

Math & CS Open House

The Math and Computer Science Society invites everyone to visit first floor Memorial building this coming weekend to see our great displays as part of the University's Open House. The society, along with the Math & CS Department, will present a number of exciting displays incorporating both Math and Computer Science. Information about society activities and Mathematics and Computer Science courses, as well as various computer software demonstrations, will be presented.

So, come on over and see us on Saturday 9-4 and Sunday 1-4.
Terri Blanchard,
President Math&CS Society.

STAFFING SCHEDULE

STUDENT UNION MINI CENTRE

TUESDAY	Lisa Chandler	Paul Griffith	Jennifer Bartlett	Andrea Ledwell
WEDNESDAY	Lisa Chandler	Paul Griffith	Paul Griffith	Paul Griffith
THURSDAY	Lisa Murphy	Paul Griffith	Mike Mayne	John MacDonald
FRIDAY	Lisa Chandler	Paul Griffith	Mary Anne FILE PATRICK	

How It Works

The purpose of this Volunteer Bank is to create a file of names and numbers of people who want to be involved in their university. This is how it works:

1. You must complete the form
 2. Drop it off at the desk (in the slot) or at The Barn.
 3. We collect and compile them in our computer.
 4. A list of interested people under each activity will be given to the heads
- Of the particular groups; for example the Biology Executive will receive all the names and numbers of those individuals wanting to get involved in that club.

This is all in the planning stage and hopefully all the bugs and flaws will be worked out. What we need is your support and assistance to make this service a beneficial one. So don't forget to fill out the volunteer file form.

Fill it out!! Drop it off!!

VOLUNTEER BANK

NAME _____ Phone # _____ Year _____

Please indicate, if you are involved in any of the following activities or clubs, or if you would like to become involved. This information will assist in the creation and implementation of the SU Volunteer Bank, which will be working to involve more students in their Student Union and campus activities.
Thank you
