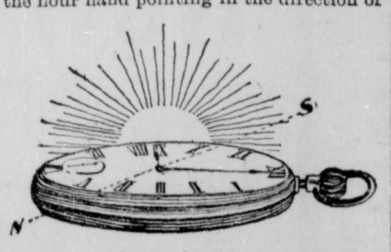
Your Watch a Compass.

It is not generally known that every watch is a reliable compass on a sunny day. All you have to do is to lay your watch flat in the palm of your hand, with the hour hand pointing in the direction of



the sun, as shown by the accompanying sketch. The point exactly midway between the hour hand and the figure XII will be due south.

"Some years ago," says one who has tried this many times, "while taking a walk just outside of London, I was accosted by a stranger, who asked to be directed to a certain locality. I told him I was not acquainted with the names of the streets, but that if he would walk one block east he would reach the desired place. I took out my watch and figured out the proper direction, at which he expressed great surprise.

How to Make a Dog Happy.

If you want to make friends with a dog, you will find that there is nothing that this animal likes better than to have some one rub his ears. If you will take a dog's ears and curl them up in your hands and squeeze them gently, you will make a canine friend very soon. If the dog wears a collar, you can add greatly to his comfort by scratching that part of his neck where the collar rests.

CHARLOTTETOWN Business College

—AND—

Writing Academy

Will re-open for the Fall and Winter Term

ON AUGUST 29th.

("Let the Searchlight of Practice illuminate the dark places of Theory")

A THOROUGHLY Progressive, Practical institution, in which young men and women are not only taught Bookkeeping (in all its applications to Commerce) both by single and double entry, but are trained how to do business by actual business transactions. The students act as buyers, sellers, traders, bankers, book-keepers and accountants in actual business operations, and the currency issued by the College Bank, and the mdse. issued from the Emporium are used in bona-fide business transactions, just the same as in mercantile and banking houses. Book-keeping in itself may be learned at home, but a knowledge of how to transact business cannot be thus acquired. That our course and system of training is eminently practical write for testimonials from business men and from students who are now holding lucrative and responsible positions.

SUBJECTS:

Book-keeping by single and double entry (theoretical and practical) Actual Business Practice, Business Penmanship, Business Correspondence Commercial Arithmetic, Commercial Law, Railroading, Steamboating, Banking (actual practice in the College Bank), Typewriting, Shorthand, and Navigation.

FACULTY:

L. B. Miller, Principal, Teacher of Book-keeping, Arithmetic, Business Practice, Business Correspondence, Typewriting and Navigation.

A. C. McMillan, Vice Principal, Teacher of Railroading, Steamboating, Banking, Accounting and Actual Business Practice.

J. Harry Williams, teacher of Business Penmanship.

Wm. Moran [licensed] Teacher of Shorthand.

George S. Enman, Esq., [Law Firm McDonald & Inman] Lecturer on Commercial Law.

For circulars or full information write or apply to

L. B. MILLER,

All interested are cordinally invited to call the College and inspect our system of training and work in general.

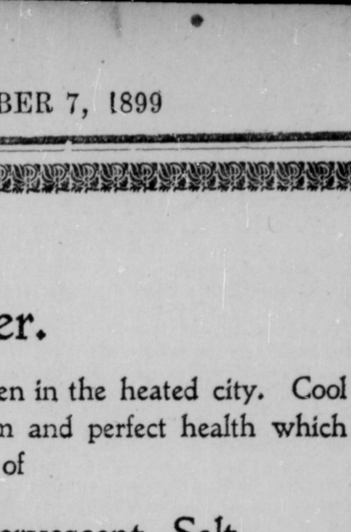
Enjoying Warm Weather.

It can be enjoyed even in the heated city. Cool blood, an energetic system and perfect health which come with the daily use of

Abbey's Effervescent Salt

make life enjoyable even on the hottest days. The constant user of Abbey's Effervescent Salt escapes the oppressive muggyness of the warm weather, and enjoys its pleasantness.

Abbey's Effervescent Salt may be taken at any time. It makes a refreshing drink, and invigorating, health-giving tonic.



I have duly analyzed and tested several samples of "Abbey's Effervescent Salt."

I find it to be of very uniform character and composition, and sold in packages well adapted to the preservation of the Salt. This compound contains saline bases which form "Fruit Salts" when water is added—and is then a very delightful aperient beverage, highly palatable and effective.

Abbey's Effervescent Salt contains no ingredient of an injurious or unwholesome character, and may be taken freely as a beverage.
