V COLLISION REPORTED.

Fears Entertained for a Nova Scotia Schooner.

(SPECIAL TO THE EXAMINER.)

PORTLAND, ME., Nov. 24.—The passenger steamer Numidian arrived here yesterday and reports that the steamer was in collision with the schooner Alma, of Lockeport Nova Scotia, on Wednesday morning and that after towing the schooner till Thursday the latter broke away and has not been heard from since.

The Alma, they say, was leaking badly at the time and the fear is expressed that she may have gone down.

The Alma carried a crew of seven men, and two of the Numidian's men were placed on board the schooner after the accident to assist at the pump. The captain of the Numidian will not make any statement regarding the affair saying that he desires first to make his report to the British Vice-Consul here.

HALIFAX, Nov. 24.—The schooner Alma arrived in Halifax on Saturday and is still in port. As the Numidian only left here on Wednesday morning the collision occurred not far west of this port. The wrong name of the schooner has evidently been given. The name may have been Anita.

ACTIVITY OF THE BOERS.

The News Considered Most Disquieting.

(SPECIAL TO THE EXAMINER.)

LONDON, Nov. 24.—The Star, commenting on the report that General Botha with his commando is close to Dewetsdorp, regards the news as most disquieting and says we have heard many strange and unverifiable stories. But one thing we know, that French was pursued all the way from Middleburg to Standerton and get through the terrible neck of the mountains only by the skin of his teeth.

Proceeding, the Star suggests that Botha pursued the British and marched southward joined hands with DeWet and that thus Bloemfontein is endangered and the Orange River Colony will have to be reconquered before the subduing of the Transvaal can be commenced. In connection with the above a belated telegram announces that Gen. French arrived at Johannesburg Nov. 17th.

Superannuations at Ottawa.

(SPECIAL TO THE EXAMINER.)

OTTAWA, Nov. 24.—A. Gobeil, Deputy Minister of Public Works, has applied for superannuation on account of ill health. It is rumored that Collingwood Schreiber, Deputy Minister of Railways and Canals, will be superannuated immediately and succeeded by T. D. Reid, at present law clerk of the department and a great friend of Blair's.

Military Order.

(SPECIAL TO THE EXAMINER.)

KINGSTON, Ont., Nov. 24.—An order of Gen. O'Grady Haley's has been put into effect at a field battery which prohibits the sale of spirituous liquors and allows the sale of beer and lager only. The men do not take kindly to the new orders.

OPENING OF PARLIAMENT

Will Probably Occur in February

(SPECIAL TO THE EXAMINER.)

OTTAWA, Nov. 24.—Although no date has been decided upon it is understood that the Government contemplates an early session of Parliament. The last session of Parliament met February 14, and the date will likely not be any later for the approaching session. If possible it may be earlier, and the Government therefore expects to meet the House towards the latter part of January or early in February at the latest. The session in all probability will be a short one.

The number of cheese boarded was 62,440, and the number sold on the board 29,124.

It does not necessarily follow that 33,316 cheese were sold on the curb or off the board. Factories not selling often left the same number on from one board day to another, and thus the same cheese were counted twice and sometimes oftener. The percentage of sales was better than last year. Many of the leading factories sold all or about all the output on the board.

The highest price paid was 11 1/2 and the lowest 9 1/2; the average price was 10 1-5. The buyers were Dillon & Spillet, Horace Hasard, A. J. Biffin, Carvel Bros. and Auld Bros.

OBITUARY.

There died at the residence of his son, John Doyle, at Gallas Point, on Sunday last, the 18th inst., at the advanced age of 104 years, Francis Doyle, a very respectable and worthy citizen of the place. He was born in County Wexford, Ireland, on the 10th of March, 1796, and had lived till March next would have attained his 105th year. He came to this Island in 1836 and kept store for the late Mr. Dennis Reddin, in Georgetown, for some years. He then moved to Gallas Point and lived with his father on the same farm on which he died. He married, in 1845, Alice Dermoily, who died in 1875. Mr. Doyle engaged in farming and was a very successful farmer, having one of the finest places in that section. He was a very intelligent man, having a mind well stored with the history of his native country and being very entertaining in conversation. In his young days he served mass for the late Rt. Rev. James Doyle, Bishop of Kildare and Leighlin, the celebrated I. K. L., in the parish of Greighnamanna. He knew Judge Norberry who sentenced Robert Emmet. He often heard O'Connell speak, and could recite many of his speeches. He was the father of nine children of whom eight survive him. One of his daughters is a nun in the Dominican Order in New York and his youngest son, Patrick Francis, who graduated from St. Danstan's College in 1898, is now preparing himself to become a priest of the same order in Ohio. His remains were interred in the cemetery at Vernon River on last Tuesday morning. His Mass and funeral service being performed by his pastor, Rev. Dr. Doyle.
