

Foolish Drivers Bane Of City Police Court

Tell your officers to be more on the lookout for some sensible people, chief-remarked Magistrate K. M. Martin. "all we appear to be getting in this court is a bunch of fools bent on going nowhere." These remarks were directed at Chief of Police C. W. MacArthur in reference to the majority of persons who have been paraded in the city police court on speeding charges. A young man from Albany pleading guilty to speeding, travelling east on Longworth Avenue at between 50 and 60 m.p.h. was given a fine of \$50 and costs or 20 days in Queens County Jail. A fine of \$40 and costs or 20 days was imposed upon a second young man who was convicted of speeding at between 35 and 40 mph north on Spring Park Road. Arraigned for the second occasion within a year on the charge of drunken driving, Leo M. O'Holloran of Greenfield entered a plea of guilty and was given the minimum sentence of one month in Queens County Jail. A fine of \$20 and costs or 10 days in jail was meted out to a Southport resident convicted of failing to stop for a red traffic light. Adjudged until Tuesday was the case of a Charlottetown resident who was charged with failing to stop for a "Stop" sign. Information revealed that the accused had been involved in a collision at the intersection of Kent and Rochford streets. Convicted of being drunk and disorderly, a resident of Charlottetown was fined \$20 and costs or 10 days. Of three persons charged with being drunk and incapable, from the city, one was given a 20 days suspended sentence, another was fined \$20 and costs or 10 days and the third was given a fine of \$5 and costs or two days.

Decision Upheld By Appeal Court

The appeal of Hugh Campbell, Tracadie, was dismissed by the full bench of the Appeal Court, sitting in Charlottetown Friday. The judgment the appellant had received in the lower court was confirmed. Campbell had originally been convicted by Magistrate Gilbert Gaudet, on the charge of unlawful possession of a quantity of white suitable for manufacture of spirits, for which he had been given six months in Queens County Jail and a fine of \$500. In default of payment of the fine an additional six months was imposed. The convicted man had then appealed the conviction and at a hearing before Mr. Justice George J. Tweedy the appeal was dismissed and the conviction upheld. A second appeal was then lodged, through his counsel Allison Gillis, and this was heard by the full bench. In the summations delivered by each of the justices, Chief Justice Thane A. Campbell and Mr. Justice Tweedy upheld the previous ruling of Mr. Justice Tweedy. Mr. Justice Mark R. McQuigan dissented and held that the judgment was wrong and that the appeal should be allowed.

Bond Issue Is Outlined To PC Women

Hon. Melvin J. McQuaid, provincial treasurer outlined the financial position of the Province to the members of the Progressive Conservative Women's Association last week. Mr. McQuaid declared that the women of the province should be interested in finance as he described the various aspects of the bond deal completed by the government in the past few weeks. Mr. McQuaid was introduced by the provincial president of the association, Mrs. R. E. Sutherland of Charlottetown. Vice-president, Mrs. Charles R. McQuaid, presided prior to the arrival of Mrs. Sutherland. A considerable amount of routine business was transacted during this meeting which was well attended despite the bad weather prevailing.

'Grammy Awards' To Be Presented

By BOB THOMAS HOLLYWOOD (AP) — The infant recording academy takes a step into the big time tonight with an awards telecast featuring the best of the disc industry can offer. This is Grammy, newly-born first cousin to Oscar and Emmy. Although the recording industry outdates movies and television, its members never got around to rewarding its best achievements until the spring of this year. Somewhat belatedly, the Academy of Recording Arts and Sciences gave out its 1958 Grammys (named for gramophone) at a private affair. Now the 1959 awards are due and will get an NBC network spread in the Sunday at 8 spot. There's not as much hush-hush about the Grammys as there is for the two elder award affairs. The reason is that the winners will be on hand to sing and play the numbers that got them the big prize. Among them: Van Cliburn, Kingston Trio, Bobby Darin, Shelley Berman, Duke Ellington, Mormon Tabernacle Choir, Ella Fitzgerald, Jonah Jones quartet, Jimmy Driftwood, Nat King Cole. Tying all this talent together will be emcee Meredith Willson, who is not sure why he was chosen. "I think they wanted someone who wouldn't be funny, so they chose me," he suggested. The choice of Willson is an apt one. He received the first Grammy ever presented, for the original cast album of The Music Man. He said that most of the winners will be on hand in Hollywood.

'Bumper Harvest' To Be Presented

PEKING (Reuters) — Peasants in central China's Honan province reaped a bumper harvest this year after a three-month battle against one of the worst droughts on record, the Communist party newspaper Peking People's Daily said Saturday. NEWSPAPER MAN DIES PORT COLBORNE (CP) — Harry J. Shore, 70, past president of the Ontario provincial dailies and a former director of Thomson newspapers, died Friday. He was manager of The Evening Tribune from 1929 until ill health forced his retirement in 1954.

NEW ROMAN CATHOLIC CHURCH AT IONA

Rev. Leonard McKenna stands just inside the communion rail of the recently completed Roman Catholic church at Iona. Hillsboro Bridge Repairs Said 50 Per Cent Complete

Re-decking of the 2,500-foot Hillsboro Bridge across the Charlottetown Harbor was slightly more than half completed when work ceased Saturday evening, County Construction engineer Norman Stewart said last night. Mr. Stewart said that the new deck was about four inches lower than the old deck due to the fact that the department of highways had decided not to replace a double set of stringers on which the original deck rested. These timbers which ran on each side from end to end did not add to the strength or durability of the structure but merely served to raise the deck to the level of the railroad rails which were removed some time ago, Mr. Stewart said. Their elimination therefore saved needless expense. He added that with favorable weather today one crew would commence replacing the 18-foot timbers in the swing span and the other would concentrate on the south end. This was necessary due to a shortage of the shorter 15-foot lengths, he said. In a signed statement Saturday, Hon. Philip Matheson, minister of highways, said "Weakened members have been discovered during the current repair program, and it will therefore be necessary to restrict traffic until this work has been completed." Work Advances On Bridge Piers

Foundation Company workmen were making excellent progress in drilling the necessary grouting passages in the partially-completed south pier of the new Hillsboro Bridge it was learned reliably Saturday. It is hoped that by passing cement through tubes inserted in the drilled passages defective areas in the structure can be filled satisfactorily. Meanwhile, company divers were working under difficulties in an attempt to clear away the

Truck Upsets, None Injured

The combined efforts of two tow trucks were required to right a big Max semi-trailer truck that overturned on the highway at Johnston's River between 8.30 and 9.00 p.m. Saturday evening. Frank Murphy of Murphy Bros., Charlottetown, whose towing machines completed their task around noon yesterday said he believed that a locked steering mechanism had been the cause of the spill. Owner-driver Norris Kitson and one other passenger riding in the turnip-laden vehicle were uninjured in the spectacular mishap.

LOCAL BRIEFS

SMALL DOCKET Only three cases were disposed of in Queen's County magistrate's court Friday evening. A resident of Emerald was fined \$10 and costs or five days for speeding, while two other accused, one from French River and one from Brookvale were each fined five dollars and costs or five days after pleading guilty to driving motor vehicles with defective equipment. MAKING RECOVERY David Cudmore, three-year old son of Dr. Paul Cudmore and Mrs. Cudmore, Charlottetown is making a satisfactory recovery following surgery which was performed last Friday in the Hospital for Sick Children in Toronto. Dr. Cudmore, who was with his son in Toronto, returns to Charlottetown tonight. WATTS FUNERAL — The funeral for Mrs. Elizabeth Rebecca Watts, wife of the late Huestis Watts was held Friday, from Zion Presbyterian Church, Charlottetown. Services were conducted by Rev. Donald Campbell. Hymns sung during the service were, "Rock of Ages," and "Abide with Me." Pallbearers were George Carson, Walter Glover, Stuart MacKinnon, Gordon MacKinnon, William MacKinnon. Interment was in Highfield Cemetery.

(Continued from Page 1) on private enterprise to develop a sound organization of the economy. A planned economy was needed to establish priorities for goods and services. "The challenge we have to meet is not from the Tories—deprecise them. They are neither intelligent nor moral. Why on earth we should have an inferiority complex about them I don't know." Because there are no resolutions and no vote at the end of the conference, it is difficult to assess the effect the post mortem will have on Labor's future.

GAITSKELL, BEVAN STRONG Gaitskell's prestige probably was enhanced. With the notable exception of the powerful Transport Workers Union headed by left-winger Frank Cousins, most trade union leaders backed him in brief speeches. At the same time it appears that Bevan's masterful oratorical performance, while maintaining party unity, also strengthened his position.

Nikita Attends Hungary Parley

By ANTHONY PEARCE BUDAPEST (AP)—Soviet Premier Khrushchev arrived Sunday to attend the first full-scale congress of the Hungarian Communist party since the 1956 anti-Soviet uprising. The congress opening today is scheduled to discuss the uprising, crushed by Soviet tanks. Khrushchev is expected to make an important speech some time before the sessions end Thursday. As Khrushchev, accompanied by his wife, Nina, appeared in the doorway of the TU-104 jet airliner, a crowd of about 500 broke into enthusiastic applause. Khrushchev doffed his hat and waved it. Janos Kadar, Communist party leader, stepped forward to greet Khrushchev. The Soviet leader embraced him and planted kisses on both cheeks. There was no band and no guard of honor. But little Hungarian girls, dressed in the uniform of youth pioneers, presented Khrushchev and his wife with bouquets of red roses. The Khrushchevs, then walked alongside the crowd, followed by clapping and cheering.

FULLBACK CHARLIE SHEPARD IS OUTSTANDING PLAYER

TORONTO (CP) — Fullback Charlie Shepard of Winnipeg Blue Bombers, a 210-pound, six-foot-two-inch Texan, was voted the outstanding player in Saturday's Grey Cup game. He came up with one of the greatest kicking performances in the history of the east-west football final. The 26-year-old import from North Texas State College and Pittsburgh Steelers scored 10 points. He crashed over for the winning touchdown from three yards out and kicked four singles in the fourth quarter in Bombers' 21-7 victory over Hamilton Tiger-Cats. He did a tremendous punting job, with four quick-kicks particularly rocking the Ticats back on their heels. His booming spirals in all but the third quarter kept driving the eastern champions back into their own end of the field and his quick-kicks each time caught them by surprise. These sent Hamilton men racing back in desperation to try to retrieve the bouncing ball. Shepard, key man in the Bombers' block-busting backfield, also was the leading Winnipeg ground-gainer, barrelling for 54 yards on 16 carries to round out a brilliant individual effort. He was chosen top player by sports writers and broadcasters and beat out Winnipeg quarter-back Kenny Ploen and veteran middle guard Vince Scott of the Tiger-Cats for the award on the 3-2-1 point voting basis. The Winnipeg backfielder will be presented with a sports car by a British automobile company here today. Shepard, in his third year in Canadian football, kicked 17 times for an average of 44 yards, four more than Cam Fraser's average for Hamilton on 16 punts. The Winnipeg punter got off some short kicks when he was rushed, had bad snaps to contend with or punted against the wind.

Canuck Soldier Is Killed In Gaza

OTTAWA (CP) — A Canadian soldier was killed Saturday when he was ambushed on the United Nations patrol in Gaza strip between the hostile countries of Israel and the United Arab Republic. Army headquarters here identified the soldier as Tpr. Ronald Hawthorne Allan of Halifax, a member of the Royal Canadian Dragons Reconnaissance Squadron serving with the United Nations Emergency Force. Full details of the encounter which led to his death were not available either in Ottawa or at UN headquarters in New York City. Latest reports said Tpr. Allan suffered wounds early Saturday while on patrol and died en route to a UNEF hospital. He was buried Sunday in the Gaza War Cemetery after a funeral service at the Protestant chapel at Rafah in the Gaza strip. Tpr. Allan's wife, Mrs. Gail Margaret Allan, resides at 19 Yale Street, Halifax.

Lower Trend Is Reported

By THE CANADIAN PRESS The increasing toll of highway traffic deaths contrasts with a lower trend of deaths per 100,000 motor vehicles. It is shown in statistics presented by the Canadian Highway Safety Conference in connection with the 1959 "Safe-Driving Week" Dec. 1 to 7. In 1956, the 1,316-traffic deaths were 106.1 per 100,000 vehicles. The death total reached 2,066 in 1958, which was 109.8 per 100,000 vehicles. The peak traffic death total of 3,693 in 1957 was 83.8 per 100,000 vehicles. On the same basis, the rate was down to 75 in 1958.
