Ball Game This Evening

There will be a City Softball League game between the B.I. S. Shamrocks and Junior B.Y.C. This will be home game for the Youth Club. Umpire for this encounter will be Lennie Arsenault and base judge, Frank Bell.

A softball game between Barry's Lions and Rollaway Aces, scheduled for tonight, will be played Thursday evening.

Frank Lary whipped New York Yankees Tuesday for the fifth time this season, 12-5, as Detroit continued its mastery over the American League leaders.

MANTLE HOMERS
Until the Yanks broke through with two runs in the seventh, the

27-year-old righthander had shut them out for 27 consecutive innings. He finally gave way to Hank Aguirre in the sweating afternoon heat, a f t e r Mickey Mantle hit his 24th homer and New York got under way.

The Tigers now own a 9-4 edge over the Yanks in the season series although they trail by 12½ games in the league standings.

Detroit jumped on rookie Zack Monroe, the loser, for six runs in the first two innings, picked up three more off Virgil Trucks and added a final three off Johnny Kucks in the ninth.

Gail Harris drove in four runs with two triples and a single and Al Kaline and Charley Maxwell each knocked in three. Kaline returned to duty after suffering a wrist injury Sunday.

Elston Howard was the Big Yankee with a triple, double and two singles. Marv Throneberry hit his third homer of the year, leading off the ninth.

It was the only day game in the major leagues.

WASHINGTON (AP)—A seventh-inning leadoff home run by Roy Sievers, his 21st of the season, gave Washington Senators a 5-4 victory over Cleveland Indians Tuesday night.

Reliever Truman A. Clevenger pitched one-hit ball for the last 6 1-3 innings to gain credit for the win.

Loser in a brilliant duel of relief pitchers was rookie Gary Bell who took over in the second inning from Herb Score, who was making his first start on the mound since April 30.

Bell gave up only three hits in 6 2-3 innings and fanned six. Sievers' loft was the only run he allowed.

ST. LOUIS (AP)—Power hitting by Hank Aaron and four-hit pitching by rookie Joey Jay gave the league-leading Milwaukee Braves a 4-1 victory over St. Louis Cardinals. Aaron drove in three of the

fifth loss in eight decisions. He was followed on the mound by Bud Daley and Dick Tomaneck.

BALTIMORE (AP)—Gus Triandos singled home the winning run in the 12th inning Tuesday night to preserve a well-earned pitching victory for Arnold Portocarrero as Baltimore Orioles defeated Chicago White Sox 4-3.

The Oriole catcher drove in his team's first run with his 17th homer in the second inning.

His clutch single that won the game was a bases-loaded blow with two out.

Portocarrero gave up only seven hits while registering his eighth victory against five defeats.

Defending Champ Increases Lead In Ladies' Tourney

KENTVILLE, N.S. (CP)— Defending champion Rita Lohnes of Lunenburg N.S. shot into a 14 stroke lead here Tuesday in the second day of the Nova Scotia Ladies open golf tournament.

Combined with her 34 Monday, the 18-year-old Miss Lohnes' performance gave her a two-day total score of 162. Her closest rival was Mrs. G. Spencer of Halifax Ashburn who edded two steady rounds of 42 for a 36-hole total of 176.

It was two strokes better than third place, Mrs. H.P. Connor, also of Halifax Ashburn.

Mary Ellen Driscoll of Saint John's Westfield, who was seriously injured in a highway accident a few months ago, got into trouble in both rounds Tuesday to end up with a 98. It gave her a two-day total of 186, good only for a sixth place tie with Mrs. Rex Hebb of Bridgewater, N.S. Miss Driscoll was tied for second place Monday.

In between were Marjorie Patterson of Dartmouth, N.S., 179, and Mary Boyd Antigonish, 185. Mrs. N. Crowe of Truro ended up with a 209 total.

The tournament continues today (Wednesday).

Dodgers, Braves Are Winners

Yesterday in Little League baseball the Dodgers defeated the Tigers 9-7. Huggin of the Dodgers threw a strong game for his teammates, striking out 14 batters. Gerry Kane of the Dodgers drove in 3 runs in the first inning with his home run to inspire his team to victory.

Jimmy Duffy was top player for the losers by virtue of his scoring of runs and making a nice catch in the 4th inning.

In the second game the Braves defeated the Yankees 14-0. The pitching of Ian Purvis was too much for the Yankees. Purvis allowed only 4 hits in the six innings distance and also helped his team to victory by scoring 3 runs.

Schlyer started for the losers but he was relieved in the second inning by George Frizzell. Frizzell hurled for the remainder of the encounter.

Following are the league standings:

	P	W	L	Pts.
Braves	3	3	0	6
Yanks	3	2	1	4

Halifax Lawyer Is Appointed

OTTAWA (CP)—Robert J. Batt, 44-year-old lawyer from Halifax, has been appointed assistant law clerk of the Commons.

The native of Halifax and former reporter on the Halifax Herald, who will be assistant to Dr. Maurice Ollivier, law clerk and parliamentary counsel, fills a post vacant for two years.

After service in the Second World War, Mr. Batt joined the fisheries department here as a member of its legal staff. For the last five years he has been counsel to the war claims commission here.

Sight Possible Cougar In N. S.

SHELBURNE, N.S. (CP)— Hunters Jack Thorburne and William Peterson said Thursday they sighted what appeared to be a cougar near here.

The hunters said they saw a large, fawn-colored animal with a long curved tail twice this week. They plan to hunt it again for a \$200 reward posted by the weekly Coast Guard here. It will go to the first person capturing a cougar — "dead or alive."

Controversy about the big cat has sprung up in several Nova Scotia areas. Lands and forests officials say cougars are unknown in the province but hunters and motorists keep saying they see them.

Dr. G. W. I. Creighton said several years ago he wouldn't believe cougars exist here "until somebody drags one into my office."

Detroit Tigers, including the American League ball club, Briggs Stadium and its minor league holdings, were sold for \$5,500,000 to a group headed by Michigan broadcasting executives Fred Knorr and John Fetzer two years ago today. BUTTER STOCKS UP
OTTAWA (CP)—Creamery butter stocks at July 15 in nine Canadian cities were 39,415,000 pounds compared to 37,750,000 pounds during the corresponding week last year, the bureau of statistics said Tuesday. Holdings by cities with last year's figures in brackets included: Quebec 5,779,000 pounds (3,808,000); Montreal 19,629,000 (21,226,000); Toronto 1,760,000 (1,617,000).

Convair Captures The Monctonian

MONCTON (CP)—Convair, a six-year-old pacer owned by Harry Hirsch of Sydney, Tuesday night lived up to his favorite role by winning both heats of the Monctonian, the harness racing classic of the Maritimes.

It was Convair's second straight victory in the seventh running of the big event. He beat a seven-horse field in both heats with times of 2:07.45 and 2:07.15. The second heat was a half-length photo finish win

with Majors Kings, owned by Cyril Durlay of Saint John, N.B. Reinsman George Mauger drove the Sydney champion to victory in both heats. Summer-side's Anne's Dream placed second in the first heat, followed by Dave Gratton of Halifax.

Owner Hirsch got 80 per cent of the \$3,000 purse, largest in the Maritimes this season. The purse was \$1,000 larger than last year's. The headline two-dash event was part of a 10-dash card.

Runners Competing In B.E. Games Taper Off Training

By STEWART McLEOD
CARDIFF (CP)—Sprinters and quarter-milers tapered off their training Tuesday but all other Commonwealth competitors were hard at work tuning up for the official opening of the British Empire games Friday.

The 111 sprinters and quarter-milers will beat the official opening gun Thursday with elimination heats in the 100 and 440. They virtually closed out training Tuesday.

The other athletes, will begin easing off within the next day or two.

Meanwhile, all is reported well at the Canadian training camp, where another full day of sunshine aided full-scale workouts. No new injuries were reported.

"The over-all picture is looking very bright," said team general manager Bob Osborne of Vancouver.

The Canadians have so far stayed clear of the minor disputes that usually crop up over athlete selections and schedules before the games. Australia and Ghana have squared off over boxing schedules and England's team selectors are getting a roasting

for their choice of entries in the three miles.

SPEED UP SCHEDULE
The boxing dispute arose when Australia asked that opening bouts be held Friday instead of Monday so that no boxers would have to fight twice the same day.

Coach Jack Roy of Ghana led a fight against the move, saying that training schedules could not be changed at this point. A majority of countries, including Canada, supported Ghana.

Canadian boxing manager Lt. Cmdr. J. E. Mackintosh of Deep Brook, N.S., said he thought Australia's suggestion was a good one but voted against it at the request of his boxers. "The boys want to finish up their training and then they're willing to fight two or three times a day."

The ruckus over England's selections concerns Stan Eldon, Derek Ibbotson and Gordon Pirie. Selectors chose Eldon, a 22-year-old Berkshire policeman, for the six miles while Ibbotson, who holds the unofficial world record for the mile with 3:57.2, and the 27-year-old Pirie were selected for the three miles.

Junior B.Y.C. Stops Shamrocks

Junior Basilica Youth Club last evening dropped the B. I. S. Shamrocks 10-5 in a regular City Softball League game at the Old Diamond.

Mike O'Brien pitched for the Youth Club. He gave up 6 hits and six walks over the seven-inning route. Roy McGonnell was on the mound for B.I.S., being relieved in the sixth by Joe Thistle. McGonnell gave way to 10 hits and three walks.

The longest hit of the game, a four-bagger, was slugged by Dave MacLeod of the Youth Club. Top batter for the losers was Sally Shepherd. He hit 2 for 4.

In the fifth inning Joe Revell was tossed out of the game for throwing his bat. He was replaced at shortstop by Pineau. Umpire for this encounter was Frank Bell and base judge, Len Arsenault.

CHARLOTTETOWN DRIVING PARK

SPORT ECHOES

BY NORMAN MACDONALD

We saw Hal Dietz, Kentville Ace pitcher, pitch a no-hit game Wednesday evening. It was a really exciting game and the Wildcats edged Dartmouth by the score of 1-0. As far as hits against Dietz were concerned, there was only one border-line case, and we felt the scorer scored it right.

Torney of Dartmouth laid a punt down the third base line, and pitcher Dietz went after it. He fumbled it and of course the question was: "Could he have thrown the batter out if he had picked it up clean?" One of the hardest plays to score, and there were a few in the stands who thought it was a hit. It was in the fifth inning and as it happened it was a decision that made everybody happy. Earlier we saw Dartmouth beat Kentville 9-7 and the boys fell over the ball plenty. It could have been two ball clubs playing in Queen Elizabeth Park.

After the no-hit game, we went over to Kentville Rink and caught part of a hockey match, a rather unusual combination of sports for one evening. Once you got in you could easily imagine it was January in July.

"Peg" McNeill, because of his interest in minor hockey, attended the whole hockey program Wednesday night. "Peg" was enthusiastic about the program and would like to see some of the Summerside lads attend next year.

Hank Goldham was one of the teachers. Congratulations to Dick Crozier for two fine pitching chores for the league-leading Summerside Pontiacs since we left the Island. Crozier has a lot of promise as a softball pitcher, and these two victories should give him the necessary confidence.

Russia Follows U.S. Example

LONDON (AP)—Russia will follow the American example of making its athletes win their places on the track and field team which meets the United States in Moscow July 27-28.

Heretofore members of the Soviet national teams have been selected on overall performances and physical condition.

Moscow radio said Tuesday, however, that the team to meet the Americans will be composed of the athletes who produce the best performances at the Soviet national track and field championships at Tallin, Estonia, July 19-21.

The American system of "win your place by competition" has been criticized in the United States and jeered at openly in Europe.

Named To Defend America's Cup

NEW YORK (AP)—Seven former Walker Cup golfers, including Harvie Ward, Tuesday were named to defend the America's Cup against Mexico and Canada at San Francisco Sept. 5-6.

Billy Joe Patton was named team captain. Also selected were Charlie Coe, Hillman Robbins Jr., Mason Rudolph, Dr. Frank Taylor and Rex Baxter.

Races Postponed Because Of Fog

NEWPORT, R.I. (AP)—Tuesday's races in the preliminary tests to determine a U.S. defender in the September America's Cup races were postponed because of fog.

TOO OLD, IS FREED
TORONTO (CP)—A careless driving charge against a 68-year-old St. Catharines woman was dropped here Monday because Magistrate James Butler thought Katherine Unrau was too old to convict. "I don't want to convict you at your age," he said. "We'll call it lack of judgment." She hit a car driven by Wilfred Campbell of Toronto.

The racing program at the Charlottetown track Saturday night was exceptionally good. Willard's Choice, making his first start, owned by Lee Taylor and driven by Walter Kelly, won the first dash of the D Pace in 2:16.25 and looks like he could place in 2:14 or better later on.

In another D Pace Allablaze, owned by R.D. MacFarquhar, Hunter River and driven by Emmett Bernard, won in 2:14.25, which is a record, and in the C

DOWN THE BACK STRETCH

Pace, the third dash of the program, Jolly Bud, owned and driven by H.P. Cadmore, Brackley, won and reduced his mark from 2:15.25 to 2:13.45.

Rannie Macdonald's trotter, All Budlong, equalled his record in the C Trot, the fourth dash, time 2:15, and owner Rannie also won the seventh dash with the same field in 2:16. For the fastest performance of the night credit must be given to Mr. Jolliscot. (Continued on page 9)
