LIBERAL-CONSERVATIVE CONVENTION.—The Liberal-Conservative meeting at Vernon River on the 29th ult. was a grand success. Each electoral district in the riding was well represented. A Liberal Conservative Association for East Queen's was organized on a sound, solid basis. The officers are:

President—Alex. Martin, Esq.
Vice-President—Donald McKay, Esq.
Secretary-Treasurer—A. McInnis.

APPOINTMENTS GAZETTED.—The following appears in the Canada Gazette of Saturday, under date of June 8:—

Francis Longworth Haszard, of the City of Charlottetown, in the Province of Prince Edward Island, Esquire, Barrister-at-Law: to be one of Her Majesty's Counsel learned in the Law.

William S. Stewart, of the City of Charlottetown, in the Province of Prince Edward Island, Esquire, Barrister-at-Law: to be one of Her Majesty's Counsel learned in the Law.

AN ISLANDER DROWNED.—Duncan R. McLeod, cutter in the tailoring establishment of C. B. Pidgeon, St. John, N. B., with a friend went on a fishing excursion to Popologan Lake, a short distance from that city, on Dominion Day. It appears that McLeod was standing in about six inches of water, when he stepped out a little further and went beyond his depth in a hole about ten feet deep. A man who was near by tried to save McLeod by reaching out a pole to the drowning man, but he seemed so excited that he could not keep hold of it and sank to the bottom of the lake. The body was subsequently recovered. McLeod was about thirty-five years of age, and leaves a wife and one child to mourn. He was a native of Bradalbane, in this Province, and previous to his leaving here four years ago was employed as pressman in McLeod & McKenzie's tailoring establishment.

THE FIREMEN'S TOURNAMENT.—The programme of the firemen's tournament to be held at St John on the 14th and 15th of August is as follows:

1—Hose cart race, open to ten men from each department. To run 300 yards, attach to hydrant, stretch 200 feet of hose, and put on branch pipe. First prize, $150; 2nd, $75; 3rd, $25.
2—Hook and ladder race. Five men to run 50 yards, raise 39 foot ladder and one man to ascend to top. Prize, $25.
3—Salvage Corps race, 100 yards; prize, value $10.
4—100 yards, open to drivers of apparatus; prize, $10.
5—100 yards, open to all firemen; prize, $10.
6—Tug-of-war, open to ten men from each department; first prize, $30; 2nd, $20.

There will be a parade of firemen on the morning of the 14th, and a torchlight procession in the evening. The tournament sports take place on the afternoon of the 15th.

FOR BOSTON.—The steamer Florida left on return to Boston last evening with a freight which included 1,150 cases of lobsters and about 150 cases eggs. The passengers were: M J Sims, M J Byrne, Jos Carver, M F Power, Jos F Murphy, Arthur J Murphy, Patk S Hughes, John P Cahill, Albert Doiron, Jas E McCarvill, Æneas A Sheehan, John Gregory, Chas McDonald, William Mallard, John Walsh, Kenneth McDonald, A B Jackson, Mrs Helen Knowlton, Mrs Mary Kickham, Mrs. Robert Stewart, H Carvell, Mrs. C Davy, J Musick, Mrs. John Robertson, Mary Abbott, Mrs. R M Moore, R M Moore, Miss Langill, P H Byrne, Mrs. Gilbert Richer, J S L Barnard, Frank Gaudet, J S Christopher, Dominick Arsenault, John Gallant, Clare S Arsenault, Joseph F Gallant, Jas O Arsenault, Jas LeClere, Etienne Bernard, Andrew A Perry, Jas A Gallant, Pius Ellis, Joseph R McKinnon, Russel Gillis, John F Hennessey, Albert E McDonald, Michael J Cunningham, Isabelle Matheson, Julia Costin, Maggie Welsh.

A NARROW ESCAPE — The wonder is that at least half a dozen lives were not lost by the recent accident on the Windsor and Salisbury Railway, to which reference was made in THE EXAMINER of Saturday. When two cars fall with a 100 foot span of a bridge some thirty-five or forty feet into ten feet of water in the bed of a tidal stream, there is bound to be a smash; and there is the additional possibility of somebody being drowned. And this last is just what several escaped. Miss Coonan, daughter of Captain Coonan, of Albert, had several cuts about the face, and was badly bruised about the body and limbs, but no bones were broken. She was insensible for half an hour after the accident. When found she was lying in the bottom of the car, with the water pouring in around her, and her head caught by a seat in such a way that she must have drowned in a few minutes more. Miss Coonan was on her way home from Massachusetts, where she is a nurse in a hospital. She graduated at the Convent de Notre Dame, in this city, two or three years ago. Her sister, Miss Bertha Coonan, graduated at the same institution this year.

THE WEATHER.—Fresh so strong southwesterly to westerly winds; showery at first then clearing.

SAD CASE OF DROWNING.

Charles P. Knight, of Souris, who has been in poor health for the last year or so, has been in the habit of bathing at Norris Pond, which is about three quarters of a mile east of Souris. Last evening he did not return home at the usual time, and his friends becoming uneasy about him, went looking for him. His hat and clothes were found on the shore. Further search was made but the body was not found till this morning. An inquest was held before Dr. Muttart, coroner, and a verdict of "Accidental Drowning" returned. Deceased was about 41 years of age, was married, was the eldest son of the late John Knight and had lived for a number of years in Winnipeg. We sympathize with his wife and family.

MARRIAGE BELLS.

Mr. Robert Russell, of THE EXAMINER office, celebrated Dominion Day in a most becoming manner. In the Roman Catholic Chapel, at Lowell, Mass., at an early hour on Monday morning, he was united in marriage to Miss Ida Keefe, formerly of this Province. The interesting ceremony was performed by Father Lenon. Miss Josie Keefe was the bridesmaid, and the groom was supported by Mr. Joseph Keefe. After the ceremony and wedding breakfast, the happy couple left *en route* for Charlottetown, amidst showers of rice and good wishes. They arrived last evening and are now busily engaged receiving the congratulations and best wishes of their hosts of friends, to which we may be permitted to add those of THE EXAMINER staff.

SCHOOL OF SCIENCE.

Opening meeting of the Summer School of Science this evening in the Opera House, commencing at 8 o'clock, Prof. McLeod, Chief Superintendent of Education, presiding. Addresses will be delivered by Lieut.-Governor Howlan, Mayor Dawson, Premier Peters, Hon. L. H. Davies, Dr. Anderson and Prof. Andrews, of Mount Allison University. Mrs. Harrison, of Sackville, N. B., will sing and Mr. Raymond Archibald will give a violin solo.

The School will assemble in the Upper Prince Street School building to-morrow at 8.30 a. m., when classes will be organized in the following subjects: Botany, chemistry, elocution, English literature, geology, kindergarten, mineralogy, music (tonic sol fa) pedagogics, physics, physiology, psychology and zoology. Upwards of thirty of the teachers of P. E. Island have made application to the Secretary for admittance to the classes, and a number more have intimated their intention of doing so.

THE BOYCOTT.—The Women's Christian Temperance Union of Brooklyn, New York, have resolved to boycott those grocery stores where liquor is sold and to discontinue all dealings with merchants who order wine for their customers, as it is charged some of the dry goods dealers are in the habit of doing.

THE SALE at the late residence of Mr. John Ball takes place to-morrow at eleven o'clock. Bargain hunters should make a point of attending.

THE GLORIOUS FOURTH. — This is "a great day" in the neighboring Republic.

The earlier symptoms of dyspepsia, heartburn and occasional headaches, should not be neglected. Take Hood's Sarsaparilla to be cured.

USE SKODA'S DISCOVERY, the great blood and Nerve Remedy.

A FEW WORDS ABOUT OUR SILVERWARE

will interest all our patrons. There is nothing which everyone so much desires as a handsome table service. It takes silver to fill the bill, and fine silverware is the pride of every housekeeper. It's an opportunity lost not to look at our stock of tables silver, of rich, elegant, beautiful, and novel designs and patterns. These goods exemplify the latest triumphs of the silversmith's art in the production of knives, forks, butter dishes, cream pitchers, sugar bowls, celery holders, tea pots, fruit baskets, etc. The durability of silver makes it cost comparatively little in the end.
New Fish Carvers, Fruit Spoons, Bread Forks, etc., just received.
