STIPENDIARY MAGISTRATE'S COURT.—Five Scott Act cases on the docket to-morrow.

MORTALITY.—There were thirty-six deaths in St. John last month. Consumption heads the list with seven victims.

EXHIBITION.—St. John is discussing the question of holding a great industrial and agricultural exhibition in 1889.

POLICEMAN WANTED.—The Journal says that a railway policeman is needed to preserve order and decorum at the Summerside station.

EVIDENTLY POPULAR.—The books of the New Brunswick registrar show forty marriages during May, as against fifty-four for the four months ending April 30. May is evidently popular with brides.

KERMES.—The ladies of St. Peter's Church will hold a Kermes on board the steamer Southport on the 14th June next. St. Peter's Boys' Band will be in attendance, and there will be refreshments and other attractions.

TO THE DEAF.—A person cured of deafness and noises in the head of 23 years' standing by a simple remedy will send a description of it FREE to any person who applies to N. CHOLSON, 39 St. John Street, Montreal. 4m—m14

A PURCHASE.—Mr. Joseph Warren, Montague Bridge, sold a handsome Arabian mare to Mr. Andrew Murphy, of this city, yesterday. The price paid was \$200. The mare is now in the hands of Mr. R. J. Steele, for training.

IRISH COMEDY.—Dan. Sully's Comedy Co., in the great scenic production "Daddy Nolan," are now playing in St. John, and, we understand, will shortly appear in Charlottetown. The play has met with great success everywhere.

A GOOD GROWTH.—Mr. E. R. Brown, of this City, placed on our table to-day a bunch of winter rye twenty-one inches in height—the growth of the present season—which was pulled this morning from a field of three acres on his farm at East Royalty.

WIZARD OIL CO.—Only three more concerts to-night, and every other night this week the Comedy "Busy Day" will be produced, in addition to the concert. Prizes to-night: Silver Watch, Cake Basket and Pickle Castor. Come early or you will not find a seat left.

TRIBUTE TO ARCHBISHOP LYNCH.—The well-written tribute to the memory of Archbishop Lynch, by a Catholic Priest of this Province, contains references to several incidents interesting to Island readers. It is clipped from the Catholic Review, of Toronto.

HIGH LINE.—The Port Hawkesbury correspondent of the Halifax Herald says: The American schooner Grace L. Fears is high line of the halibut fleet, having stocked \$9,000 since January 1st, last. Her captain, Campbell, belongs to Prince Edward Island.

AN INJUNCTION.—It is rumored that an injunction has been issued at the instance of Thomas Smith, restraining the Water Commissioners from entering on his land in the Royalty until they have paid the land damages. We understand that several important questions regarding the authority of the Commissioners will likely arise in the suit.

TWO HEADED CALF.—The unusual spectacle of a two-headed calf will be seen on Market Square to-morrow. With four eyes, four ears and two tails, all perfectly formed, it has, like the ordinary calf, but four legs. The back bone is in the form of a Y the junction being over the region of the kidneys. Altogether it presents a very curious freak of nature—well worth seeing.

SUCCESSFUL.—We see by the Canada Gazette that Mr. Arthur Mellish, of the Charlottetown Engineers, who attended the Royal Military College, Kingston, during the winter has been awarded a First Class Certificate, and stands the highest on the list—having obtained 85 per cent. of the marks in Engineering and an average of 82 per cent. in Engine ering and Infantry.

FATAL ACCIDENT.—On Thursday afternoon last, while Captain A. J. Foster, of Alma, Albert, Co. N. B., was putting in a new mast in his schooner Jessie, the fall which was being used fell, and the running rope caught the captain around the foot, throwing him heavily down and breaking the smaller bones in his ankle. He was also hurt internally, and died on Saturday.

MILITIA NEWS.—The Canada Gazette, to hand this morning, contains the following, which will be of interest to our local militiamen: "82nd Queen's County Battalion of Infantry, No. 3 company, Charlottetown, to be 2nd Lieutenant provisionally, Sergeant Isaac Carter, vice Arthur Edmund Crosby, whose resignation is hereby accepted. Confirmation of rank, Captain George Alexander, R. S. L., No. 6 Company, 82nd Battalion, from 31st March, 1888; 2nd Lieutenant, John R. Allan, R. S. This first-class house is conveniently situated on Stanley River, commanding a fine view of New London Bay, harbor and Gulf of St. Lawrence. Splendid trout fishing at the bridge. As a watering place and health giving resort this locality is unsurpassed in P. E. Island. It is accessible by rail via Bradalbane Station, there connecting with the daily mail stage coach, driven by the proprietor, Mr. George Washington Bell, who has first-class teams and a splendid outfit, and will spare no pains to forward and accommodate all passengers requiring his attention. We bespeak for Mr. Garrett a share of the patronage of the traveling public, and strangers coming to our shores would do well to visit Mr. Garrett's hotel and judge for themselves. Terms are reasonable, and special rates made for families.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April 1 '88]

Rhubarb, 4 cents per pound, bananas, 30 cents per dozen; \$7.50 soda water fount for half price at R. K. Brace's. June 5

TERRIFIC STORM

Ottawa and Montreal Suffer.

BUILDINGS BLOWN DOWN.

Two Persons Killed.

Other Damage Done.

OTTAWA, May 6.

A terrific storm of thunder, lightning, wind and rain passed over this city to-day, doing great damage. The Protestant Hospital for the County of Carleton—a large four storey brick building near Rideau River—was set on fire by lightning and completely gutted through. Fortunately all the inmates escaped. In the country to the west of the city to-night the destruction was very great, the storm proving a veritable cyclone. Barns, fences and trees were levelled to the ground. A number of buildings on J. R. Booth's farm were blown down and a laborer named Mulligan, employed at the Experimental Farm, was killed by the falling building. In the city telegraph poles were struck by lightning and awnings burned off buildings. A new Catholic Church in course of erection, two miles from Ottawa, was blown down while some children were playing in it. One child was killed.

MONTREAL, June 6.

A most violent storm of wind and rain broke over the city this afternoon. Rain poured down in sheets, and lightning flashed continuously. Signs and branches of trees were strewn around, and windows and fences gave way. The storm completely demolished a plumbing and cabinet store on Dorchester Street. Two of the glass dials of the City Hall clock were blown in and smashed to pieces by the force of the wind. Telegraph and telephone wires were generally demolished and several accidents were caused by falling brick, etc. Passengers by trains report great damage through the country districts.

THE DEMOCRATIC CONVENTION

Nominates Cleveland for President.

The Nomination Unanimous.

Thurman for Vice-President.

ST. LOUIS, June 6.

The Democratic National Convention was called to order at 10 o'clock this morning. Shawaty, of Missouri, presented a long resolution on the tariff, demanding that the war taxes all cease, and denouncing the present tariff. It was greeted with applause. The Secretary read a communication from the Washington Women's Convention, asking that a representative be allowed to address the Convention in ten minutes. On motion of Mr. O'Donohue, of New York, the request was granted. Mrs. F. A. Merriweather, of St. Louis, then appeared and made a speech. She was greeted with applause. On motion of Mr. Boyle, of Pennsylvania, all platform resolutions were ordered to be referred without reading. Hon. Timothy J. Campbell, of New York, presented resolutions of regret on the serious illness of Gen. Sheridan—received with applause and adopted.

June 6—11.50 p. m.

The roll call for nomination has begun. There was continued cheering and waving of hats as Daniel Doherty, of New York, the silver-tongued orator, took the platform. Doherty began, "I greet you, my countrymen, with fraternal regard." (Applause.) Doherty said, "I rise to name the next President of the United States (great excitement and the delegates all standing and cheering.) New York presents him to the convention and pledges her electoral vote." (Applause and cheering.) Doherty says: "We are here to name the man the people have already chosen." The mention of the tariff reform, the vetoes and the delegation of public territory brings loud applause. The allusion to the end of sectional feeling was greeted with continued cheers and hat raising. "I give you a rime entwined with victory. I nominate Grover Cleveland." He continued amid the waving of hats. The excitement extended to the galleries. Cleveland's bust on the platform was crowned with a laurel wreath and cheering continued.

During the roll call of the States, several delegates seconded Cleveland's nomination, and continuous applause. Cleveland was nominated by acclamation. The crowd in the galleries and the members waved their hats and cheered, and the band struck up the "Star Spangled Banner." The cheering continued 25 minutes. Nearly everybody predicts the nomination of Thurman for vice-president on the first ballot, and the Gray men conceded it to him if not on the first, surely on the second ballot. The convention adjourned till 10.30 to-morrow.

An Important Discovery.

THE HULL FIRE.

Loss \$300,000; Insurance \$130,000

OTTAWA, June 6.

The loss by fire in Hull will not be so extensive as at first supposed. One hundred and seventy buildings were burned, besides the church, convent, market hall and out-buildings. One hundred and thirty families are homeless. The total loss will reach \$300,000; insurance about \$130,000.

A New Senator.

OTTAWA, June 6.

News Nuggets.

OTTAWA, June 6.

The newspapers to hand from the territories are almost unanimous in urging the appointment of Mr. Dewdney as Minister of the Interior.

It is reported that western capitalists are forming a syndicate to start a sugar factory in Quebec. Two more geological parties have started for the Maritime Provinces. Professor Bailey will explore northern New Brunswick, and Professor Macoun will make botanical and geological collections on P. E. Island. A gold medal, received from the United States Government, has been forwarded to Capt. Slauenwhite, of the brig W. S. Howe, of Lunenburg, N. S., in recognition of his services in rescuing the crew of the American schooner Sophia Winterton.
