## GRATITUDE.

DEAR DOCTOR,—Having heard that some persons are making false and injurious reports about you, I write to say that in the treatment of my wife I am quite satisfied. Other doctors said it was cancer, and incurable; you have cured her without operation or any violent or painful means. I am also thankful to be able to acknowledge publicly that you have cured my daughter, although other doctors could do nothing for her but making her worse. I also wish to say that I write this of my own free will, and not at your request; but you can make use of it in any way you think fit.

Thanking you again for what you have done, believe me, dear Sir,

Yours, very gratefully,
DANIEL REILLY.

SCROFULA AND SALT RHEUM.

*Dear Mr. Eagar.*

I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c.,
