A WELL MAN.

No more Robust Individual to be found in the Village.

RICHMOND, Nov. 36.—Dr. A. G. McCormick, whose letter respecting his cure from Bright's disease by the use of Dodd's Kidney Pills has recently been published, is now attending his patients and is apparently as robust a man as can be found in the village. During the four months that he was confined to the house suffering from the last stages of Bright's disease, his death was several times reported, and no hopes we entertained of his ultimate recovery. His present robust appearance is therefore all the more surprise to his residents. It is a safe prophecy that every sufferer from kidney disease in this section will henceforth try the remedial qualities of Dodd's Kidney Pills.

I am not sure I ever told you what a *safe* and *excellent*, as well as palatable cure for Coughs, Colds, Consumption and all Wasting Diseases is made in Halifax, Nova Scotia. "MAKE HENS LAY."

Such is the caption of an advertisemen that appears not only in the local, but many leading agricultural papers, and which suggests the propriety of a few thoughts upon the subject. It may be laid down as a rule that most people indulge in raising poultry not for the pleasure it gives, but for the profit that is realized from the same, which must come from young chicks or eggs, and since the chicks must come from the eggs, the real profit may be traced to egg production, so the advice given in these words is of vital consequence to the poultry raisers. "The advertisement referred to recommends Sheridan's Condition Powder to make make hens lay, and so do we," says Mr. A. F. Hunter, poultry editor of Farm-Poultry. A hen to lay prolifically must be in perfect health, must be in condition, and here is based the true theory of the value of Sheridan's Condition Powder—it promotes the general good health of the fowl, gently quickening digestion, and stimulating all the various organs of the body as well as the ovaries, to perform their functions." At this season of the year the use of Sheridan's Condition Powder is very valuable for laying hens and young pullets. By its use now they will get to laying earlier when the price for eggs is very high. I. S. Johnson & Co., Boston, Mass., the only makers of Sheridan's Powder, will send for 50 cents two 25 cent packs, five packs for $1.00; or for $1.20 one large two pound can of Powder, postpaid; six cans $5.00, express prepaid. Sample copy of the best poultry magazine free.
