SAD ACCIDENT.—On Wednesday last, the 10th instant, a man named Rice, supposed to be from the County of Monaghan, Ireland, called at the residence of Mr. Lauchlan McKinnon, Vernon River, and asked shelter for his horse, the day being stormy, stating at the same time he wished to purchase a horse. A son of Mr. McKinnon's took the animal from him, and put him in the stable, and while doing so, the man ran into the house, lit his pipe, and followed the lad to the stable. About half an hour after the Barn was observed, by the neighbours of Mr. McKinnon, to be on fire, who ran to his residence to give the alarm, but by the time they reached the building the fire had so far gained the ascendency, that all attempts to save it, or its contents, were ineffectual. We regret to learn that Mr. McKinnon has, by this unfortunate act of a careless man, lost a good new Barn, 45 by 50 feet, three horses, and one foal, sixteen head of horned cattle, one sheep, a lot of poultry, two hundred stooks of wheat, five hundred stooks of oats, six tons hay, one gig, carts, ploughs, harrows, all his farming implements, harness, &c.; the loss is estimated at £360. The man who was the cause of all this loss lost his own horse also. As soon as he saw the building on fire he cleared out.—*Isl.*

On the 22nd October last, Matilda, 4½ years of age, third daughter of Benjamin Hughes, Blacksmith, of Wheatley River Bridge, Lot 24, was accidentally burned to death by fire. The deceased had been but a quarter of an hour from her mother's side, having gone on an errand to a Carpenter's shop adjoining, when it is supposed her clothes must have become accidentally ignited—she lived but 26 hours after. This melancholy bereavement is much heightened to the afflicted mother, by the continued absence of the father, who left this Island for California, some 3 or 4 years ago.—*Isl.*

THE GREAT AMERICAN HAIR TONIC.

Bogle's celebrated Hyperion Fluid, for the growth and preservation of the Hair is well known to be without a rival on this continent. Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair restorative, and their doom been sealed, whilst Bogles's Hyperion Hair Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady, which can affect the Hair but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

Bogle's Electric Hair Dye converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin, and leaves the Hair soft and glossy without injuring its texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole Shaving compound renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeaiona removes freckles and tan from the face in the shortest possible time, and is acknowledged to be the very best article for beautifying the complexion.

To be had, wholesale or retail, of W. Bogle, 227 Washington Street, Boston, U. S.

And by all Druggists and perfumers throughout the Canadas, United States and Great Britain.

A MOST EXTRAORDINARY CURE EFFECTED BY DR. M'LANE'S CELEBRATED VERMIFUGE.

NEW YORK, March 19, 1852.

This is to certify that I have been troubled for almost four years with a choking sensation, sometimes so bad as almost to suffocate me; I employed two regular physicians, but to no purpose. I was then persuaded to try a bottle of Dr M'Lane's Celebrated Vermifuge. I took two teaspoonfuls at one dose. It soon began to operate, when it made thorough work. (I had a regular worm factory within me.) I should judge it brought away from me some two quarts of worms; they had the appearance of having bursted. I took the remainder of the bottle at two doses. The effect was, it brought away about one quart more, all chopped to pieces I now feel like a different person.

The above is from a widow lady, forty-six years of age, resident of this city. For further particulars, the public are referred to Mrs Hardie, No 3 Manhattan place, or to E. L. Theall, Druggist, corner of Rutger and Monroe Streets.

P. S. The above valuable medicine, also Dr. M'Lane's Celebrated Liver Pills, can now be had at all respectable Drug Stores in this city.

☞ Purchasers will please be careful to ask for, and take none but Dr. M'Lane's Vermifuge. All others, in comparison, are worthless.

A FAVORITE REMEDY.

We believe no medicine in the world has ever given such astonishing proof of its efficacy in curing disease, and restoring health and strength, as the Oxygenated Bitters. In cases of Dyspepsia, and General Debility of the system, this medicine acts in the most agreeable manner, restoring health and cheerfulness, when all other remedies and prescriptions have failed.

Pamphlets containing certificates of the most remarkable cures may be had gratuitously of the Agents.

SIR—

WE, the undersigned inhabitants of King's County, exultingly proud of being fellow-subjects of the brave men who compose the British Army and man Her Majesty's Fleets, request that you will call a Public Meeting of the people of this County, on an early day, for the purpose of complying with the suggestion of our gracious Sovereign in forming Local Committees to raise subscriptions for the relief of the widows and orphans of those who have died, or may die, during the present war, in the service of our country, and thus afford us and others in this section of the County an opportunity of aiding the Patriotic Fund, by throwing our mite into its treasury.
