### CAUTION.

To the Editor of the Colonial Herald.

SIR:—Having seen in the Colonial Herald of the 20th inst. the Advertisement of the Assignees of the late Henry Winchester, Esq., offering for Sale 18,000 Acres of Land, on Lot or Township No. 54, allow me, through the medium of your paper, to say, that the late Henry Winchester, Esq. had no property on Township No. 54, nor had he ever the actual possession. Actions of Trespass and Ejectment were brought against me, it is true, but what was done in those actions I have not been able to ascertain.—Suffice it to say, that after many years' prosecution, I was not able to get one witness brought forward—this is a case of real grievance, and ought to be looked into.

I find on referring to the provision of the Statute of 32 Henry 8, cap 9, that no one shall sell or purchase any pretended right or title to land, unless the vendor hath received the profits for one whole year before such grant; or hath been in the actual possession of the land, or of the reversion or remainder, upon pain that both the purchaser and vendor shall each forfeit the value of such land to the King and the prosecutor.
