

GANAM FANS ARE OF ALL AGES

Most of King Ganam's fans were not so young as these three who were thrilled to meet the popular band leader. Michell MacDonald, Edith Carbonell and Margaret Anne MacDonald seem to agree that the Charlottetown Lion's Club made a good move in bringing the Sons of the West to the Sports Arena last evening. Vocalist Tommy Hunter proved highly popular with the large crowd who attended and who also gave a warm reception to Peggy Dowling of Souris who sings with the band.

Police Give Evidence In Murder Hearing

The preliminary hearing of Roger Clarence MacLean was further adjourned to August 26 at 7:30 p.m. MacLean is charged with the murder of his step father, Walter Ross on July 27, 1958 at Orwell.

Chief witnesses last night were two members of the Royal Canadian Mounted Police — Sgt. Major D. R. George and Cpl. Stephen Wannamaker, N.C.A., in charge of Montague Detachment. Sgt. Major George identified a number of photographs which he had taken on the Ross premises on the day following the death of Walter Ross.

Cpl. Wannamaker explained the steps taken by himself in the investigations of the case. He told of sending certain exhibits away to the R.C.M.P. laboratory in Sackville.

These included samples of weeds, stained earth, strands of hair, paint chips and other things found in the house or on the premises. He stated that blood samples have been identified as human blood and the paint found on a pint rum flask showed the same characteristics as that taken from a door frame in the Ross kitchen.

The RCMP Corporal told of viewing the body of the victim. His description of the body corresponded with the evidence given by previous witnesses. He told of taking statement from the accused.

PRaises Police Work
Defence Counsel J. O. C. Campbell said he wanted to compliment the police upon the thoroughness of their investigation and the "excellent manner in which they had presented the case and given evidence".

Hints Floor On Salt Cod

OTTAWA (CP)—Fisheries Minister MacLean dropped a hint Thursday night in the Commons that the government may institute floor prices on salt cod.

He said the fisheries prices support board will meet next month in Halifax and St. John's, Nfld., to study the problem.

Attempts were being made in the direction of a fair return to fishermen for their products. One of these was establishment of the royal commission on price supports.

Mr. MacLean said the salt cod industry is the only fishery in Canada which has requested price supports.

Earlier, J. W. Pickersgill (L-Bonavista-Twillingate), said the last mention of price supports on fish came from cabinet ministers during the election campaign.

He said the cod industry is going through a serious crisis and the bait situation is "desperate."

Swift Rise Of Canada Marked

LONDON (CP)—Canada's swift rise to nationhood was reviewed Thursday in a special supplement published by The Evening Standard commemorating the 100th anniversary of the proclamation of Ottawa as the Canadian capital.

The three-page supplement contains a brief foreword by Prime Minister Diefenbaker and articles by Sir William Rootes, chairman of the United Kingdom Dollar Export Council, and Sir Roy Dobson, managing director of the Hawker Siddeley group, outlining trade opportunities in Canada.

Sir Roy, whose group includes the A.V. Roe enterprises in Canada, says he believes "Britain's own interest can best be served by our becoming very actively engaged in Canadian industrial development and investment."

"Sir William says Canada is a 'tough and highly competitive' country but one offering great opportunities to British manufacturers. 'We simply cannot afford to neglect these opportunities.'"

"In a way, this is Canada's birth year. Let us see that the candles on the cake are marked 'Made in Britain.'"

Junior Farmers Devise Novel Idea To Boost Blood Clinic

The Junior Farmers of New Glasgow have devised a novel idea to promote attendance at the Red Cross Blood Donor Clinic to be held in New Glasgow next Monday afternoon when the objective will be at least 100 donors.

They have had a special certificate printed for presentation to the highest percentage over their objective.

Mr. Elbert Orr, the energetic chairman of the New Glasgow Junior Farmers Blood Donor Committee, has impressed on the members of his committee the importance of securing as many donors as possible at this, their first clinic of this type, in order to insure a continuing supply of blood for the many patients who need treatment of this kind, as well as to make a good showing for the New Glasgow area.

Legion Making Strong Drive For Blood Donors In Rustico

Mr. Bert Blacquières, chairman of the Red Cross Blood Donor Committee for the North Rustico Branch of the Canadian Legion, reported last evening that an intensive canvass is being conducted in all the districts with in his area in preparation for this year's Blood Donor Clinic to be held in Stella Maris Hall next Monday night.

Mr. Blacquières said that he is confident the objective of 175 donors for this year's clinic at North Rustico will be exceeded by a considerable number and that he is hopeful that his group can win the "Manning Trophy" which is now the prize possession of the Belfast area where the Clinic is under the sponsorship of the Eldon branch of the Canadian Legion.

Residents in the New Glasgow — North Rustico area will have a double opportunity to share their good health with others by attending either the New Glasgow clinic in the afternoon, or the North Rustico clinic at night.

MINISTERS' AIDES Parliamentary assistants to ministers in the Canadian Commons were appointed for the first time in 1948.
