## MOUNTAIN HERB PILLS.
The Manochan or Great Medicine.
THESE PILLS have now been thoroughly tested and have maintained the highest character everywhere; they have the wonderful power of restoring to health persons suffering under all diseases arising from
**IMPURE BLOOD,**
and as the Blood is the life when pure, so it is when corrupt the source of nine-tenths of the diseases which afflict mankind.
The following are among the distressing variety of diseases in which the Pills are invaluable:
BILIOUS FEVERS AND LIVER COMPLAINTS—General Debility, Loss of Appetite and Diseases of Females,—the Medicine has been used with the most beneficial results in cases of this description.—King's Evil and Scrofula, in its worst forms, yields to the mild yet powerful action of this most remarkable Medicine. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.
DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind, Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill Temper, Anxiety, Langour and Melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.
COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leaves the bowels costive within two days.
FEVERS, of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.
SCURVY, ULCERS AND INVETERATE SORES, by the perfect purity which this Medicine gives to the blood and all the humors.
SCORBUTIC ERUPTIONS and bad complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy and other disagreeable complexions.
The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.
MERCURIAL DISEASES—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find this medicine a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of sarsaparilla.
☞ The Plants and Herbs of which these Pills are made were discovered in a very surprising way among the Tezucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.
OBSERVE—The Mountain Herb Pills are put up in a beautiful Wrapper. Each box contains 40 Pills, and retailed at 25 cents per box. All genuine, have the signature of B. L. Judson & Co. on each box.

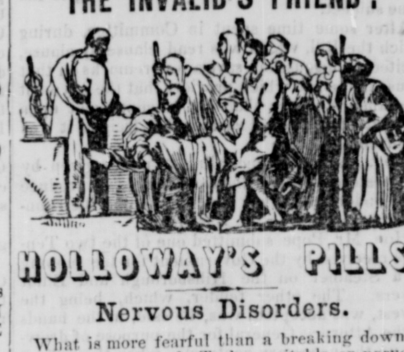
## Condition Powders!
THE INVALID'S FRIEND!



## HOLLOWAY'S PILLS.
### Nervous Disorders.
What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? Here is one:—Drink but little wine, beer, or spirits, or far better, abstain from them altogether; do not take coffee — weak tea is preferable; get all the fresh air you can; take three or four of the Pills every night; eat plenty of solids, and avoid the use of slops. If these golden rules are followed, you will be happy in mind, strong in body, and forget you have any nerves.
### Mothers and Daughters.
If there is one thing more than another for which these Pills are famous, it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and renewing suspended secretions. Universally adopted as the one grand remedy for female complaints, these Pills never fail, never weaken the system, and always bring about what is required.
### Disorders of the Kidneys.
In all diseases affecting these organs, whether they secrete too much or too little water, or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief after all other means have failed.
### The Stomach out of Order.
No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperate or improper diet. They reach the liver, and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the liver and stomach.
### Bronchitis, Diptheria, Coughs and Colds.
No diseases are more frequent, few more dangerous, than affections of the respiratory organs. The first symptoms of disordered action may always be removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of blood, relieve any over-gorged veins, moderate the hurried breathing, and enable the windpipe and lungs to perform their functions with ease and regularity. These Pills, by their purifying powers, cleanse the blood from all impurities, and thus fortify the system against consumption, asthma, and other pulmonory complaints.
### Debilitated Constitutions.

### Convincing Testimony.
REV. C. A. BUCKBEE,
*Assistant Treasurer American Bible Union, N. Y. City,* writes: "I very cheerfully add my testimony to that of numerous friends to the great value of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum."
REV. WM. CUTTER, N. Y. City: "My hair is changed to its natural color, and growing on bald spot."
REV. J. H. CORNELL, N. Y. City: "I procured it for a relative. The falling of the hair stopped, and restored it from being grey to its natural and beautiful color."
REV. J. WEST, Brooklyn, L. I.: "I will testify to their value in the most liberal sense. They have restored my hair where it was bald, and, where grey, to its original color."
REV. A. WEBSTER, Boston, Mass: "I have used them with great effect. I am now neither bald nor grey. My hair was dry and brittle; it is now soft as in youth."

## THE NEW FRENCH REMEDY.
*By Royal Letters Patent, under the special sanction of Her Majesty's Government, and the Chiefs of the Faculte de France.*
THERAPION:—or CURE OF CURES. This successful and highly popular medicament, as employed in the continental hospitals by Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed. Devoid of *taste, odour,* and *appearance* of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion Each package contains full instructions for every case.
**THERAPION, No. 1,** in three days only removes gonnorrhœ, gleet and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief, where other well-tried remedies have been powerless.
**THERAPION, No. 2,** for syphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of blood, scurvy, pimples, spots, blotches, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth; and ruin of health. Under this medicine every vestige of disease rapidly disappears; and the skin assumes the pleasing softness of infancy.
**THERAPION, No. 3,** for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot, unhealthy climates, &c. It possesses surprising power in restoring strength and vigour to the debilitated. To those who are prevented entering the marriage state by the consequences of early error, it will render essential aid by subduing all disqualifications; and restoring the lost tone to the system. Therapion may be procured at 11s, and 33s per package, through all medicine vendors, or in £5 packages for foreign shipment, direct from London only, by which £1 12s are saved; and £10 packages for the more inveterate cases, by which a still greater saving is effected. In ordering the above, the purchaser should state which of the three numbers he requires.

### The Cause and Cure of Premature Decline.
*Sold by all the Agents for Dr. De Roos' Medicines, or sent post free, secure from observations direct from the Author, for 2s 6d.*
THE MEDICAL ADVISER on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr. W. DE ROOS, M. D., M. R. C. S., L. S. A., &c., *of the Ecole de Medicine, Paris, Graduate in Medicine, Surgery and Midwifery; Licentiate of the Royal Society of Apothecaries, &c.*
**REVIEWS AND NOTICES.**
"To be your own counsel or your own doctor, entails risks that have become proverbial to a degree that prevents much good resolution from taking any benefit or advantage when reasonably offered. Suspicion begets irresolution, and where there is no confidence good results seldom follow. Medical books are a fie d for the faculty alone, and the public act wisely in refraining from their study. 'Drink deep or taste not the Pierianspring,' is good advice where the uninformed mind, listening to its own apprehensions is oftener ready to imagine than use its cool judgment. There is one class of medical lore, however, that stands in a position somewhat exceptional to our remark, and which treats on disorders and irregularities in which morality is offended. For this reason the patient too often suffers in secret, or pursues in ignorance practices that daily bring him into a more hopeless condition for want of friendly advice. To such we recommend a perusal of the 'Medical Adviser' of Walter De Roos, M. D., of London, an established Physician, graduate and licentiate of all the regular institutions of London and Paris; and who has made nervous disorders and their baneful origin his particular study, and obtained such a practice in this branch of therapeutics as qualifies him to be a safe and competent adviser.—*County Chronicle, May 7th, 1861.*
"The **MEDICAL ADVISER,** by WALTER DE ROOS, M. D., for the class of diseases upon which it treats is undoubtedly the best and most soundly practical book which has come under our notice The author is a man of most enlarged experience." —*Derby Telegraph, June 29th, 1861.*
To those who contemplate marriage its perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late.—Cure is certain in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost.
From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated. Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, whilst to all who need such aid he offers every assurance of speedy restoration.
FOREIGN RESIDENTS can be successfully treated by correspondence, on sending the detail of their cases, with a Bank note or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case, may be sent out by next mail, thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR. DE ROOS' GUTTÆ VITÆ OF LIFE DROPS; *Protected by Royal Letter Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c,* have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, languor, lassitude, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business; indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones, and all those diseases in which mercury, sasaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.
As these complaints if neglected become chronic or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles, cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price, 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, by which a saving of £1 12s is effected, will be sent from 25, Bedford Place, only on receipt of the amount per draft on a London house or otherwise.
Extracts from letters which can be seen by any one. "I am happy to say that I am now quite well, thanks to you and your medicine of medicines."—*D. P. St. Asaph.* "I am happy to say that I shall not require more, thank God, and I hope He will reward you for what you have done for me."—*A. C., Hartlepool.* "If my tongue could speak, or my pen could write to express my gratitude to you I should feel happy, but neither tongue nor pen of mine can do so."—*H. A. Birmingham.* "Without you I should have been in my grave, but now I am a happy man again."—*D F.F., Inverness.* "I can never thank you sufficiently; had I never read of the Guttæ Vitæ, where or what I might have been now, I cannot tell."—*W. G., West Pelton.*

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c., have utterly failed. 2s 9d., 4s. 6d., 11s, and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.
Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.
HER MAJESTY'S HON. COMMISSIONERS have graciously permitted the Government stamp, bearing the word "Therapion" in white letters, to be attached to each package; thus insuring the public against fraudulent imitations, and securing to the proprietor the sole right of supply throughout her dominions, and any infringement of which they will prosecute with the utmost severity.
AGENTS FOR ENGLAND, Thomas & Co., 7, Upper St. Martin's-lane, London; Raimes & Co, Liverpool; Apothecaries Comp, Glasgow; Ferris & Co., Bristol; Cornish & Co., Plymouth; Rowe, Devenport; Randall & Co., Southampton; and obtainable through all medicine vendors in the known world, or in case of difficulty, by enclosing a draft or order for £5 or £10, according to the nature of the case, payable in London to Messrs. Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

PREMATURE DECAY OF THE SYSTEM, and its perfect restoration, whether arising from youthful imprudence or the excesses of adult life, infection, climate, &c. Observations on marriage, the prevention and removal of certain disqualifications. Rules and numerous prescriptions for self-treatment. Sufferers who are prevented from matrimony by the consequences of imprudence should read this work, as pointing out the sure way to restoration of health. *CAUTION.—There being highly injurious imitations of the above, sufferers should guard against the recommendation of other medicines by dishonest vendors, who thus obtain a larger profit.* To PROTECT THE PUBLIC AGAINST FRAUD, HER MAJESTY'S HON. COMMISSIONERS *have directed that the words* "WALTER DE ROOS, LONDON," *be printed in white letters on the Stamp affixed to the above, to imitate which is felony.*

[EXTRACTS FROM NEWSPAPERS.]
On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567, being upwards of £1000 more than paid by any other office ever yet established in this City.
[From Gore's General Advertiser, Oct. 24, 1861.]
"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."
[From the Civil Service Gazette, Nov. 2, 1861.]
"Among these important institutions stands eminent for its solidity, as well as for its success, "the Queen Insurance Company," which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained, and it attests at once the excellence of its management, and the public confidence in its constitution."
[From the Liverpool Mercury, Nov. 2, 1861.]
"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptiness with which all the claims, arising out of the late disastrous fire in London were met, testifies itto their financial ability and the care and prudence which marked the investment of these funds."
