A SIMPLE QUESTION.

Sir,—If $\frac{1}{2}$ of a mile of railway, not in-
cluding rolling stock, stations, etc., cost
under a "business is business" Govern-
ment \$25,000.00, what would 209 miles
including rolling stock and all other equip-
ment cost? Or if 209 miles of railway in-
cluding rolling stock, stations, etc., let by
contract, cost under Conservative rule
\$15,000 per mile what would $\frac{1}{2}$ of a mile
with no equipment cost?
Any school boy under 10 years of age
who can give the correct answer to the
above will, by sending the same to Mr.
Fielding at Summerside receive, a pre-elec-
tion promise from that gentleman, the
value of which can be ascertained from
Mr. Leturgey.

BASKET SOCIAL AT PLEASANT GROVE.

Despite the bad roads and weather quite
a number of people from the surrounding
districts assembled in Pleasant Grove
School House, on Wednesday evening,
Nov. 30, to partake of a grand basket
social and concert. The programme,
which was of the choicest selections, was
remarkably well rendered. It was follow-
ed by the sale of baskets which were auc-
tioned in a highly creditable manner by
Messrs Brodie and Ready. After the
wants of the inner man were satisfied, the
crowd dispersed feeling satisfied that their
meeting together was not in vain. The
following is the programme:

Opening Speech.....Michael Ready
Song.....John and Francis McCabe
Dialogue.....J McKinnon and J Lennon
Recitation.....Peter Brodie
Song.....Miss Cars
Dialogue.....A McKinnon and R Hudson
Recitation.....Arthur Wyatt
Song.....Miss Cars
Dialogue.....A Doyle and P McGrath
Stump Speech.....Edward Wyatt
Recitation.....Angus McKinnon
Song.....John and Francis McCabe

The people of Pleasant Grove, desirous
of expressing their thanks to the several
districts for the liberal support given on
the occasion take this opportunity, feeling
satisfied that the unity and co-operation
which now exists between them is destined
to increase more in the future than it has
in the past.

OBITUARY.

Mr Ernest Kemp, of Brighton Road
has just received by mail particulars of
his father's death, Mr Frederick Kemp, of
Whitstable, Eng., in a collision at sea re-
sulting in the loss of the above and another
man. The week before last Mr Kemp re-
ceived a cablegram stating that his father
was missing in a collision, and has been
anxiously waiting for particulars which
have just arrived. It appears he had gone
with his vessel, the "Sir Robert Peel," to
Burnham, in Essex, only 30 miles distant,
for a cargo of English oyster-brood to be
laid on the Whitstable Oyster Company's
grounds, valued at £2,000 or \$10,000.00;
when about half way on the homeward
passage at midnight on the 19th ult, with
fine clear weather, a screw collier, the
"Dawton," of Sunderland, ran into her cut-
ting her in two. The vessel sank immedi-
ately, throwing all hands into the water. A
boat was lowered from the steamer which
picked up two of the crew. The two men
who were saved were below, and being
warned of the danger came on deck lightly
clad, while Mr Kemp and the other man
were heavily clad and boote; neither were
seen again after the vessel foundered. It
will be remembered that Mr Kemp who
was an authority on and an expert in the
culture of oysters, accompanied his son to
Canada in 1892, inspecting the oyster areas
of Prince Edward Island and New Brun-
swick, and during his short stay made many
friends. He was 65 years of age and leaves
a widow, four sons and four daughters to
mourn their loss.

Local and Other Items

THE WEATHER.—Fresh to strong south
to west winds, little change in tempera-
ture.

CITY COURT.—The city court was in
session this forenoon. There were several
cases on the docket.

CITY COURT.—The defaulters list is ready
for publication. Those in arrears should
govern themselves accordingly.

MORE CHEESE.—Mr T. J. Dillon ship-
ped 405 boxes of cheese by the Princess
this morning. It is for the London market.

THE NEWFIELD.—The str. Newfield ar-
rived this morning with the Cape Torment-
ine and Tryon buoys. For next trip
will be to Wood Islands.

EAST PRINCE.—This is nomination day
in East Prince. There will be a special
train to Summerside this afternoon, leav-
ing Charlottetown at 3.15.

CENTRAL CREAMERY.—The Central
Creamery is now in full blast. A new
Alpha De La Val Separator has been put in
by Mr. T. A. McLean, and is doing excel-
lent work.

THE QUEEN.—"The Queen of Hearts she
made some tarts" and will sell them at
Mother Goose's Market in St Peter's Hall
next Tuesday, with pies and cakes and a
host of other dainties.

MORE OATS.—The barkentine Meteor,
Griffiths master, will probably finish load-
ing for Great Britain tomorrow. She will
take about 33,000 bushels. The Messrs
Richards, of Bideford, are the shippers.

MORRIS PROPERTY.—The Morris prop-
erty on lower Queen street has been pur-
chased by Mr Lawrence Dudier, who has
for the past four years been a resident of
Shediac.

AN ENTERTAINMENT PUT OFF.—Owing to
circumstances over which they had no con-
trol, the Cardigan Dramatic Club will not be
able to act "Ten Nights in a Bar-room" in
New Perth Hall on Friday, Dec. 16th, as
advertised in last week's issue.

ST. JOSEPH'S SOCIAL.—The social in St.
Joseph's Convent last evening was most
successful. The attendance was large,
and everyone had a good time. The splen-
did programme of vocal and instrumental
music, etc., prepared for the occasion was
rendered in a manner that was highly
creditable to all who took part and delight-
ed those who were in attendance. Mr. E. H.
Norton "auctioned off" the baskets in his
usual good style. The snug sum of \$105
was realized. The Sisters of the Convent
desire through THE EXAMINER to thank all
who in any way contributed towards the
success of the social.

OPERA HOUSE.—The Robinson Opera
Company gave their second entertainment
last evening, presenting Said Pasha in an
admirable manner. The work through-
out was excellent, and the audience was
generous with its applause. Miss
Jarbeau, as the daughter of the
Pasha, acquitted herself well, as did Miss
Gonzalez as the Queen of Altarah. Mr
Nelson sang the role of Hassan Bey, and
did it in an excellent manner. Mr Holmes
was also good as Terrano, the Mexican.
Messrs Whyte and Young, the comedians of
the company, furnished a good deal of
amusement, their every appearance being
the signal for laughter. Mr Whyte's song
was so funny that he was twice recalled.
In connection with the presentation some
very pretty costumes were introduced. To-
night the Chimes of Normandy will be
produced, and there will probably be a full
house.

AT REVOIR TO CAPT. JACKSON.—At the
conclusion of evensong last Sunday the
rector, the Rev. J. W. Godfrey, and the
congregation of the church of St. Alban
the martyr, Souris, waited on Capt. Wm.
H Jackson G A B, of Boston, in the
vestry. Mr A E Clarke, on behalf of the
congregation, expressed the warm feeling
of friendship that they felt toward the
Captain and their appreciation of his
thoughtful and disinterested efforts on be-
half of St. Alban's. He referred particu-
larly to Capt. Jackson's kindness in act-
ing as a lay reader in the church and as
superintendent of the Sunday School.
Mr Clarke also thanked him for the hand-
some altar and prayer desk he had
presented to the church. After wishing
Capt. and Mrs Jackson a pleasant winter
in Boston and hoping they might soon re-
turn to their summer home, Mr Clarke and
each of those present in turn shook Capt
Jackson's hand and said good-bye.
