

Detroit Defeats Red Sox 5-4 In Rain-Delayed Game

By THE CANADIAN PRESS
Lefty Leo Kiely put an end to a rain-delayed struggle Monday when he walked across the winning run in the ninth inning and

enabled Detroit Tigers to edge Boston 5-4.
A downpour delayed play for one hour and nine minutes after Kiely had two out and one on in

the ninth inning. Play was halted with a 3-ball, no-strike count on Tiger centrefielder Harvey Kuenn.

Two other games were scheduled at night in the American League New York at Kansas City and Washington at Chicago.

Bob Cerv Takes Over As Top Batter In American League

NEW YORK (AP) — Big Bob Cerv of Kansas City, who suffered a fractured jaw May 16 and couldn't eat solid foods for more than a month, fattened up on Baltimore pitching during the week-end to take over the American League batting lead with a .330 average.

The Athletics' star outfielder collected seven hits in the three games against the Orioles and moved past Cleveland's Vic Power and Chicago's Billy Goodman.

Power moved up one notch to second place at .326. Goodman dropped to third with a .325 mark.

NATIONAL LEAGUE
In the National League, Willie Mays of San Francisco picked up 10 points on pace-setting Stan Musial of St. Louis.

Musial, seeking his eighth batting title, had nine hits in 31 at bats and slumped seven points to .354. Mays climbed three points to .347 with an 8-for-20 showing. Musial led by 17 points a week ago.

Richie Ashburn of Philadelphia had seven safeties in 17 trips to take over third place at .331.

Pittsburgh's Frank Thomas moved into undisputed possession of the senior circuit's home run lead. He walloped a pair, giving him 28 for the campaign.

Jackie Jensen of Boston remained on top in the American League home run race. He has 29 circuit blows.

Pete Runnels of Boston, last week's leader, went hitless in five trips Sunday and fell into a fourth place tie with Nellie Fox of Chicago at .324.

Cerv has turned in a most courageous performance in his eighth season in the majors. His fracture was the result of a plate collision. Bob was sidelined for three days and then played with his jaw wired until June 17.

Johnson held the listed world record with 7,985 points. Kuznetsov scored 8,014 points in a track meet this spring.

American men defeated the Russians in scoring 126-109 but Soviet women more than made up the deficit by beating the U.S. feminine representatives, 63-44.

Johnson won five of the 10 events in the decathlon—the 100-metre dash, 400-metre run, discus, shot put and javelin.

He finished second in the broad jump, and 110-metre hurdles, third in the high jump and pole vault and fourth in the 1,500-metre (metric mile) run last event on the card.

Decathlon points are figured by comparing performances with a fixed standard in each event.

Sharing individual honors with Johnson on the American team was Glenn Davis, who figured in four victories.

Besides winning the 400-metre run and the 400-metre hurdles, Davis shared in the triumphs of the 400-metre and 1,600-metre relay teams.

NEW YORK (AP) — Tony Di Biase opened cuts around both of Jimmy Archer's eyes Monday night on the way to a unanimous decision at St. Nicholas Arena.

Archer weighed 149½, Di Biase 151 pounds. Both are New Yorkers.

Dr. Alexander Schiff, a state athletic commission physician, said Anthony was running a high temperature and would not be in condition by Friday.

Barry's Lions romped to a 9-1 win over the league-leading Junior B.Y.C. squad. Lorne Israel pitched the first five innings for the Lions and then Vince Bradley took over for the remainder of the game. Hughes started for the Youth Club and relieved by Mike O'Brien.

Frank Bell called the balls and strikes and Kenny MacDonald was on the bases.

The Summerside Pontiacs were unable to field a complete team at Queen Elizabeth Park last evening and Cape Traverse was awarded the game by default. The boys played an exhibition game.

WOODSTOCK, N.B. CP — Bob Lee owned by Jud Dewitt of Houlton, Me., was a double winner and with a 2:06 in the fourth, clocked the fastest time in an eight dash harness racing card here Monday night at nearby Exhibition Park Raceway.

The racing card was one of the opening events in connection with Woodstock's 11th annual old home week.

REMEMBER WHEN . . . Floyd Patterson in his first defence of the world heavyweight title beat Tommy (Hurricane) Jackson on a technical knockout in the 10th round at New York one year ago tonight. Jackson was down as the bell rang to end the first round, and hit the canvas again for a count of six in the second.

Jim Macken, a Vancouver campaigner who has seen more tennis than some of the youngsters here have seen years, handled Gordon Smith of Berkeley, Calif., 6-1, 6-2.

The imposing list of American entrants got the best of most of their matches.

Milwaukee Braves Edge Out International All Stars 3 To 2

By BILL SENYK
Canadian Press Staff Writer
TORONTO (CP) — Milwaukee Braves Monday night kept the major league slate clean, edging the International League baseball all-stars 3-2 before 10,506 fans at Maple Leaf Stadium.

It was thus the third straight victory for a major league team over the all-stars. Milwaukee, now fighting with San Francisco Giants for the National League lead, won the first all-star game 3-0 here two years ago and Brooklyn Dodgers beat the all-stars 2-1 in 11 innings at Montreal last year.

The world champion Braves scored one run in each of the first three innings. The all-stars remained in contention by getting one back in the bottom of the first and added their other in the seventh.

Gene Conley, the first of four Milwaukee pitchers, hurled the first two innings, giving up three hits, and was credited with the victory. Southpaw Pat Scantlebury of Toronto Maple Leafs, the

first of four all-stars pitchers, hurled three innings and was the loser. He was tagged for five hits and three runs, two of them unearned.

Second baseman Mel Roach got the Braves started with a home run in the first inning. In the second inning a single by Joe Adcock, a two-base error by Solly Drake and another single by left-fielder Del Crandall plated Milwaukee's second run.

The Braves rounded out their scoring in the next inning when Henry Hannebrink, subbing at third base for Ed Mathews, reached first on an error by Scantlebury. Hank Aaron's double to centre sent him to third and he scored on an infield single by Adcock.

The all-stars got their first run on singles by Drake and second baseman George Anderson and an error by Aaron. Their second tally was started by catcher Tim Thompson who tripled while pinchhitting for Glen Cox. Pinch-hitter Nino Escalera's sacrifice fly to left field sent him home.

Yank Outstanding But Reds Win Moscow Athletic Meet

MOSCOW (AP) — America's Rafer Johnson clinaxed the U.S.-Russia track and field meet with a world record performance in decathlon Monday but it was not enough to offset a 172 to 170 Soviet victory.

Locked in a stirring athletic duel with Vasily Kuznetsov, the American finished his two-day, 10-event grind with 8,302 points. Kuznetsov scored 7,987.

Johnson held the listed world record with 7,985 points. Kuznetsov scored 8,014 points in a track meet this spring.

Coaches Oppose Football Draft

WASHINGTON (AP) — Three top college coaches Monday kicked off an anti-football draft. They called it unfair to the players and said it's not true that the pros need it to survive.

Oklahoma's Bud Wilkinson, one of the three who testified before Senate sports investigators, said that regardless of the draft only players of rare ability should undertake the professional game.

Either those, Wilkinson told the Senate anti-monopoly sub-committee, or athletes with a definite goal who play for pay in order to finance graduate education.

Wilkinson, Duffy Daugherty of Michigan State and Bowden Wyatt of Tennessee attacked the system declaring it prevents young men from marketing their talent for the highest price.

All three coaches opposed legislation to give pro football, baseball, basketball and hockey sweeping exemptions from the antitrust laws.

Dr. Alexander Schiff, a state athletic commission physician, said Anthony was running a high temperature and would not be in condition by Friday.

Dodgers May Make Changes

LOS ANGELES (AP) — Los Angeles Dodgers may make some players changes shortly, but manager Walk Aiston stays.

Buzzie Bavasi said Monday in reply to recurring reports that Aiston was about to get the boot.

"We emphatically have no idea of changing our manager," Bavasi said.

"We'll probably change some horses before the club returns from the east, but we have no idea of changing managers."

Barry's Lions romped to a 9-1 win over the league-leading Junior B.Y.C. squad. Lorne Israel pitched the first five innings for the Lions and then Vince Bradley took over for the remainder of the game. Hughes started for the Youth Club and relieved by Mike O'Brien.

White Sox Player Signing Stirs Up Kentville Club

KENTVILLE, N.S. (CP) — Sign-troversy in this baseball-conting of a 19-year-old Kentville Wildcats outfielder by Chicago White Sox has stirred up a controversy in the town of 5,000.

Monday night, a Kentville club official, who asked not to be identified, said if major league teams "want to kill the goose that laid the golden egg, all right, but surely they have more sense than ruin a League which has given professional baseball so much talent in the past."

Several Halifax and District League players, including Dick Gernet of Boston Red Sox and Moe Drabowsky of Chicago Cubs, have graduated to the majors.

It was reported here Monday that big league scouts are interested in at least three other players on the league-leading Wildcats team. The players were not named.

CHICAGO (CP) — Chicago White Sox said Monday they had signed outfielder Manley Johnston of Kentville of the Halifax and District League to a minor league contract for a "sizeable" sum.

The 19-year-old outfielder who bats and throws righthanded was signed in Kentville, N.S., by White Sox scout Ron Northey. Although no figure was given, one report said a \$40,000 bonus was involved.

Johnston, a six-foot-five 235-pounder, will report immediately to Davenport, Iowa of the class-D Midwest League.

Johnston was a star at Auburn University where he batted .328 last spring. This summer he's been hitting at a .260 clip with the league-leading Kentville Wildcats. He is a native of Cowarts, Ala.

It was recalled that Moe Drabowsky, a pitcher with Truro Bearcats, was signed by Chicago Cubs two years ago and now is starter with the National League club.

Every American League batter that comes to the plate knows beforehand that he will see nothing but fastballs while Duren is on the mound, because he has never learned to throw anything else.

It was only this year after years in the minors that he learned to control his fireball. In his tenure in the minors he would walk as many or more batters than he would strike out, hence the reason Kansas City let him get away to the Yankees. But once under the guidance of Yankee pitching coach Jim Turner, Duren suddenly found himself.

His blinding speed makes him an excellent relief hurler. Batters who become accustomed to the much slower tosses of the starting Yankee pitcher of the day, have a difficult time adjusting their timing to Duren's bombs over a two or three-inning span. But Stengel hasn't once yet let him go farther, knowing full well that major leaguers being the high grade ball players they are, would soon set their timing and level off on Duren's speedballs.
