win streak to five straight as they shut out Cincinnati Reds 2-0 at New York. The win brought them to within a half game of the league leading Cardinals.

Ho. Schupacher allowed the Reds only five hits, although he was taken out in the ninth inning when he became wild and Cincinnati threatened to tie the score. Mel Ott and Mancuso drove in the Giants' runs in the first and sixth innings.

NEW YORK, May 15—Philadelphia Athletics came behind in the seventh inning at Detroit as two pinch hitters connected, today to win a 6-5 slugfest from Tigers in a series opener.

The onslaught drove Tommy Bridges from the mound after he had given up seven hits, including home runs by Bob Johnson and Wally Moses.

Vernon (Whitey) Wilshire, former Indiana University southpaw, received credit for his first victory of the season.

White Sox ran their winning streak up to six straight at Chicago by taking the first of a two-game series from New York Yankees 9-7.

Yankees outthrew their rivals 13 to 11. Lou Gehrig and Tony Lazzeri led the Yankees while Tony Piet and Luke Sewell were rookie journeymen for the White Sox.

Their 15 hits included homers by Earl Averill and Hal Trosky. It was Trosky's seventh of the season.

Thirteen thousand, including 8,000 ladies' day guests saw the contest.

Every man on the Washington team except pitcher Buck Newsom got at least one hit—two got four each—as the Senators whipped the downtrodden Browns 10-5 at St. Louis.

But not a little credit for the victory goes to Newsom. He fanned 11 batsmen.

Looking Over The U.S. Davis Cup Prospects

(By Paul Mickelson, Associated Press Sports Writer) PHILADELPHIA, May 15—The mighty atom of tennis "blew up" today and said it wasn't much use.

Bryan "Bliszy" Grant of Atlanta, regarded by many as a martyr to tennis politics in the selection of active players on the United States Davis Cup team, said he wasn't that at all. In his heart, he said, he knew well that he couldn't master the grass game like he has that on clay.

"What's the use of kidding myself?" asked the tiny netman after a hard drill with red-headed Don Budge on the Merion Cricket Club grass courts. "I'm not myself on grass. Never will be. My game on grass and clay is as different as night and day. This talk about the tennis association disliking me is a lot of bunk."

"On clay, you get a dependable bounce; on grass you don't know where that ball is going, especially this time of year when it is soft. My forte is baseline play. On grass, I can't do it."

Yet, disgraced Bliszy is drilling as hard or harder than any player on the team. He undoubtedly will be named one of the four players on the second American team.

Wilder Allison, Budge, and either Gene Mako or John Van Ryn will play singles and doubles against the Aussies.

Predictions—Walter Pate non-playing captain of the United States team; coach Karl Kozeluh and every member of the squad made the same prediction about the outcome of the zone final against Australia. "It's a toss-up," they said.

Pete and Kozeluh said the doubles probably would decide the outcome. Grant predicted Allison and Budge would play the singles and that Allison and Van Ryn or Allison and Mako would form the doubles combination. In case the Americans were tossed into the hole by losing the first two singles, the hint was out that Budge and Allison would carry the entire load from start to finish.

Red Head—Captain Pate was surveying his team. His eyes fastened on Budge.

"There," he said, "is one of the most ideal tennis players these eyes of mine have ever gazed upon. Not only is he a very clean liver but he's a classic example of the right kind of temperament for grueling tennis. His expression never changes in the face of tennis adversity. He never jukes. He's as smooth as oil. And what a heart and what a backhand."

It was a good thing Budge was named on this American squad. He's the one big rainbow in the camp of the uncertain.

Hobbs Anglers Turn Back MacLeod Chicks

A keen and bitterly fought softball contest was staged at Victoria Park last evening when the Hobbs "Anglers" downed the MacLeod "Chicks" to the tune of 8-2. Up to the first two singles, the hint was out that the one big rainbow in the camp of the uncertain.

Stewart Kelly, Sargent and Gross led Hobbs' batsmen, the first two mentioned getting four hits out of five trips and the latter getting two clean cut four baggers, the last one with two on base.

Pete Kelly was brilliant for the winners allowing only three hits and chalking up eighteen strikeouts.

Mollins, Meek and Rockwell showed plenty of form on the losing outfit. Poor support made it necessary to switch the MacLeod battery in the eighth.

Junior Hawks And Ramblers Play Draw

The Junior Hawks softball team and Sydney Street Ramblers played to a hotly contested 5-all draw at the Convent Square diamond yesterday evening. The game was a close struggle all the way through eleven innings, darkness then calling a halt to the battle.

At the end of the ninth was four-all. Ramblers pushed over a run in their half of the tenth but Hawks, not to be outdone came back in their half of the same frame to once again knot the count for the final run of the game.

Hawks' catcher, I. Clow; pitcher, J. McDonald, J. Stewart; first base, F. Smith; 2nd base, A. Cameron; 3rd base, L. Arsenault; shortstop, L. Robichaud; fielders, F. Dooley, W. Clow, N. Kays.

Ramblers: catcher, M. Hughes; pitcher, B. Brennan; 1st base, H. Bowen; 2nd base, J. Hughes; 3rd base, C. Coyle; shortstop, L. Roach; fielders, L. Cullen, F. Hughes, Umpire, B. Adams.
