Bridget Newell Favorite For British Golf Title

Derbyshire Miss Will Meet Lone United States Survivor In Fourth Round Today

(C. P. Cable By Guardian's Special Wire)

SOUTHPORT, Eng., May 19—Miss Bridget Newell, young justice of the peace from Derbyshire, emerged victorious from a pair of hot fights today to become favorite for the British women's golf championship as the challenging United States contingent was cut to a single player.

The 24-year-old Miss Newell, who captured the qualifying medal and upset defending champion Morgan in the first round, added another pair of well known homesters to her list of the vanquished in the second and third rounds. In the morning the long-stroking Bridget turned back Diana Fishwick, 1930 titleholder, two up, then went on to win 3 and 2 in the afternoon over Mrs. H. V. Newton.

At the end of a wild windy day which saw the American menace scattered all over Southport's sandhills, only Marion Miley, tall daughter of a Kentucky professional, remained to combat seven Englishwomen for a trophy which has never crossed the ocean.

Eliminated

Four United States Curtis Cup players fell before British opponents. Patty Berg, Minneapolis, and Mrs. Leona Cheney, Los Angeles, were put out in the morning. Mrs. Maureen Orcutt Crews, Coral Gables, and Charlotte Glutting, South Orange, N. J., were eliminated in the third round.

The triumph and then the disaster which befell Charlotte Glutting was dramatic. Apparently beaten in the morning by Dorothy Pearson, former English close champion, Miss Glutting won the last four holes, three of them with birdies, to square the match on the home green. She won out at the 21st.

But in the afternoon she could not keep going against the brand of golf Pam Barton, runner-up the last two years, fired at her on the last nine. Pam ended the fight on the 16th a 3 and 2 winner.

Stirring Match

Miss Miley kept the American's hopes alive only after a stirring 19-hole match against Elsie Corlett, who had put Miss Berg out on the last green a few hours before.

Tomorrow, the Kentucky girl is drawn against Miss Newell, who is shooting the greatest golf of her career.

Following are the pairings tomorrow:

Kathleen Garnham vs. Mrs. Edith Rhodes.

Pam Barton vs. Doritt Wilkins.

Marion Kiley vs. Bridget Newell.

Molly Gourlay vs. Jean Hamilton.

Semi final matches will be played tomorrow afternoon, and the two survivors will play 36 holes for the title Thursday.

Detroit Fans Worried Over Tiger Showing

(A. P. by Guardian's Special Wire)

DETROIT, May 19—Adherents of the world champion Tigers are wondering if their luck has run out, as many baseball men predict it would.

After two seasons as American League pennant winners, the Detroit pitchers have become in-and-outers, the outfielders are not hitting, and the infield has been broken up. The team batting average has dropped to .256, and eight or 10 are left on bases almost every game.

The club's first hold-out problem in years, a long salary dispute with Hank Greenberg, marked the training season. A short time after Greenberg signed up, he suffered a double fracture of his left wrist.

Jack Burns, hastily acquired from St. Louis Browns to replace Greenberg during the six weeks or more he is expected to be out of uniform, suffered spike wounds shortly after he reported and was out of the lineup for a short time.

Manager Mickey Cochrane had trouble with his eyes, Roxie Lawson suffered a split finger, and most of the pitchers developed sore arms.

Jamaica Mixed Doubles Pair Defeat Canucks

(C. P. By Guardian's Special Wire)

KINGSTON, Jamaica, May 19—The Jamaica mixed doubles pair of W. F. Coke and Miss Edna Dacocta today defeated Gilbert Nunns, Canadian ace, and Mrs. Edwards, Uruguay champion, 4-6, 8-6 and 8-6.

The match, played on a heavy court affected by recent rains, was continued from Saturday at one set each. The Canadian and his partner had taken a 4-6 defeat in the first set but won the second, 7-5 before play was called.

Today the Jamaicans pulled ahead of their opponents to register the first home win over the visitors after being behind 1-5 in the final set.

Lindstrom Goes Into Retirement

(A. P. by Guardian's Special Wire)

NEW YORK, May 19—Freddie Lindstrom, "boy wonder" of John McGraw's 1925 pennant-winning winning New York Giants, hung up his baseball glove today.

Although only 30 years old, with 12 full major league campaigns behind him, the veteran outfielder and former third baseman notified the Brooklyn Club he believed his playing days were over and asked to be placed on the voluntary retired list.

A leg injury suffered last Friday in the game between the Dodgers and Pittsburgh Pirates was believed to have prompted Lindstrom's decision. He played in 26 of the Dodgers 29 games this year and batted only .264.

Hockey Players Return Home

(C.P. By Guardian's Special Wire)

MONTREAL, May 19 — Eleven Canadian hockey players returning home after a winter of hockey in England arrived here today.

Among them were Jim Foster of Winnipeg, former Moncton Hawk, Edgar Brenchley of Niagara Falls, Ont., Earl Nicholson of Regina, J. Coward of Fort Francis, Ont., E. Gales of Ottawa and Jim Forsyth of Jasper, Alta.

Brenchley, Foster and Coward were members of the United Kingdom's Olympic team which defeated Canada for the world's amateur hockey championship.

Red Sox Win Sixth Straight Game From White Sox 4-2; Cubs Lose To Bees 6-5

(A. P. By Guardian's Special Wire)

CHICAGO, May 19.—Capitalizing on four hits and a brace of errors, Boston Red Sox today hung their sixth straight defeat on White Sox, winning 4-2 at Chicago.

Tom Yawkey's gold-plated clan had somewhat of an off day at bat, managing to nick Monty Stratton for only four hits, but they made the most of them. Heinie Manush collected a triple and a single, while Oscar Melillo and Roger Cramer got a single apiece.

Johnny Marcum started on the mound for the Red Sox, but was removed early in the eighth inning after Mike Kreevich and Mule Hass singled with Boston leading 4 to 1. Fritz Ostermueller was sent in and finished the game, yielding one run and one hit.

Tommy Bridges returned to form to hold Washington to four hits and give the Tigers a 4-2 victory for a clean sweep of the three-game series with the Senators at Detroit. He struck out five and walked one batter.

Bridges, knocked from the box by Philadelphia in his last appearance, allowed but one hit in six innings. Stone's triple and an infield out scored one in the seventh, and singles by Powell and Lewis and another infield out counted another in the ninth.

The Browns, snapping out of an extended slump, clipped short a late Philadelphia rally today and swept their series with the Athletics at St. Louis with an 8-4 victory, their sixth of the season.

Rogers Hornsby's rejuvenated batters got to the ball early and Gordon Rhodes, Philadelphia right hander, first of four visiting pitchers to take the mound, was jerked in the sixth after he had let five runs across.

New York Yankees finished with a rush at Cleveland to win their fifth straight victory over Indians, 10-4.

Scoring seven runs in the last three innings, they made a one-sided contest out of what had been a tight pitching duel between Monte Pearson and George Blaeholder for the first six heats.

In chalking up his fourth straight triumph of the season, Pearson, former Indian traded to the Yankees for Johnny Allen, held his old mates to seven hits but issued eight passes as he trimmed them for the second time in two starts.

NATIONAL LEAGUE

BOSTON, May 19.—(C.P.)—Wind, dust, rain and the Boston Bees descended upon Chicago Cubs today and the National League champions lost 6-5 as the Bees batted Lonnie Warneke out of the game with a six-hit, four-run rally in the third inning.

Larry French and Clay Bryant also appeared in that third inning and it was Bryant who, in the fourth, was touched for Boston's two winning runs on a pass to Gene Moore and singles by Bucky Jordan, Tony Cuccinello and Rupert Thompson.

Cubs big third inning score came through Hack's single, English's sacrifice, Warneke's single, Herman's single, Klein's walk and Gabby Hartnett's double, all of which produced four runs.

Down The Sports Trail

(By Paul Mickleson Associated Press Sports Writer)

NEW YORK, May 19—Down the sports trail on a rainy May day with the shut-ins.

Diamond Dust—You can't satisfy a big league baseball manager. Joe McCarthy and Frankie Frisch, master minds of the Yankees and Cardinals, were peeved in the spring when any travelling correspondent hazarded the opinion they were breaking up. Now, they are worried because the same correspondents already are hanging the accolade of pennant winners on their ball clubs. McCarthy, especially, thinks it's a plot to make his players too cocky and light headed.

Several managers already are hearing the anvil chorus in the distance but all should hang on to their jobs for the rest of the season because the magnates are happy over the rise in gate receipts. Fans are howling at Steve O'Neill at Cleveland, Jimmy Wilson at Philadelphia and Professor Casey Stengel at Flatbush. The White Sox are outdrawing the National League champs.

RETURNS TO SOUTH AFRICA

LONDON—R. J. Williams, reserve wicket-keeper of the South African cricket team that toured England last summer has returned to Durban because of his father's death. He stayed here during the winter.

Canucks Bid For Doubles Title Fails

(C. P. by Guardian's Special Wire)

PARIS, May 19—Robert Murray of Montreal and Laird Watt of Toronto, former Davis cuppers carrying Canada's lone bid for the doubles championship in the French hard court tennis tourney, went out today in the first round. Roland Journu and Paul Feret of France defeated the Canadians 9-7, 6-2, 6-2.

France generally dominated play although H. W. "Bunny" Austin and Katherine Stammers, and C. R. D. Tuckey and Peggy Scriven gave England victories in mixed doubles. Austin and Miss Stammers defeated Arlette Neufeld and Pierre Landry, France, 6-4, 8-10, 6-4, while Tuckey and Miss Scriven disposed of Jacqueline Horner and Andre Merlin, France, 6-1, 7-5.

Mrs. Dorothy Andrus of New York and the young English star, C. E. Hare defeated Grete Deutsch of Czechoslovakia and Roland Journu of France, 6-3, 6-4.

Helen Jacobs, United States champion, announced in Vienna she was passing up the tournament in order to conserve her energies for the forthcoming Wightman Cup matches. Miss Jacobs is recovering from a gall bladder complaint.

Winner Of Louis-Schmeling Bout To Meet Braddock

(By Eddie Brietz Associated Press Sports Writer)

NEW YORK, May 19—In a double-barreled pronunciamento today, the New York State Athletic Commission created a new feather-weight king and maybe named the next world's heavyweight boxing champion.

The Commission established Mike Belloise of New York as ruler of the 126 pounders so far as this state is concerned; then designated the winner of the Max Schmeling-Joe Louis fight as the man to fight James J. Braddock for the heavyweight title this fall.

"We cannot get Baby Arizmendi to come east from California to fight Belloise for the right to be crowned the champion," said chairman John Phelan. "So we are eliminating Arizmendi from consideration."

That either Schmeling or Joe Louis would be Braddock's next opponent was a foregone conclusion. But the commission made it official after receiving challenges from John Henry Lewis, the light-heavyweight champion, and Leroy Haynes, Philadelphia negro who fights Primo Carnera next week.

Indications are Sixto Escobar will defend his bantamweight title against Lou Salica for Madison Square Garden soon. Salica took the crown away from Escobar last year, but lost it in a return bout.

Baseball's Big Six

The standing of the three leading hitters in each league underwent no change yesterday in spite of the fact none of the National League representatives saw action. Although he got only one hit—a homer—in four times at bat, Billy Sullivan, Cleveland backstop, held on to second place but dropped 13 percentage points to .418, considerably off Bill Terry's pace-setting .463.

The standing:

Golden Ply Blow-out Protection

But now the Golden Ply in Safety Silvertowns resists internal tire heat—prevents ply separation — and stops the cause of blow-outs. Thus you're protected.

"Road Drying" Tread

And, another safety feature—At the first sign of a skid, the three centre ribs of the Silvertown tread dry the road—like a wind-shield wiper — and give the outer row of husky cleats a good gripping surface. Note the non skid tread on all Goodrich tires.
