

**Man. Boudreau
Names Pitchers**

WEST PALM BEACH, Fla. (AP)—Manager Lou Boudreau of the Kansas City Athletics named the six starting pitchers he expects to start with this season — three of them trade goods.

Named were Tom Morgan and Rip Coleman, obtained in the winter mass player deal with the New York Yankees Ned Garver, a former Detroit veteran swapped to Kansas City last fall; Alex Kellner, Tom Gorman and Wally Burnette, all members of last year's A's.

Kellner, veteran southpaw, and Burnette, a young right hander, were starters last year, although Burnette was only with the Athletics part of the time, being obtained from Denver.

Only surprise in Boudreau's choices was Ned Garver, who had arm trouble last year and saw little action. The others have all been standouts in exhibition games.

**Hartack Has 9
Wins In 25 Days**

MIAMI, Fla. (AP)—Jockey Willie Hartack, the nation's leading rider last year, has been riding only on Wednesdays and Saturdays during the current Gulfstream Park meeting but had nine wins in the first 25 days.

His biggest include both the Gulfstream Park Handicap and Florida Derby, which he won with Calumet's Bardstown and Gen. Duke, respectively.

His nine victories meant \$187,000 to winning owners. Jockeys generally get one-tenth of the purse.

**Al Rosen Rejects
Latest Offer**

CLEVELAND (AP)—Al Rosen telephoned Tucson, Ariz., late Monday and told manager Kerby Farrell of Cleveland Indians he won't come out of retirement to play third base for the Tribe.

This latest rejection by Rosen of an overture from Indians appears to end speculation on whether Rosen really means the retirement he announced Jan. 30.

Rosen said he can't jeopardize his future security. He is working for a Cleveland brokerage firm.

**Famous Golf
Caddy Fired**

AUGUSTA, Ga. (AP)—The world's most famous golf caddy—Willie (Cemetery) Perieet—was the saddest man in Augusta Monday. He's been fired as Ike's caddy.

"I don't know what I done wrong," the frail, 51-year-old Negro said. "I guess Mr. Dudley thought I was just too slow."

Ed Dudley, professional of the Augusta National Golf Club and President Eisenhower's golfing partner, said Cemetery had to be replaced because he was "getting a little to decrepit."

"The president plays like a whirlwind," Dudley said. "It takes a young man to keep up with him. So I had to make a change."

The president's new caddy at Augusta is slim Jenkins, a slender, veteran in his mid-30s.

Cemetery, whose name was given him by the president, has been Ike's favorite caddy since he began playing golf at Augusta. "He get the red neck sometimes and gets his dander up when he miss a shot, but I shore love to caddy for that man," Cemetery said.

**Famous Horse
Breeder Dies**

PARIS, Ky. — Arthur B. Hancock Sr., for years one of the nation's best known horse breeders, died Monday after a long illness.

Hancock, who would have been 82 on June 26, was the owner of Claiborne Stud near Paris. It produced some of the winners of nearly every famous race in the United States.

Hancock in 1944 was selected the outstanding "horseman of the year" by the Thoroughbred Club of America.

**Israel Accepts
Cup Invitation**

MONTREAL (CP)—Israel has accepted an invitation to play its Davis Cup match against either Canada or Brazil in Montreal this July, Henry Marpole, CLTA president, said Monday.

The CLTA recently invited both Israel and Brazil to Canada this summer to play their Davis Cup matches at the Mount Royal Tennis Club. Brazil has not yet replied to the invitation. If it accepts, the Canada-Brazil match would be played July 18-21, with Israel scheduled to play the following weekend.
