NOT MORE THAN FIVE CENTS

P.E.I. Donor Sends Flowers To Members

OTTAWA (CP)—Prime Minister Diefenbaker Monday wore three blue cornflowers in the lapel of his suit at the opening of Parliament.

In doing so he revived a practice followed by Sir John A. Macdonald, Canada's first prime minister.

Sir John, also a Conservative, made a habit of wearing a blue cornflower in his lapel. The traditional color of the Conservatives is blue.

Mr. Diefenbaker selected blue cornflowers in preference to a white carnation which arrived at his office Monday from an unidentified donor in Prince County, P.E.I. The donor asked Mr. Diefenbaker to wear the carnation at Monday's opening.

Red carnations were sent by the donor to the four P. E. I. Conservative members—John A. Macdonald, Kings, O. H. Phillips, Prince, and Fisheries Minister Angus MacLean and Health Minister McQuarrie, members for the two-seat constituency of Queens.

Music Festival Opened Officially Last Night

PRINCE EDWARD Island's thirteenth Musical Festival since 1946 was officially opened last night at Prince of Wales College auditorium by the Mayor of Summerside, W.A. Currie (left). On

the platform with His Worship are left to right, Professor Gordon Bennett, president of the P.E.I. Musical Festival Association, and the three adjudicators

who will judge the various classes competing this week: Mr. George A. Smale, Brantford, Ontario, and Dr. Leslie Bell and Dr. Charles Peaker, both of Toronto.

Five choral classes and a lone band were adjudicated at Prince of Wales College auditorium last night following the official opening ceremonies.

In addition to two life memberships were awarded "in absentia", one to Hon. Angus MacLean, federal Minister of Fisheries, and the other to Mr. James Burden, prominent City business man.

The thirteenth annual Festival of Music held in this Province since 1946 was officially opened by His Worship, Mayor W.A. Currie of Summerside.

The function was distinguished by the presence of His Honour, Lieutenant Governor Hyndman and Mrs. Hyndman.

Also in the official party were: Hon. A.W. Matheson and Mrs. Matheson, Mayor Currie and Mrs. Currie, Dr. L.W. Shaw and Mrs. Shaw, Squadron Leader Ian Rankin and Mrs. Rankin, Mr. and Mrs. Gordon Bennett, Mrs. Wendell Wood, Mr. and Mrs. Preston Beck, and Mr. and Mrs. Allison MacLean, Summerside, and Mr. and Mrs. Frank Cameron, Summerside.

Speakers heard included Mr. Gordon Bennett, president of the Association, and each of the three

men who will adjudicate the vocal and instrumental competitions scheduled for the balance of the week—Dr. Leslie Bell and Dr. Charles Peaker of Toronto, and Mr. George A. Smale of Brantford.

MUST BE PLEASING
To see the citizens of the Province grow more "musical conscious" as the years go by, must be pleasing indeed to those who had devoted so much time and effort in building up the musical festival organization in this Province, Mayor Currie declared.

In addition to benefiting the individual and the community, the study of music helps to hold families together, he added.

"Music is a universal language and as such spreads good relations among the nations," he said.

Mr. Bennett also paid tribute to those who had worked so hard to make the festival a success, noting that many of the committee members had been hard at work for from six to eight months.

REFRESHING INDEED
"In this materialistic age with its five-day or even four-day week, its search for shorter

working hours and more "take-home" pay, it is refreshing indeed to be associated with a group who voluntarily carry out so much work without any hope of remuneration," he said.

The president of the Association made particular mention of three ladies who he said had given the organization 13 years of devoted service: Mrs. Wendell Wood, Mrs. Warren Burns, and Mrs. Robert MacKinnon.

With 2,300 individual entries in the various classes, 8,000 participants, and with three different centres now in operation, this year's festival can truly be called Provincial, he added.

The fact that 8,000 individuals were participating in the Festival this year was seen as a healthy sign by Mr. George A. Smale who is adjudicating locally for the second consecutive year.

"I believe a great deal of Continued On Page 2 Col 6

Warned To Watch U.S. Paper Money

MONTREAL (CP)—The RCMP Monday advised residents of Quebec province to examine carefully any United States paper money received.

They said three persons, in a car bearing New Brunswick licence plates, were detained this weekend at Riviere du Loup when spurious \$10 and \$20 American bills were found in their possession.

Police are looking for four other persons in the Montreal and Lower St. Lawrence regions.

Will Take Over For Red Skelton

HOLLYWOOD (AP)—Milton Berle and other pals will take over tonight for Red Skelton on television.

Red's weekly show on CBS-TV falls hours after the funeral of his nine-year-old son, Richard. The boy died Saturday night of leukemia.

Red had previously filmed shows so that he could spend as much time as possible with the youngster. However, he asked the network and sponsors to leave him off the air entirely tonight.

Berle, Donald O'Connor, Sidney Miller, Vincent Price and others quickly volunteered to appear in the comic's place.

Ontario P.C. Gov't. Won All Four Byelections Yesterday

By THE CANADIAN PRESS
Ontario's reigning Progressive Conservative party, stretching its consecutive string of byelection victories to 19, Monday retained four ridings in byelections fought in the midst of a hot political controversy.

The victories brought Conservative strength in the 98-seat legislature to 84. The Liberals hold 11 seats and CCF three.

Incomplete returns indicated slightly reduced majorities for the Conservatives in two of the constituencies, Huron and Renfrew North.

The Conservatives, unbeaten in an Ontario provincial byelection contest in 20 years, won Monday's votes during an uproar over investments by two cabinet ministers in a natural gas company chartered by the government.

Winner in Cochrane North—the riding formerly represented by one of the cabinet ministers—was Rene Brunelle, 38, a resort owner who had lost in two federal elections.

Closest contest was in Huron, where Progressive Conservative Charles MacNaughton, a 47-year-old seed merchant from Exeter, held a slim majority over Liberal Dr. J. A. Addison.

Renfrew North's two-way battle resulted in victory for Progressive Conservative Maurice Hamilton, 35-year-old farmer. Liberal Garwood Warren, 41, conceded the election at 9:50 p.m. EDT 65 minutes after polls closed at 8 p.m.

The fastest decision was in St. George, where Conservative Alan Lawrence, 32-year-old lawyer, posted a majority over his three women opponents. He was elected within 45 minutes of polls closing.

Market Square Will Not Be Metered For Parking

The status of the market square is still obscure in so far as the City Council is concerned. However the filling in of the basement will be completed. Additional fill will be hauled to bring it up to street level. After this a coating of gravel will be placed over the whole area.

City recorder Martin told the Council that meters could not be placed on the square; neither could any permanent structure be erected that does not provide for market facilities.

Mr. Martin said the City would be within its rights to make temporary use of the square preferably for the parking of trucks. Otherwise, he pointed out that the land which was originally vested in the City for use as a market site would automatically revert to the Crown.

Reds Poll Big Vote In Greece

ATHENS (Reuters)—Communist strength in Greece assumed surprise proportions Monday with the announcement of provisional results of Sunday's general election, won by Premier Karamanlis' right-wing Radical Union party.

The extreme left-wing EDA Party, successor to the banned Communist party, more than doubled its strength and seemed certain to replace the Liberals as leader of the official opposition in Parliament.

The EDA strongly opposes the building of NATO missile bases on Greek soil, chief international issue in the election campaign.

The party's achievement was second only to Karamanlis' party expected to govern again with 173 seats in the 300-seat Parliament. The Radicals won 41.1 per cent of the poll.

The neo-Communists were in a position to get some of the 100 "bonus" parliamentary seats, which under a new electoral law would be shared between the two parties tallying the largest number of votes.

Text Of Speech From Throne

OTTAWA (CP)—Text of speech from the throne read at the opening of Parliament today by Governor-General Massey:

Honorable members of the Senate, Members of the House of Commons,

It is my pleasure to welcome you to this first session of the 24th Parliament of Canada. We all recall with pleasure the historic events of last autumn when Her Gracious Majesty was present to open Parliament herself and to receive the warm welcome and wide acclaim of her Canadian subjects. We look forward to the presence this summer of Her Royal Highness Princess Margaret to take part in the centennial ceremonies of British Columbia and to visit other parts of Canada.

As further evidence of the expanding sense of mutual interest among the countries of the Commonwealth as well as the growth of the Commonwealth itself, it is pleasing and significant that we will be welcoming to Canada this summer both the prime minister of the United Kingdom and the prime minister of Ghana.

CONTINUE EFFORTS
My ministers have been glad to note the widely expressed desire of the peoples of many nations that the manifold advances of science shall be devoted to the betterment of mankind rather than to the arts and engines of war. My government will continue to make unremitting efforts to assist in the peaceful solution of international problems and in the accomplishment by patient negotiation of a substantial measure of disarmament. In the meantime, my advisers will ask your support to maintain, in co-operation with our allies, armed forces adequate to deter any potential aggression.

My government believes that the condition of international economic affairs is such as to require major concerted efforts to encourage the expansion of trade. It is accordingly very gratifying that all countries of the Commonwealth have accepted the proposal of Canada that a Commonwealth trade and economic conference be held in September of this year in Montreal.

We look forward with pleasure to the visits to Canada this summer of the president of the United States and the president of the federal republic of Germany. My ministers welcome the opportunities which these visits will afford for useful conversations.

CPR ISSUES NARROWED
My government regrets to have to report that efforts to avert a strike of firemen on the Canadian Pacific Railway were unsuccessful. It is however encouraging to note that negotiations which my ministers arranged between the parties have succeeded in narrowing the issues in dispute to the point where further direct discussions may yet resolve the question. My government continues to maintain a constant watch over developments in this situation and will be ready in the light of events to recommend such action as the national interest demands and circumstances may require.

My government will propose to you the enactment of a Bill of Rights to safeguard the rights of all persons in Canada in respect of all subjects within the jurisdiction of Parliament.

You will be asked to approve a number of measures and appropriations to continue and extend the program of my government

Child Dies After Car Accident

SAINT JOHN, N.B. (CP)—Gordon Edward Walker, 6, of suburban Brookville, died in hospital Monday of injuries suffered when struck by a car Saturday near his home. He was a son of Mr. and Mrs. Ira A. Walker.

RCMP identified the driver of the car as Charles W. Mersereau, 6, Lancaster, N.B., who was charged with operating a motor vehicle while intoxicated. He was remanded to jail until May 20.

Expect 400 Will Attend Y's Men's Convention In City

"That they all may be one", is the theme of the Maritime Y's Men's regional convention being held this week-end, May 17-19 at the Charlottetown Y.M.C.A. The increase of members attending these conventions has steadily increased the past few years and

Federal Gov't Will Fight Slump With Public Works

OTTAWA (CP)—Government legislation to fight the recession through a huge program of public works was outlined before the new Parliament Monday. Coupled with it was an appeal to Canadians to hold the line on demands to prevent a new spiral of inflation.

Prime Minister Diefenbaker's administration disclosed it plans to participate in development of a northern railway, a network of roads, construction of the South Saskatchewan dam and to launch expansion of harbors and airports to add zip to the economy.

Special winter unemployment insurance benefits will be extended by six weeks from its present termination date of May 15. More federal funds—perhaps as much as \$300,000,000—will be provided for housing loans. Provinces will be given federal aid for "certain agreed types of projects," perhaps such things as power developments already initiated in the Atlantic area.

These and other proposals outlined in the throne speech read by Governor-General Massey as

he opened the 24th Parliament with traditional pomp and ceremony will require a huge government financing operation. There already have been reports the administration will possibly face a record deficit this year.

EVER-PRESENT SPECTRE
But the administration stated money is easier to get and expressed confidence the federal government, the provinces and municipalities will have no trouble floating the necessary loans. Yet the spectre of inflation was always present. The speech warned all groups to restrain their demands which could boost prices and production costs.

While it appeared from the throne speech Parliament's main problem will be to grapple with the rather paradoxical situation of recession and inflation, it will have a busy time with other measures.

It will be asked to enact a bill of rights, restricted to matters within federal jurisdiction; a new federal agency to regulate private

Laval History Professor To Address S.D.U. Graduates

Dr. Charles de Koninck, who arrived at St. Dunstan's University last Saturday evening to deliver the principal address at the commencement exercises on Tuesday has taken ill and is a patient in the Charlottetown Hospital. Dr. de Koninck is professor of philosophy at Laval University.

Mr. Richard A. Pattee, professor of modern and contemporary history and hispanics at Laval arrived last evening by plane to take his place at this afternoon's exercises.

Mr. Pattee is a graduate of the Catholic University of America, a former student of Louvain University in Belgium and holds the degree of doctor of philosophy from the University of Coimbra in Portugal.

He was born in Mexico and after completing his education he taught in the West Indies for 10 years, in Mexico for three years, at the University of Fribourg for six years and during the past eight years at Laval University.

For the past number of years Dr. Pattee has been known as a lecturer on international affairs and particularly on the situations in Spain and Africa.

Co-operation Asked In Move To Hold Down Cost Spiral
