Saints Spring Surprise

St. Dunstan's Varsity hockey team threw quite a surprise Saturday night in Halifax when they beat St. Mary's University 7-5 in an intercollegiate struggle.

It was little more than a week ago that rumors were rife that the Saints might not be to excel this season from intercollegiate play. Their team was considered to be too weak to compete with the teams that start building in the 1962-63 season.

However, the Red and White made a request to Maritime Intercollegiate Athletic Union to use high school players. It was not a new request for the MIAU to handle because we understand St. Thomas College has this privilege almost every season.

The MIAU heads considered the matter and finally agreed to use this concession to the local university. That meant the addition of the Mulligans, Billy and Vince, and Jimmy Callan. WELL, freshman coach Jack Kane hurriedly assembled the best squad he could muster and Saturday morning bright and early they headed for the rink for Halifax on the 21st with St. Mary's. The Santamarians were playing their second game of the season, having lost the opener to Nova Scotia Tech 8-6 on Saturday November 17.

It didn't take long to show folks why the Saints wanted the Mulligans. The brothers looked as good, if not better, than anybody on the ice and Billy managed to beat the St. Mary's goalie on four occasions. Of course, brother Vince was just as much a workhorse as his elder brother but Billy was the man who managed to hit paydirt four times.

Undoubtedly St. Mary's were greatly surprised by the showing the Red and Whites had, truthfully, they could not have been more surprised than we were.

Now To Antiochianish

We understand Jack Kane's boys get their next outing on Monday December 3. Antiochianish where they are guests of St. Francis Xavier University.

Of course, the Xavarians will be heavy favorites to beat the locals in this one. The X-Men always come up with a formidable squad and the 1962-63 edition will hardly be any exception. HOWEVER, the Kamenen aren't facing this contest with any pessimistic attitude. They have the greatest respect for the talents of the Antiochianish but they will do their darndest to throw at least a big scare into these Nova Scotians.

Remember 1947

We were remember one St. Dunstan's hockey team that was not rated a chance against St. P.X., yet they managed to trounce these favorites 8-6 and top the Maritime intercollegiate champion. That was back in March, 1947 and that was one of St. Dunstan's greatest athletic achievements. Some of the names we recall on that great St. Dunstan's squad were Brighton MacDonnell, Bill Letwell, Red Rogers, Frank 'Shorty' Mac'Kinnon, Elmer Blomberg, Joe Mahar, Carl MacDonnell and Bert Methot. The team and a man playing a most important role in the conditioning of the squad was Frank Maclearty.

Including on the St. P.X. team were Big Dunc Maclearty, Elmer Maclearty (now P.A.B. or MacGillivray) and Charlie Campbell of Sydney. The X-Men were considered a shoo-in for that sudden death game of the final game but the Saints were not to be denied that night. If memory serves us right, Joe Mahar scored four goals and Red Rogers got the eighth just when it looked like the Xavarians would tie it up.

Those playing for Saints today don't remember a thing about that game but the story surely has been told to them on several occasions. And even today they come up with a formidable squad in intercollegiate hockey today. Jack Kane will keep pounding into his players the fact that they haven't yet beaten St. Dunstan's in the 1962-63 season. So, congratulations to coach Kane and his boys on a great start. Keep up their kind of work.

Eagles Come Close

RCAP Eagles came mighty close to upsetting Sandy's Royals Saturday afternoon at the airport rink.

They managed to hold the Royals on even terms until Stu McLure snuck the goal with 48 seconds remaining that gave the Fitzsimmons a 2-2 nod.

Local fans will see the Eagles here at The Sports Arena Thursday night when they are guests of 'Backo' Traylor's Penguins.

USEFUL HOBBY CALGARY (CP) — A group of local policemen who consider fishing as a hobby are providing their department with a useful new device. They go into action whenever there is a drowning or police want to scrutinize a river bed. Their dives have produced useful pieces of evidence.

Yankees Trade Skowron Saints, Pirates To L.A. For Stan Williams

ROCHESTER, N.Y. (AP) — New York Yankees Monday traded veteran first baseman Bill Skowron to Los Angeles Dodgers in exchange for right-handed pitcher Stan Williams.

The deal, the first by the Yankees in the inter-league baseball trading session, brought to New York a pitcher who is expected to become the fourth regular starter manager Ralph Houk needed so desperately in the drive to the American League pennant and the World Series victory over San Francisco.

Williams, 26, had a 14-12 record with Los Angeles last season. His fifth with the Dodgers, Skowron, called the "Moose" by the Yankee teammates, has been a Yankee regular for eight years, playing on seven championship teams. He had a .270 batting average with 23 home runs last season.

FITS INTO PLANS "I would say Williams fits into our starting pitcher plans," Houk said after the trade was announced by Yankees general manager Roy Hamey.

"He gives us three starting pitchers without any cost," Hamey said. "The others are Ralph Terry and Bill Stafford. The fourth is lefty Wiley Ford, 33."

The deal was announced after the Yankees had traded pitcher Moose to the Dodgers. The Yankees had a 2-2 record in their first place finish in their first season.

SUMMERSIDE — Here is the minor league schedule for Summerside today (Tuesday): Bantam Division: 7:30 - 4:30 - Montreal and High School; 5:30 - 6:30 - Chicago and Thunderbirds; 6:30 - 7:30 - Larvik and Stars.

Midget Division: 7:30 - 8:30 - Bombers and Blades; 9:30 - 10:30 - Barons and Indians. Juvenile Division: 9:30 - 11:00 - Juvenile practice.

The Prince County Combines are at the Sports Arena tonight for an inter-league minor league game with the Old Spahn Penguins.

The Combines have been victorious in two of their three started games. They edged Penguins 4-2 in Summerside and halloped RCAP Eagles 10-3 last Friday night at T & Stadium. Their only loss was a 5-3 decision to Royals last Tuesday at The Sports Arena.

Penguins have yet to grab a decision. They gained one point when they routed Eagles to a tie and were dropped 6-4 by Royals and 4-2 by the Combines.

The Combines have been victorious in all games the Bobby Birds showed leads of promise and their backers are predicting they'll upset the Combines tonight.

The Prince County boys want this as the representative of the club can creep closer to Sandy's Royals who own a handsome 4-0 record. If the Combines can conquer this evening, they'll trail the league leaders by a mere two points. On the other hand an Old Spahn triumph would move 'Backo' Traylor's crew 1-1 within one point of the Romie MacArthur coached outfit.

minor league players. In all, the majors drafted a record 36 players from their rivals farm clubs for \$695,000, making heavy raids on the ranks of Boston Red Sox at bargain prices.

Everybody except Boston Red Sox got into the act with New York Mets and Washington Senators each taking six players. Most of the names meant little to the average fan for the 56 were fuzzy-checked kids in their first full year of pro baseball.

The talent - rich New York Yankees, who normally pass up the draft pick, dipped into the pool for the first time since they picked Gene Mauch, now manager of the Phillies, in 1951. General manager Roy Hamey selected Bill Kunkel, a 26-year-old right handed pitcher who was a relief man with Kansas City in 1961 and 1962 but finished the season at Toronto.

George Weiss, former head man of the Yankees and now president of the walk New York Mets, had first pick by virtue of the Mets' sorry last place finish in their first season.
