

12,000 Acres Are Sought In Louisbourg Fort Area

LOUISBOURG, N.S. (CP) — Expropriation proceedings have started for acquisition of more than 12,000 acres around this Cape Breton fortress town as part of a multi-million-dollar restoration program for the Louisbourg Fortresses.

The land is being bought by the provincial government and will be turned over to Ottawa for the department of northern affairs and national resources to restore and operate as part of the vast Louisbourg historic site and national park.

Notice of expropriation was published Saturday and was confirmed by authorities here. With the acquisition of the land, an 11,350-acre section surrounding the fortress and a 1,050-acre lot east of the town, the restoration program will spread far afield of the actual 37-acre walled fortress of which the French and British fought for possession in the mid 1700s.

When completed, the \$12,000,000 restoration project will cover about 23 square miles. Most of it is to be done in time for Canada's centennial in 1967. Included in the expropriated sections are the spots where General Wolfe's troops landed and slogged overland, to attack the fortress from the rear, and battery point on the opposite side of Louisbourg harbor where fire was directed at the fortress.

OBITUARY

MRS. EMMA MAE CAMERON
There passed on to her eternal rest at the P.E.I. Hospital on January 1, 1962, Emma Mae, beloved wife of Sidney G. Cameron. Born in Clinton, P.E.I., in 1879, daughter of the late John Frizzell and Catherine Sentner Frizzell, she spent her early childhood there. In 1907 she married Sidney Cameron and moved to Margate where they resided until 1939 when they took up residence in Charlottetown.

Mrs. Cameron was the last surviving member of a family of twelve. She was a devout church member and always attended the services until ill health kept her home. She was injured in a fall in August, 1961, which she suffered great pain and was hospitalized at frequent times from it. On December 18, she was taken to the hospital with a heart seizure. There all medical and nursing care were given her but the Lord willed otherwise and she passed away on the above mentioned date.

Besides her sorrowing husband, there are left to mourn the loss of a beloved mother, four sons and one daughter, namely: Alfred, Charlottetown; LeRoy, Charlottetown; Eldon, Halifax; Frederic, Toronto, and Florence (Mrs. Earl Lavars), Charlottetown, who tenderly cared for her during a lot of her illness. A daughter, Glen, predeceased her in 1936. There are ten grandchildren, twelve great-grandchildren and a number of nieces and nephews in U.S.A.

The funeral service was held from the MacLean Funeral Home on January 5, with the Rev. Mr. Ball officiating. The hymn, "Abide With Me", and a solo, "The Old Rugged Cross", sung by Mrs. C.T. Vallis, were both favorite hymns of the deceased. Interment was in the Summerfield cemetery.

The pallbearers were, Thomas Rogers, Wilfred Cudmore, John MacLean, David Birt, Roy Thompson and Harold Woodside.

FLORAL TRIBUTES
Pillow — Family.
Spray — Grandchildren, Ted, Earlene and Family.

Spray — Margaret, grandchildren, Keir and Vera.
Spray — Grandchildren, Sterling, Andria and Clara.

CARD OF THANKS

Mr. Sidney Cameron and family wish to sincerely thank Dr. Saunders and nursing staff of the P.E.I. Hospital for their kindness during Mrs. Cameron's illness and death. A special thank you to Mrs. Floyd MacKinnon, R.N. who was so kind and considerate at the end. To all relatives, neighbours, and friends, to Rev. Mr. Ball, Mrs. C. T. Vallis, the MacLean Funeral Home staff and the pallbearers, to those who sent cards, flowers

PROFESSOR DIES
HAMILTON (CP) — Professor Norman J. Thomas, who graduated from the Ontario Agricultural College in 1923 and stayed on for 35 years as a member of the staff, died in hospital Wednesday following a post-operative heart attack. He retired a year ago. Professor Thomas, first appointed to the staff of the chemistry department at the Guelph college, transferred to the department of soils where his name was associated with early experimental work in soil fertility.

U.S. Steel Gives Report

NEW YORK (AP) — United States Steel Corp. has reported 1961 net income of \$190,200,000, equal to \$3.95 a share. Directors declared the usual quarterly dividend of 75 cents. This was the lowest earnings total since net income of \$143,600,000 in 1952.

Earnings for the year compared with \$304,530,681, or \$5.16 a share, for 1960. Record high earnings of \$419,406,956 or \$7.33 a share were posted in 1957. The company, biggest steel-maker in the U.S., had net income in the final quarter of 1961 of \$47,400,000 or 76 cents a share. This compared with \$58,632,841 or 97 cents a share in the last three months of 1960. The corporation's 1961 earnings represented a return of 3.7

per cent on sales of \$3,396,900,000. This compared with a 1960 return of 8.2 per cent on sales of \$3,696,500,000. United States and foreign taxes on income were estimated at \$161,000,000 as against \$260,000,000 in 1960. **TORTURE IMPLEMENT**
An ancient instrument of torture in England was the boot or bootikin, a wooden mallet driven forcibly between the boot and calf.

Montreal Drops Carnival Ball

MONTREAL (CP) — A \$30-a-couple costume ball—planned as the highlight of Montreal's winter carnival—has been cancelled following criticism by Mayor Jean Drapeau that the city lacks the proper spirit for such a celebration. The ball had been scheduled for Feb. 9.

Carnival spokesmen said today that, despite the cancellation of the ball, other activities will go on as planned. Mayor Drapeau said during a recent radio broadcast that Montreal isn't the proper place for a carnival. "Montreal is a big city with the character of a metropolis and I do not think you will find any big metropolis anywhere in the world which has a carnival. In Ontario, for example, there is the immer festival at

Stratford. But it would be unthinkable for Toronto to organize a big festival that would compete with the one in Stratford." Montrealers, the mayor said, should support Quebec's winter carnival and ones organized in Laurentian resorts but forget about one of their own. **MORE DRINKS**
Quantities of beer, sparkling beverages and ice increased 25 per cent during 1960 in the republic of Viet Nam.

EXECUTIVE DIES
MAPLEWOOD, N.J. (CP) — George Francis Foley, 63, a native of Whittier, Ont., who was chairman of the River Plate and Brazil steamship conferences of New York, died Sunday following a brief illness. During the Second World War Foley served as shipping adviser to the U.S. on ordnance of inter-American affairs and also sat on the board of economic warfare. He moved with his family to Boston as a child.
