IN MEMORIAM

MacLEOD — In oving memory of a dear dad Sankey MacLeod who passed away on January 30th, 1957.

We had a dad we were proud to own,
How much we miss him no one knows.
The heartaches in this world are many
But the loss of our dad is the greatest of any.

Lovingly remembered by sons, Dewery, Sid, Manney, Roddy and Blair.

IN MEMORIAM

McLEOD — In loving memory of my dear brother, Sankey McLeod, who passed away January 30, 1957.

Sweet the memories that linger.
Dear is the one who is gone.
His memory is always treasured
As long as the years roll along.

Lovingly remembered by sister Bertha.

FITZGERALD — In loving memory of our dear son, James Cleamon FitzGerald, who passed away January 30th, 1953.

His weary hours and days of pain
His troubled nights are past,
And in our aching hearts we know
He has found sweet rest at last.
As angels know they're watched up there.
Please God just let him know
That we down here do not forget.
We love and miss him so.

Sadly missed and always remembered by mother, father, sister and brothers.

MacLEOD — In loving memory of my dear husband Sankey MacLeod who passed away on January 30th, 1957.

It is lonely here without you dear
And sad I am today.
For life is not the same to me
Since you were called away.
When I am sad and lonely,
And everything goes wrong,
I seem to hear you whisper
Cheer up and carry on.
Each time I see your photo
You seem to smile and say,
Don't cry I'm only sleeping
We'll meet again some day.

Sadly missed and lovingly remembered by his wife.

MacLEOD — In loving memory of our dear dad Sankey MacMacLeod who passed away on January 30th, 1957.

He cannot be seen beside us
Yet we never walk alone.
Through every step of life he guides us
In a way that's all his own.
But still we don't forget.
The years are swiftily passing
For in the hearts that loves you daddy
Your memory lingers yet.

Lovingly remembered by daughters Verna, Carol, Bertha and Brendalee.

Canadian Says Congo Chiefs Saved His Life

CP from AP-Reuters

LEOPOLDVILLE — A Canadian army officer who was surrounded by 150 Congolese warriors and beaten unconscious with a rifle butt said here the warriors wanted to kill him but were prevented from doing so by their chiefs.

Lt.-Col. Paul Mayer, 47-year-old Ottawa native, who had landed Monday night in a United Nation's helicopter at Kisandji Mission, in Northern Kwango, was commanding a rescue team of four UN helicopters.

He walked alone up to two rebel chieftains and tried to persuade them to free a group of Roman Catholic nuns and priests who were in the mission.

Armed terrorists swarmed around him and he was knocked out. He regained consciousness, carried on with his talks and later managed to have the missionaries freed.

Brig. James A. Dextraze, a Canadian who is UN army chief - of - staff in Leopoldville, said reports indicated the helicopters had successfully completed the evacuation of the mission on Tuesday.

TORONTO

TORONTO (CP) — Investors were apparently more interested in the figure cut by movie star Elizabeth Taylor than in figures on the stock market as prices eased in moderately heavy trading Wednesday.

The market was dull most of the day although speculative activity helped push the volume up during the afternoon. Turnover was 4,890,000 shares compared with 4,030,000 Tuesday.

Candore was the most active speculative mine, trading 325,385 shares for a gain of ½ cent to 46½ cents. Camflo Mattagami rose 23 cents to $1.23, Northgate 35 cents to $4.90, Martin nine cents to 80 cents and Tombill seven cents to 98 cents.

Banks led industrials lower, Toronto-Dominion down ¾ and Imperial Bank of Commerce ½.

Royal fell 1⅜ to 74 trading ex-dividend 60 cents and Montreal ⅞ trading ex-dividend 52½ cents.

Papers were mixed to lower. B.C. Forest off ⅜ and steels were mixed, Dominion Foundries and Steel ahead ⅛ and Steel Company of Canada slipping ⅛.

Among selected issues, John Wood rose ⅝ and Canada Cement and Du Pont ½ each.

International Nickel dipped ¾ while Falconbridge and Hudson Bay Mining both edged ahead ¼ in senior metals. Lake Dufault rose five cents to $9.05 in juniors.

Canada Southern Petroleum declined 20 cents to $4.50 among western oils. Quonto was up ½ cent to 18 cents on 385,000 shares among speculative oils.

On index, the Exchange index fell .37 to 132.35, industrials .39 to 141.56, base metals .23 to 61.10, western oils .16 to 83.48 and golds .02 to 133.40.

Federal Gov't Is Opposed To 'Economic Sectionalism'

ST. JOHN'S, Nfld. (CP) — Trade Minister Sharp said here the federal government will continue to oppose "economic sectionalism" in Canada.

"As the world grows smaller and more heavily populated, as trade alliances develop, as everything conspires to favor the strong, Canada cannot afford to be weak or divided," he said in a speech to the annual meeting of the Newfoundland board of trade.

Mr. Sharp, in his first speech in the Atlantic provinces since entering the cabinet last year, urged development of better methods of marketing fish.

He also predicted that the economic growth expected this year will continue beyond 1964 —"with reasonable luck and favorable external environment."

Mr. Sharp said "one of the glories of Canada" is that it provides room for diversity—for two official languages, for the survival and development of French-Canadian culture, for people of many other lands to contribute to Canada's destiny.

"Let us never forget, however . . . that we are all Canadians, regardless of where we live or what language we speak, and that national unity can contribute to the attainment of those things we hold dear—spiritual as well as material — whatever our origin, culture or language."

OPPOSE SECTIONALISM

The government's purpose would be "to oppose economic sectionalism in Canada and to try to bring the resources of all regions and all provinces to bear for the advantage of the whole country."

It would be "folly of the worst kind "for any government or organiation to advocate policies that would set one part of Canada against another.

Mr. Sharp, who as a federal government official helped negotiate the terms of the 1949 union between Canada and Newfoundland, said few people then would have predicted that so much development would be under way in Newfounland at this time.

He referred to the Labrador iron ore developments, plans to start construction this year on a third pulp mill in the province, and the projected hydro power development at Grand Falls on the Hamilton River in Labrador.

"In 10 years time, if present plans are realied, Grand Falls will be the site of the greatest single power development on the North American continent."

SPARK DEVELOPMENT

He expressed the hope that the project will "spark another round of development" similar to that hoped for from Columbia River power development in British Columbia.

Mr. Sharp said Newfoundland fisheries are modernizing themselves. But to succeed they would also require modern marketing methods.

"It is my view that the marketing of Canadian fish can be improved and that the most careful study should be made of the idea of centralized marketing boards. . . .

"International competition is keen. . . . Only with the most modern marketing methods, aided by the enforcement of recognized standards of quality, will Canada and Newfoundlan be successful in meeting this international competition."

LITTLE SANDS

Lloyd Wheeler, Little Sands, winter employees of the Charles A. Dunning, spent a few days at his home here and left on return for Pictou Jan. 5.

Mrs. Ivan Gordon, Abney, son Archie and Mrs. Gordon, Murray Harbour, visited at the home of Mr. and Mrs. Archie Munn, Little Sands and Archie Gordon's grandparents recently.

On Sunday afternoon, Jan. 12, the ice breaker "Tupper" was seen in the Strait. The oil tanker on its way to Charlottetown was reported west of Wood Islands.

The lights in the light house at Caribou and Pictou Island are seen nightly, flashing their beams across the Strait.

Mrs. Alex Blue, Little Sands, received the sad news on Jan. 4, of the death of her cousin, Mrs. A.P. Spencer (formerly Edna Hook of Boston). Mrs. Spencer had been ill at her home in Maltapan, Mass., for two or three weeks before she was taken to hospital in Boston, seventeen days before she passed away. Mrs. Spencer visited her relatives in Little Sands several times and at Oak Valley, P.E.I. Mrs. Spencer also has relatives in Dundas, P.E.I., as her mother was the former Elizabeth Turner of that place.

Residents here report many bluejays around the homes this winter. The jays are quick to gather up any food that is put out for smaller birds about the door.

In these parts no Hungarian partridges have been noticed. With all the snow of last winter, the usual flocks seen around here have disappeared.

Miss Darlene Herring, Murray Harbour, spent part of her holidays at the home of Bruce Stewarts, High Bank.

Sydney Stewart and his sister, Miss Flora Stewart, accompanied by Angus Stewart, all of High Bank, motored to Charlottetown Monday. While here they planned to visit Mrs. Deans, formerly of Little Sands and Dan Smith of Wood Islands.

Frank Brehaut moved from High Bank to Beech Point district last week. He moved his house near the new Beech Point School.

Harold Buell, Charlottetown, visited at his home (Grandma's Cabins), Little Sands Saturday.

The UCW held their meeting at the home of Mrs. George M. Blue on Thursday evening.

The Little Sands WI January meeting was held at the home of Mrs. Alexander Blue on Jan. 7.

The music teacher, Alexander MacLean of Charlottetown, did not make his weekly trip to Little Sands school last week. He teaches music lessons in the schools near here for one hour periods each week. The pupils are being taught to play the flutophone.
