

New York Rangers And Bruins In Hockey Deal

NEW YORK, Sept. 20.—(CP)—New York Rangers today announced a hockey deal by which they acquired Paul Ronty, 23-year-old centre, from Boston Bruins in exchange for defence-man Gus Kyle and the rights to forward Pentti Lund. An undisclosed amount of cash was involved.

The Toronto-born Ronty played the full 70 games for Bruins last season and had a record of 18 goals and 13 assists, a big drop from his 59 points in the 1949-50 season. Rangers hope to use him on a line with rookie Wally Hergesheimer and Gave Stewart.

Lund, born in Finland, was well down in the National Hockey League scoring list last season with only 20 points. He was traded to Cleveland during the summer with Rangers retaining the right to call him back. This right now goes to Bruins.

Kyle, from Dysart, Sask., has been with Rangers two seasons. Last year he had two goals and three assists in 64 games.

Hergesheimer was obtained from Cleveland Barons of the American Hockey League and Stewart from Detroit Red Wings.

World Series May Start Day Late

CHICAGO, Sept. 20.—(AP)—Possibility that the World Series may start a day later than the previously announced date of Wednesday, Oct. 3, was advanced today by President Will Haridge of the American League.

Haridge said that if a one-game title playoff is required in the red hot American scrap, or a postponed game must be made up, the series will open Thursday, Oct. 4, in the American League championship city.

The regular season is scheduled to close Sunday, Sept. 30. A playoff might be held either Monday, Oct. 1, or Tuesday, Oct. 2, the same pertaining to playing off of a postponed game.

Previously, the series was set to start Wednesday, Oct. 3, if Boston or New York won the American League pennant, or Thursday, if Cleveland won.

ABC'S FOR SPORTSMEN

In a land founded upon the passionate desire for freedom, rules and regulations governing individual actions are always looked upon with askance, regardless of how necessary they may be for the general welfare. This is particularly true among a great many hunters and anglers, according to Henry P. Davis, public relations manager, Remington Arms Company, Inc.

"But," says Davis, "there is much more to sportsmanship than the mere practice of the letter obedience to the game laws. A man may never violate a game law or violate a club rule and still not be a real sportsman, for he may be refraining from doing these things because he has to, not because he wants to. Real sportsmanship cannot be defined or bounded by rules. It is imbedded in an inherent sense of fair play which one may or may not possess. No rules can plant it in the inner man, but unless the sense of fair play is possessed and it dictates followed no man can rightfully wear the laurel of true sportsmanship.

"There are certain maxims, however, that are worthy of constant remembrance, lest we carelessly or thoughtlessly stray from proper field behavior. They are not rules, just reminders. As they run the gamut of the alphabet I call them ABC'S for Sportsmen. They could just as well be called XYZ'S too. I think they're worth looking over. Here they are:

Always practice safe gunhandling. Be considerate of the landowner. You are his guest. Conduct yourself as a Sportsman should.

Don't be a game-hog. Educate youth in the principles of sportsmanship.

Favor the fellow who is hunting with you.

Give wildlife a break, work for its conservation.

Have the location of your hunting partner always in mind.

Influence others to hunt safely.

Join a sportsmen's organization.

Red Sox, Yanks Open Three-Game Series Today

BOSTON, Sept. 20.—(CP)—Boston Red Sox and New York Yankees will be virtual masters of their own destinies when they open a three-game series here tomorrow.

The Sox—in third place in the hot American League race four games behind the league-leading Yankees—will have to rout New York fully if they hope to retain any hopes of winning the pennant.

Of Boston's 11 remaining games, eight are with the Yankees, and unless either one team or the other wins a large majority of those games, it will serve as a neutralizer to help shove Cleveland Indians, currently in second place, into the pennant-winning spot.

Thus far this season, the Red Sox have wielded a jinx over the Yankees. They've beaten the world champions in 10 of their 14 games. Cleveland is counting on Boston to continue this mastery and thereby eliminate the New Yorkers from pennant contention.

But the Yankees don't think much of the jinx.

"What's that about law of averages?" manager Casey Stengel asked today. "We're about due to win in Boston and the Tigers are due to beat Cleveland. Only I hope we both do it this year."

The Yankees have single games scheduled in Boston tomorrow, Saturday and Sunday. In the opener they're likely to send Allie Reynolds, with a 15-and-8 record against Leo Kieley, who has won seven and lost four for the Sox.

Dust Storm Sends 15 Cars Into Ditch

MOSES LAKE, Wash., Sept. 20.—(AP)—A dust storm blown by 60-mile an hour winds piled 15 automobiles into a ditch alongside the highway 14 miles east of here last night. Street lights were out. Visibility was 100 feet in town, five feet on the highway. Much of the dust came from new diggings in a Columbia River basin project.

TRANS-CANADA CONTROLS

TORONTO, Sept. 20.—(CP)—Contracts totalling \$23,200,000 have been let on Ontario's portion of the Trans-Canada Highway since the Federal-Provincial agreement was signed in April, 1950. Highway Minister George Doucet said today. In all, 41 separate contracts have been let in connection with Ontario's 1,412-mile portion.

Keep that gun muzzle elevated. Leave some game for seed-stock. Make sure of your target before you shoot. Never leave a cripple to go to waste. Obey the game laws to the letter. Put yourself in the other fellow's place. Treat him accordingly. Quit harping about game shortages and do something about it. Retrieve every piece of game you knock down. Share your game bag with the farmer. Take a boy, other than your own, hunting or fishing. Unite your fellow sportsmen in a common effort to provide better hunting or fishing. Value, and protect, your privileges to own and bear firearms. Work for all sound game management measures. X may mark the spot if you mix gunpowder and alcohol. Young America's future field sport depends on you. Zeal in game restoration activities will pay big dividends.

Yankees Down Chicago 5-4 To Take Half-Game Lead In Pennant Race

Islanders coach Leo Lamoureux, Forum Manager Bill Brown, and rived back in the City late Tuesday night after their nine-day hockey hunt in Quebec and Ontario. While in Central Canada they watched the Chicago Black Hawks and St. Louis Flyers work out at North Bay, Ontario, saw the Providence Reds at Grandmere, Quebec, visited the New York Rangers camp at Guelph, conferred with Tommy Gorman in Ottawa and spent some time on the hockey path in Montreal.

Leo, in common with most of the other hockey coaches and heads of teams in the Maritime Major Hockey League, is not releasing too much information about his prospective lineup, although he has given out more news about his club than any of the other teams except Saint John. Asked about the further prospects he stated that he preferred to wait until early next week before making a complete release. A man closely related with the Islanders Club, however, stated that he had a smart team lined up.

The hockey clock purchased by the Forum during the summer has been installed at the north end of the rink. The big clock will enable fans to read the time in minutes and seconds and will undoubtedly be appreciated by them, as well as by the players, especially in the closing minutes and seconds of a tight game.

If New Glasgow Bombers had entered the Maritime Major Hockey League this year they would probably have been connected with the New York Rangers. They had the assurance of Neil Colville that he would help them and had centre ice man "Buddy" O'Connor on the line as playing coach. The only snag was that they would have to pay about \$10,000 for O'Connor's contract, so the O'Connor proposition quickly petered out. Another hitch was the salary question with the New Glasgow men figuring the weekly salary outlay would amount to \$2,446. Since last summer the aspirations of hockey men in New Glasgow have fallen and last week at a public meeting, attended by only a few, they announced that the New Glasgow Hockey Club had dissolved.

Denny Brodeur, who in the playoffs with Sydney Millionaires last spring, starred in the nets for the Islanders, may be back in the Maritime again this year. Brodeur is going to try out with Moncton Hawks but will have to prove himself more capable than Jack Gibson if he is to get the job. Gibson, who was netminder for the Millionaires when they won the Maritime championship in 1950, played with Saskatoon Quakers in the Western Canada loop last season.

The Charlottetown football Abbies are willing to play the Shearwater Navy team here next week, so it appears that the game is almost a certainty. Earlier this week the Navy boys had inquired about a game here so all that remains now is to get the word from Shearwater that they will come over. It is expected that they will fly over and back for the game.

The match will likely be played on Memorial Field. Brigadier Reid, Director of Physical Fitness, stated last night that they were going to start laying out the football field on Monday. The bars will likely be erected on Monday depending upon the outcome of the intermediate baseball game here Sunday.

After wearing the Prince Edward Island intermediate baseball crown for four consecutive years the Summerside team does not wish to give up its title without a struggle. On the brink of elimination Wednesday they came back to salvage a draw and remain in the running. The next game will be played here on Sunday and if a sixth is necessary it will likely be played here next Wednesday.

Bud MacEachern, the former Charlottetown hockey player, who has been playing in England for the past few seasons, spent most of this summer in an ice show with Barbara Ann Scott as the leading attraction. Bud played the part of a Mountie in the show entitled "Rose Marie on Skates."

Brooklyn has 10 to play, the Giants only seven. They do not meet.

Gil Hodges' 39th homer in the sixth helped the Dodgers home but they needed a run in the ninth to offset a Card rally that produced a score in the last of the ninth. Cliff Chambers' six-game win streak was broken as Brooklyn made it 18 out of 22 from the Red Birds this season.

Cincinnati bunched four of its 12 hits in the eighth inning with an error and a pair of walks to chase Jim Hearn with a three-run blast.

Kenny Raffensberger, with ninth inning help from Ewell Blackwell, registered his 15th win. It was the Reds' fifth victory in 22 starts against the Giants.

In an American League night game at Washington, Satchel Paige struck out five in a three-inning relief job to give St. Louis Browns a 4-3 victory over Washington while winning his third decision. Paige fanned the last four batters, collaborating with Duane Pilette to hold the Senators to six hits.

Cliff Maples, with his eighth homer and three singles, led the Browns' 13-hit attack on Don Johnson, the loser, and Tom Ferrick.

Sherman Lollar, St. Louis catcher, singled home the winning run after Earl Rapp doubled in the eighth inning. Lollar later was carried from the field after his spikes snagged in a slide at second base. The extent of his ankle injury was undetermined.

Frank Campos, Washington rookie righthander, also was injured when he banded his hand against the rightfield wall while attempting to snare Ben Taylor's triple in the seventh inning. He was taken to Georgetown Hospital for x-rays.

Tar Heel Sensational In Winning Jug Victory

DELAWARE, O., Sept. 20.—(AP)—Tar Heel, black colt owned by the W. H. Reynolds estate of Winston Salem, N. C., broke practically all the three-year-old pacing records today as he won the \$66,000 Little Brown Jug in straight heats at the Delaware County Fair.

The sensational son of Billy Direct went the first heat in 2:01, a world's record for a three-year-old pacer on a half-mile track, and came back with a two-minute flat performance in the deciding heat, to set a new mark.

His 4:01 total for the two trips around the half-mile track erased the old record of 4:04 4-5 set by Knight Dream in 1948.

Tar Heel teamed up with stablemates Solicitor and Direct Rhythm to pick up \$53,024.44 of the jackpot. Solicitor was second while Direct Rhythm was fourth.

H. D. Hanover owned by H. E. Warren and Son of East Moline, Ill., was third after finishing second to Tar Heel in the first heat, and breaking at the start of the second trip around the twice around for a last place windup.

Goes On Auction Block

Tar Heel, which goes on the auction block in November at the Harrisburg, Pa. sales, during which the Reynolds estate stable of 38 will be disposed of, gave reinsmen Del Cameron his second "Jug" conquest. Cameron, the 34-year-old Cambridge, Mass., driver, is the only one to grab the crown twice.

The Reynolds star wheeled through the first heat in 2:01—the fastest trip around a twice-around ever made by a three year old pacer—to take the opener by four lengths. In the second heat the Reynolds entry had Floating Dream neatly pocketed, and Solicitor was out from on the rail, but reinsman Del Miller held him up while Cameron brought Tar Heel

Horseshoe Club

Doyle and Phillips last night won the Island double horseshoe championship in the open tournament at the Brighton Horseshoe Club by defeating Dalziel and Vessey. Doyle won the Island singles championship earlier in the summer.

TORONTO, Sept. 19.—(CP)—Bull Page, owned by E. P. Taylor, Toronto industrialist, won the Autumn handicap at Woodbine Race Track today, beating Fly Boy by 2 1/2 lengths. Havahome came in third and Red Ring fourth.

NEW YORK, Sept. 18.—(AP)—Hector Rodriguez, Montreal's 31-year-old third baseman, is the International League's "rookie of the year" in the estimation of the league's baseball writers. The Cuban Negro won the honor by one vote over teammate James (Junior) Gilliam, outfielder-second baseman.

Ford Frick Elected Baseball Commissioner

CHICAGO, Sept. 20.—(AP)—Ford Frick, president of the National League, was named commissioner of baseball tonight to succeed A. B. Chandler.

He was chosen for the \$65,000 a year post at a closed session of the 16 major league club owners at the Palmer House.

Frick who was prominently mentioned as a successor to Judge K. M. Landis in 1945, has long been identified with baseball, first as a newspaper man in the west and in New York City, and since 1934 as president of the National League. He is 56 years old.

Thus ended a search that began last Dec. 11 when the club owners refused to vote Chandler a new contract. Although his contract had until next April 1 to run, Chandler bowed to pressure and resigned his post, effective last July 15.

Frick is the third baseball commissioner. The first was Judge Landis, appointed in 1921 following the Black Sox scandal. Landis died in 1944 and was succeeded the next year by Chandler, then a U. S. senator from Kentucky.

Announcement of the election of Frick was made by Earl Hilligan of the American League Service Bureau, standing on a chair outside the crystal room where the big league owners had been meeting since 11 a. m. EDT this morning.

"The term will be for seven years at an annual salary of \$65,000," said the announcement.

"The final ballot was unanimous, 16 to 0. Mr. Warren Giles moved that his name be withdrawn and moved for a unanimous vote."

Frick and Giles were the only two candidates voted on during the long sessions. Approximately 20 ballots were taken in all.

The baseball owners decided at the outset of the day to choose a man from the ranks of the game to become the third commissioner of baseball.

"The vacancy in the National League presidency will be dealt with in the immediate future," said the announcement.

Frick, who had been in Florida for the funeral of Bill Klem, famous umpire, returned today to New York and accepted the baseball commissionership by telephone.

Del Webb of the New York Yankees, who acted as chairman of the executive session, said jokingly afterward, "It seems like 50 ballots were taken, but it might have been only 30."

Civil Banquet For Leafs Cancelled

TORONTO, Sept. 20.—(CP)—A civic victory banquet to honor Toronto Maple Leafs, 1951 Stanley Cup winners, has been cancelled out of respect for defence-man Bill Barilko, missing nearly a month on a far-north arctic fishing trip. The dinner had been scheduled for Sept. 28.

Managing director Conn Smye said today the Leafs are going to their training camp at St. Catharines under sad conditions.

"Little hope is held for the safety of Barilko. Also, since last season, we have lost through death our chief scout, Squib Walker and J. P. Bickell, a director of the Maple Leaf Gardens who as first president played a major part in raising funds to erect the buildings."
