

Hawks Make Comeback To Edge Out Miners 4-3 Saturday Night

MONCTON, N. B., Oct. 21 (CP) — Moncton Hawks ended Glace Bay Miners' three-game winning streak here Saturday night by defeating the Bay team 4-3 in a thrilling last-period comeback.

Hawks took nearly two periods getting organized, then took command of the situation. Miners skated through Hawks for three goals in the first period. Hawks netted their first tally with only one second of play remaining in the second, then added three more in the third.

A penalty to Skippy Frezell helped put Hawks back into the running. Playing coach Johnny Horeck yanked goalie Denis Brodeur for a face-off in the Glace Bay end and Danny Horeck barked in the tying counter-attack during play with Morrie Hamilton and Ronnie Matthews.

Dennis Filion netted the winner with Joe Kilby getting the assist. Only 29 seconds of play remained when Hawks scored the winner.

Frezell opened the scoring at the 11-minute mark of the first period on a passing play with Rohmer. Hub Macey set it 2-0 six minutes later. Haley setting up the play. In thirty seconds Rohmer and Haley combined for Miners' third goal, the former doing the sniping.

George Scholes opened the scoring for Moncton on a passing play with Hamilton and Danny Horeck near the end of the second period. Hawks struck for two goals in less than a minute in the third period as Miners began to tire. Hamilton sank Danny Horeck's pass, and Horeck converted a relay from Hamilton and Matthews while

Frezell was sitting out a tripping penalty. Kilby carried the puck in from the blue line and his rebound was batted in by Filion to end the scoring.

Danny Horeck led the point-getters with a goal and two assists.

Denis Brodeur in the Hawks goal was a star of the game, making repeated saves on dangerous Miner attacks while Hawks were attempting to get organized in the early stages.

Saints Edge Abbies 3-1 In Senior Football Game

A second half try by rugged Jerry MacDonald gave the Saint Dunstan's University first team a 3-0 win over the Abbies Saturday afternoon in the first game of the Island Senior Football playoffs.

The game produced little good football but it had more than its share of rugged battling, rising tempers and fists as the teams slugged it out inch for inch and foot for foot for territorial gains.

MacDonald laid the groundwork for his own try with a 20 yard run about a minute before he scored. The play followed a scrum on the Abbies 25 yard line. The Saints got the ball and picking quarter Pete

Dunphy heaved a pass to MacDonald who raced to the Abbies five.

The teams battled on the Abbies line and the City team finally gained possession. A forward passed the ball behind the line for an Able backfielder to kick it out of danger but the kick was faulty. MacDonald knocked down the ball in scoring territory and fell on it for the game winning margin.

The Abbies went across twice more in the final half but failed to score. Pete Dunphy plunged across and landed on his back but never touched the ball on the ground. Minutes later Cyril MacIsaac went over on the nicest half line run of the day but the play was called back for being outside.

The Abbies cut up a terrific defense and nalled the Saints half-liners before they could get their plays going with the result that there were few good half line runs. The Abbies went without Art Perry, Noel Wilson, "Red" Howatt and Jimmy Flannagan.

"Copy" Callaghan was taken from the game in the last half when he received a gash in his knee.

Saints enjoyed a territorial advantage and were in scoring position on many occasions. The Abbies almost got on the score sheet in the last half on a beautiful penalty kick attempt by Bill Ledwell from well out.

The Saints played without the services of Phil Coyne, Kenny and Clarence MacDonald while the Abbies were without Art Perry, Noel Wilson, "Red" Howatt and Jimmy Flannagan.

The big fellow eased himself into the barbers chair and in response to the usual question of what do you want he replied a shave and a haircut. The remark did not create any great confusion in the shop for the same thing was being said in the other chairs and the other shops and street corners and dance halls. But it did serve as a starter for a debate between the barber and the customer with the barber having his answers memorized by this time because he had been going over the same statements and rebuttals since he put his hands on the clippers at nine in the morning.

For local hockey fans the weekend had been a bad one. On Friday night the Islanders lost their fourth game in four starts and on top of that came word that the C. A. H. A. had decided that Conny Bonhomme and Bob Gray belonged to the Glace Bay Miners.

The last word was much worse than the first. With Gray and Bonhomme the Islanders would be in there but without them their future was none too bright. Not that the Islanders were beaten by any great margin but the fact that they were beaten four times in a row by teams that were supposedly in poorer condition was giving rise to limited worry.

Commencing about midnight Friday and extending over the past two days periodic trade talks between the Islanders and Glace Bay have been taking place. At 10:30 last night a reliable informant stated that the trade might develop into a three cornered affair between Charlottetown, Glace Bay and Moncton. The Miners, it is reported, are seeking the services of Laurie Frechette, former Sydney Millionaires defenseman now with Moncton. Just who Moncton wanted from the Islanders was not stated although it is well known that the Hawks are seeking good defensemen and they might also consider a couple of forwards.

Norman "Bud" Poile was interested in securing the services of Willie Marshall but the Islanders' manager turned hands down. Poile, who has proved himself a pretty shrewd judge of hockey flesh, knew he was looking for a hockey player when he saw "Billy the Kid" in action. Marshall, who is the baby of the team in years, has been playing sensationally for the Islanders since the season began and has been the delight of the fans. The Miners, it is reported, do not want to give up Bonhomme.

In addition to Gray and Bonhomme the Islanders also want a high scoring left and right winger. Coach Leo Lamoureux and the Islanders are negotiating for several players and could have had several players some time ago if they had had the money to dish out for them. It is an easy thing to know what is wanted but it is not always an easy thing to pay for it especially with the current prices.

The Islanders were talking to Jack Gelineau last year's goalie with the Boston Bruins and for a time it was thought that they might secure his services. Reportedly that deal has fallen through. Gelineau, who is an insurance man, wants to be able to look after his job as well as play hockey. Two years ago he won the rookie of the year award in the N. H. L.

Defensively the Islanders compare favourably with anything that has been seen here this year. They have plenty of strength down the middle and several good wingers. With several additions they could easily become the team to beat and if things work out according to plan they may become a team to beat or at least very close to it.

Maritime Lobsters For Royal Visitors

HALIFAX, Oct. 20 (CP) — Princess Elizabeth and her sailor husband are always bad news to Maritime lobstermen.

About 100 pounds of the crustaceans, boiled in their native seawater, were shipped by plane today to provide the couple with a royal treat at Victoria.

The lobstermen will fill a gap in the state dinner menu there, which resulted when British Columbia salmon headed for the high seas. They are scheduled to arrive by trans-Canada air lines early tomorrow.

It was the second time that Bluenose lobstermen made the supreme sacrifice for the royal pair. A pileload of the hideous-looking, luscious fish was sent to their wedding feast in London by Maritime fishermen.

Navy Streamlines Recruiting Methods

OTTAWA—The Royal Canadian Navy has streamlined its procedure for recruiting ordinary seamen for all branches of the regular force, it was announced today at Naval Headquarters.

The 21 naval divisions which serve as recruiting centres across Canada have been authorized to enrol, on the spot, all applicants for the rank of ordinary seaman who are medically fit and otherwise fill the requirements for entry.

Except in certain cases, the previous procedure whereby all applications for enlistment were forwarded to Naval Headquarters for approval has been eliminated. Applications still requiring Headquarters review include those for a rank higher than ordinary seaman and those from persons with previous service.

The new system is expected to accelerate recruiting, inasmuch as it will enable a man to be attested in the R.C.N. with an absolute minimum of delay.

Halifax St. Mary's Edge Millionaires 3-2; Tie Beavers For Lead

HALIFAX, Oct. 21 (CP) — Halifax St. Mary's rifled home a brace of third period goals to shade Sydney Millionaires 3-2 Saturday night, and jump into a first-place tie with Saint John Beavers and Glace Bay Miners in the Maritime Major Hockey League.

Millionaires dropped their third game in four starts after holding their own against Saints until a sustained third period drive by the better-conditioned hometowners.

Laurie Peterson's interference penalty with less than three minutes left in the game gave Saints the break they needed.

Danny Wilkes, a slim winger who never gives way to superior weight, fired the winning goal with 51 seconds left to play, fishing the rubber out of a wild scramble in front of the Sydney net and slapping it home before cage cop Nick Pidsodny could move.

Billy Watson, will o' the wisp centre, was through the Sydney defence and bothering Pidsodny in all three periods. Pete Leswick shot the first Halifax goal and set Stan Warecki up for the tying marker. And shining through it all was Larry (Peanuts) Frechette, the 130-pound Halifax goalie.

Pidsodny stood out along with Johnny Baby, Joe Lavandoski, Eddie Marineau, Bill Cupolo and Cliff Roach. Marneau's rushes had the paid crowd of 5,534 roaring and the big winger set up the second Sydney goal on a play with George Robertson that was nice to see. Cupolo hit the register for Sydney in the first period.

Six minutes after the first period opened, Leswick whipped a screened shot past Pidsodny for the first goal. Sydney came back to tie it up at 15:45 while MacAvoy was serving time for holding.

Millionaires turned it on in the early stages of the second chapter but a stubborn defence backed by Frechette held them off until two Halifax players were sentenced near the end of the frame. Conny Poitras was the first to get, getting clipped for holding and Danny Nixon followed him almost immediately for tripping.

While they were off, Marneau ripped down right wing, shook off his check on the boards and passed out to Robertson. The latter hit the rigging with a point blank shot.

The third period was Saints' best, but time after time they were balked by the magic of Pidsodny, who was stopping rubber from all angles.

Line-ups:
Sydney: Goal, Pidsodny; defence, Lavandoski, Rockey, Baby, McBride, Marneau; forwards, Cupolo, MacIntyre, Kennedy, Roach, Whalen, Robertson, Storey, Peterson, Birukow.

Peace Pigeons Chased By Hungry Moscovites

WASHINGTON, Oct. 20 (AP) — The "Voice of America" said today a recent ceremony in Moscow's Red square took this unexpected turn: Hungry citizens started chasing peace pigeons.

The incident occurred Oct. 6, which the state department's overseas radio commented was the day Premier Stalin "interviewed himself and announced the explosion of his latest atom bomb."

Without saying where it got its information, the "voice" broadcast said hundreds of pigeons portraying peace were released from the top of the Moscow hotel while movie cameras recorded the scene.
