CMI Control Transferred

TORONTO (CP)—Control of Canadian Motor Industries Ltd., a distributor of Japanese-made cars, has been transferred from Clairtone Sound Corp. Ltd. of Toronto to Japanese interests, it was announced here.

In an interview, Peter Munk, who is both Clairtone president and CMI chairman, said a 61-per-cent controlling interest in CMI has been purchased by Mitsui and Co. (Canada) Ltd., a trading and financial company, and two auto makers, Toyota and Isuzu.

Mr. Munk said negotiations for the take-over have been proceeding since last December.

Under the revamped ownership arrangement, he said Clairton will have a 28-per-cent interest in CMI while the remaining 11.4 per cent of the company's shares will be held by a Western Canadian group.

Conspiracy Case Dropped

TORONTO (CP)—Charges of conspiracy against 11 Ontario construction companies were dismissed because the arrangement entered into by the companies failed to lessen competition.

This was the ruling of Mr. Justice A. R. Jessup of the Ontario Supreme Court, handed down here.
