NOTES AND COMMENTS.

—The Mail and Empire remarks that Mr. Hawke, who ran for the Mayorship of Moncton, on the Liberal ticket and was defeated, charges his defeat to the Intercolonial employees, and demands that Mr. Blair clean them out, on the ground that all Government servants must vote for Government candidates. It seems that the new Liberals are least popular where they are best known.

—Enquiries made since the British took possession have revealed the fact that extraordinary expectations were held in Bloemfontein at the beginning of the war. Everybody in the official world was duped by Dr. Leyd's fabrications. A European coalition against Great Britain was courted, and was counted on as certain. President Steyn's words two months before the issuing of the Boer ultimatum were: "We hold England in the hollow of our hand."

MOST REMARKABLE Prepare For Lent

Was the Recovery of this Nova Scotia Youth.

Bright's Disease had Brought him to the Edge of the Grave—Dodd's Kidney Pills Cured Him—All Other Remedies Failed.

LIVERPOOL, N. S., March 30.—Some time ago, there appeared in the leading journal of the Dominion an account of a case of a farmer's son, who lives about ten miles from this city, and who was a severe sufferer from that dread scourge of humanity—Bright's Disease of the Kidney—

The young man's father, unable to bear the sight of his son's sufferings any longer, purchased a box of Dodd's Kidney Pills from Druggist Arthur Hutchins and the sufferer began to use them, for his complaint, following the directions strictly. Long ere the box was empty, a decided change for the better had taken place in the victim's condition, a new hope sprang up in the breasts of the family. The use of the pills was continued, and day by day the young man grew stronger and stronger, till at length he was completely restored to health and strength and vigor.

"No other medicine that we used, and we tried many different kinds, did him the slightest iota of good," said the father to Mr. Hutchins.

"But within a week from the day we commenced to use Dodd's Kidney Pills, could see beneficial results. He became more lively and more cheerful; the extreme pallor of his countenance gave way, and was succeeded by the ruddy flush of health. His nervousness vanished, and the soreness left his bowels, and he gained strength rapidly. I never heard of such a remarkably rapid and complete recovery. Dodd's Kidney Pills are truly a heaven-sent medicine and ought to be in every house."

Dodd's Kidney Pills save every life that is in danger from Kidney Disease, if they are given a chance.

None are saved contrary to God's word.

The sprinkling of railway lines with oil is valuable in that rain does not penetrate the oiled outer crust, and that vegetation along the line of the rails is destroyed.

It is always better to be right than to be inconsistent.

An Interesting Case.

Mr. W. G. Phyll, proprietor Bodega Hotel, 36 Wellington Street East, Toronto, says:—"While living in Chicago I was in a terrible state with itching and bleeding piles. I tried several of the best physicians and was burnt and tortured in various ways by their treatment to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment, I used but one box and have not been troubled with piles in any shape or form since."

It isn't so much what a man has that makes him happy as what he doesn't want.

A CHOSEN FRIEND

Harvard Bronchial Syrup is the chosen friend of our best singers and most noted public speakers. No other cough remedy has such a widespread reputation. It quickly stops the worse cough, banishes hoarseness and clears the throat and bronchial tubes. Druggists and dealers recommend Harvard Bronchial Syrup.

Nothing is so hard but search will find it out.

Don't Tear Down—Build Up.

The old-fashioned theory of tearing down disease was entirely changed by the advent of Dr. A. W. Chase's Nerve Food, which cures by creating new rich blood and nerve tissue. Through the medium of the circulation and the nervous system they strengthen and invigorate every organ in the human body.
