It's Registration Day

ONCE again we remind parents that today is registration day for boys in the Charlottetown area wishing to play baseball during the summer months.

Every youngster with the desire to participate should be at Victoria Park this morning-Memorial Field to be exact-for the registration. Lads 9 years and under register at 9 o'clock, 10-12 years of age at 10 o'clock and 13 years and over at 11 o'clock.

It is important that every boy intending to play show up this morning for Registration. Teams will have to be drawn up and this cannot be done with any degree of satisfaction without proper registration. The folks in charge are trying their utmost to arrange a good program for the youngsters but they must have the co-operation of the boys and their parents if the show is to be successful.

You can have your boys on a team if he registers today. If he misses out be'ause he failed to co-operate with those directing the baseball program, then don't go blaming the officials in charge. They have no special likes or dislikes in this minor and little league program. They are in this thing for the good of all youngsters and they want to help your lad as much as the other boy.

Talk it over with your lad. If he wants some baseball this summer, see to it that he is out there at Memorial Field to sign his name on the dotted line.

He will enjoy himself throughout the months of July and August. He will be under careful supervision and should be much the better of the time spent at this beautiful Memorial Field

Chisox Cool Yankees

NEW York Yankees found out the Al Lopez and his Chicago White Sox are dead serious about winning the American League pennant this year.

This doesn't necessarily mean that the Chisox will win the flag but the way they treated the Bombers in that last series must have made the New Yorkers stop and think.

The Yankees ar now in a series with the troublesome Boston Red Sox who entered the series a mere two and one-half lengths back of the Huskmen. The Sox could give the Yankees much to worry about if they topple them in this oresent series. We believe it's a five-game stand in the Stadium and the Bosox could conceivably throw the Yankees into third place. On the other hand, the New York outfit could explode their power and ruin Boston's hopes for their first pennant in 17 years.

And In The National

THE terrific race in Warren Giles's loop will bear plenty of watching and there could be lots of changes before you read another Guardian.

St. Louis Cardinals are entertaining Houston Colts and should have a fair chance of maintaining their slim lead. The Colts haven't exactly been any ball of fire lately.

Second place Los Angles Dodgers aren't so fortunate as they host Milwaukee Braves. The men of Bobby Bragan should be tough on the Dodgers but after all the Alstonites swept an entire series from the Reds at Cincinnati. They may keep up their drive against the power of fellows like Aaron and Mathews.

Al Dark's San Francisco Giants could succumber loads of trouble with the same Reds. Cincinnati is likely fuming over the series loss to the Dodgers and they could exercise their anger on the up and down Giants. However, Mavs, far below last season's form, could come alive and lead the Giants back on top of the pack.

Plenty Of Hopefuls

WE expect that each race will become closer over the coming weekend. Several teams are dangerously close and a few victories could put them in a real contending position. The first three in each league are by no means the only possible winners. They are others, back a bit at present, that could rise to prominence in a great hurry.

The race still sizzles.

PLEASE DROP IN

Gary Player of South Africa follows his long putt for a birdie on the 17th hole of the $110,000 Cleveland Open yesterday. But the shot went about a foot past the cup and Player had to settle for a par. He shot a two-under par 69 and continued in a three-way tie for the lead at 135 with Bo Wininger and Tommy Aaron. Par-Busting Drive Assured In Cleveland Tournament

CLEVELAND (AP)—A par busting stretch drive for the $22,000 top prize was assured Friday as 16 players were bunched over a four - stroke spread in the $11,000 Cleveland Open Golf Tournament.

Out front in the birdie barrage with seven-under-par total of 135 at the halfway mark were Bo Wininger of Oklahoma City, Gary Player of South Africa and Tommy Aaron of Gainesville, Ga. Aaron, the former Walker Cupper, fired a 66 Friday and Player and Wininger had 69s over Beechmont Country Club's 6,618 yard, par 71 layout.

CUTOFF MARK 143

Most of the favorites made the cutoff at 143—one over par. Jack Nicklaus, the Masters champion, was in a four-way deadlock at 136, one stroke off the pace, with Bob Goalby, Tony Lema and Jim Farree.

Al Johnston of Montreal and Stan Leonard of Vancouver each wound up Friday's play with a 140. Johnston added a 71 to a 69 while Leonard added a 70 to Thursday's score, also a 70.

U.S. Open champion Julius Boros made it with a pair of 69s for 138, one stroke ahead of favored Arnold Palmer who had a 68 and a 139 total.

Ed Furgol made a great comeback as he added a course record 65 to his opening 75 for a 140.

FERN FLAMAN

Fern Flaman Named GM Of AHL Reds

PROVIDENCE, R.I. (AP)—Fern Flaman, a standout defenceman in 19 years of professional hockey, has moved off the ice and into the front office as general manager of Providence Reds in the American Hockey League.

Flaman, 36, who announced his intention to retire as an active player last April, will continue as coach of the Reds. He had been player-coach for two seasons, leading the Reds to the AHL's Eastern Division championship last year. He previously had played with Boston Leagues.

"It was tough last year when I was playing and coaching," Flaman told reporters Thursday. "After a rugged game or a heavy practice session, you don't feel too much like talking. You'd rather just sit down and relax. But next year should be different."

Although his intentions are to be strictly a bench coach, Flaman, a native of Dysart, Sask., said he plans to stay in top physical condition in case of an emergency.

Uptowners Top Downtowners

The Matthew and MacLean Uptowners walloped Star Grocery Downtowners 10-5 in the opening game of the Souris Town Baseball League last night.

Maynard Paquet started for the Uptowners but gave way to Danny Mahar in the fourth after allowing four runs on two hits and seven walks. He also struck out seven. Mahar gave up two bingles and three walks while fanning seven.

He also added his own cause by hitting a perfect 3-for-3 at the plate.

Augustine Clinton went all the way for the losers, giving up nine hits and five walks while fanning ten.

Bobby Pierce of the Uptowners smashed two doubles and a triple in four trips while Leroy Walsh paced the losers with a 2-for-4 performance. League action resumes Sunday afternoon at 2.15 when the Uptowners meet Larter's Centretowners.

'Foot Feels Weak' Says Mickey Mantle

NEW YORK (AP)—It now develops that the cheering news concerning Mickey Mantle's rapid recovery from a broken foot was nothing more than wishful thinking.

The Yankee star, in New York Friday for whirlpool and ultsasonic treatment of the injured limb, doubted whether he would be able to run, let alone play, by July 11, the day of his predicted return to duty.

"The foot feels real weak," Mantle told reporters in the clubhouse Yankee Stadium, where he had reported for his treatment. "I don't see how I'll be able to play in two weeks.

"It will be at least 10 days before I can start running. Right now I can hardly walk."

The switch - hitting slugger, who suffered the fracture on June 5, wore a regular loafer shoe with a steel support on his left foot. The front of the shoe had been cut open to ease the pressure. The steel plate is to keep the foot firm.

ANKLES HURTS

"My ankle hurts worse than the foot," complained Mickey. "It's stiff and sore. Maybe I pulled some ligaments in addition to the break."

Mantle will be eligible for league play July 5 when his 30-day disability period expires.

When Dr. Sidney Gaynor, Yankee club physician, removed the cast Wednesday, he announced that the foot was healing surprising fast and that it was possible Mickey would be ready before the all-star game July 9.

Home Run Baker Dies Friday At 77

TRAPPE, Md. (AP) — John Franklin (Home Run) Baker, a baseball slugger of the "dead ball" era, died Friday at the age of 77.

The Maryland farm boy led the American League in home runs four consecutive years 1911-14 and finished with a 12-year career batting average of .308. He was named to Baseball's Hall of Fame in 1955.

Baker who suffered his second stroke in two years earlier this month, died Friday afternoon at his home in this eastern shore country where he was born.

The former star of Philadelphia Athletics and New York Yankees suffered a slight stroke in September 1961, and a relapse Oct. 2.

Late in July, 1961 he became ill while attending ceremonies at the Baseball Hall of Fame in Copperstown, N.Y. He described that illness as "flu-almost pneumonia" when he made one of his rare public appearances at Baltimore's Memorial Stadium Aug. 12.

Canada-Mexico Davis Cup Play Goes In July

MONTREAL (CP)—The Canada-Mexico Davis Cup matches will be played July 26-28 in Vancouver, the Canadian Lawn Tennis Association announced Friday.

Laird Watt, president of the CLTA, said the association decided to accept Vancouver's bid for the matches.

Montreal had been tentatively approved as the site last week after Mexico, which had the option this year, said it is willing to play in Canada.

Watt said Vancouver seemed the logical place because the Canadian tennis championships will be staged there July 28-Aug.3.

The tie will be the first round in the annual Davis Cup eliminations for both Canada and Mexico. Mexico last year surprised the world by going all the way to the finals, only to lose to the perennial winners from Australia.

The Canadian team has not been announced, but it is likely that three of the four available places on the team will be filled by Harry Fauquier, 21, of Toronto, Francois Godbout, 24, of Waterloo, Que., and Keith Carpenter, 24, of Montreal.

Bob Bedard of Lennoxville, Que., and Don Fontana of Toronto, mainstays of Canadian Davis Cup teams for eight years, have business commitments this year and are not expected to play.

Relko Favorite In Derby Today

DUBLIN (AP)—The $184,000 Irish Derby, richest race in England or Ireland, will be raced at the Curragh near Dublin today with French-bred Relko a prohibitive favorite over 16 rival three-year-olds.

The winner of the 1½-mile race will collect $137,527, and bookmakers here and in London found Relko such a strong choice that they took him off the board. Post time is 11 a.m. ADT

Relko, owned by Francois Dupre, won the French 2,000 Guineas and galloped off with the Epsom Derby by 4½ lengths. He will be ridden by Yves St. Margin, crack French jockey.

U.S. COLTS IN RACE

Three American-owned colts are in the race, on which an Irish Hospital Sweepstakes is based. They are Partholon and l'Homme Arme, owned by Mrs. John M. Olin of Alton, Ill, and New York.

Last year American-bred and French-trained Tambourine II owned by Mr. and Mrs. Howell E. Jackson of Middleburg, Va., won the Irish Derby.

With bookies refusing bets on Relko, J. R. Mullion's Ragusa and M. Sobell's Tiger received heavy backing. There also was considerable support for the Aga Khan's Cervinia, only filly in the field.

Five Canadians hold tickets on the favored Relko in the Irish Sweepstakes. A total of 129 Canadians drew sweeps tickets on the 26 original entrants, with prizes of $160,000 for first horse, $60,000 for second and $30,000 for third available for winners.

Ticketholders on any starter who runs out of the money will collect about $2,200 each, as residual prizes based on the total pool of the sweepstakes in aid of hospitals in the Irish Republic will be awarded to holders of tickets on non-starters.

Ed Bourdase Takes Lead In Tourney

MONTREAL (CP)—Ed Bourdase, a sturdy 34-year-old from Fresno, Calif., averaged 226.8 for the lead in the $20,000-plus Canadian Open 10-pin bowling championship Friday after the initial six-game block.

A pin fall of 1361 gave him an 11-pin lead over Bill Johnson of Kansas City, Mo., in a field of 96 bowlers from the United States and two Canadians vying for the $3,000 top prize.

The top 16 after 24 strings qualify for match play Sunday. This head-to-head competition offers a 50-pin bonus for each win, with the over-all winner to be determined by high score.

Bourdase, a five-foot, 11-inch, 190-pounder with short-cropped dark hair and glasses, put together strings of 195, 218, 257, 214, 244 and 233.

Harry Smith of St. Louis, Mo., followed Johnson with 1307. Then came Jim St. John of Chicago with 1293, John Fonagy of Buffalo, N.Y., with 1272 and Fred Leming of Fairless Hills Pa., with 1251.

Two home - bred enteries—Montreal's Maurice Boyer and Jacques Filion were far down the list. Boyer averaged 192.7 but said later he was dissatisfied with his game.

Filion, 26, a lanky young man with a moustache, averaged 186.5.
