Personals

Mrs. Albina Kelly, of Brighton, Mass., is visiting the Province, a guest of Mr. and Mrs. Leonard Keefe, Kinkora, and Mr. and Mrs. M. G. Mooney, Charlottetown.

Mr. and Mrs. Alex Coughlan and little daughter, Anita Jean, left Tuesday on return to Toronto after visiting with Mrs. Coughlan's two sisters, Mrs. Neil Diamond, Charlottetown and Mrs. Brenton Stead, Bay Fortune, and their respective families. While on the Island the Coughlan family were widely entertained by their relatives and friends.

Limit Placed On Truck Passengers

Regulations pertaining to the carrying of passengers in the back of trucks have been tightened by an order-in-council passed at this week's meeting of the Provincial Executive Council.

In future, under provisions of The Highway Traffic Act, it will be considered "unsafe or dangerous" for more than ten persons to ride in the back of a truck unless there is secure seating accommodation and all persons are seated.

This does not apply to vehicles carrying passengers to or from church or any other place of worship. Nor does it apply to the following: vehicles used solely in taking workmen to and from their work over a highway on which no adequate transportation is provided at convenient times by authorized operators; vehicles carrying persons on charter to a picnic or similar outing over a road where there is no adequate transportation at reasonable times.

The new regulations also provide that all such vehicles carrying passengers in the space normally intended for merchandise must not be driven at a speed greater than 20 miles an hour.

These regulations do not apply to any public vehicle operating under a franchise or license from the Public Utilities Commission.

Well Known Editor Dies

AMHERST, N. S., July 21-(CP)—One of the best known newspapermen in the Maritimes, Ronald M. (Scoop) Ross, for more than 30 years news editor of the Amherst Daily News, died here tonight. He was 53 years old.

Known to sports fans throughout the Province by the sea simply as "Scoop," his sport column was considered one of the best in the Dominion. Mr. Ross had been ill since December, when he suffered a heart attack.

He joined the local newspaper 39 years ago, and except for two years on the staff of the Sydney Daily Post served with the Amherst Daily News continuously.

Mr. Ross was known for his subtle wit and knowledge of local history. Surviving besides his wife, the former Sarah MacDonald of Glace Bay, N. S., are two daughters, Audrey, at home, and Mrs. Jack Wilmont of Halifax; also one brother, W. A. G. Ross of Amherst.

U. S. Rejects Canadian Offer

OTTAWA, July 21-(CP)—Government officials were "surprised and puzzled" today by United States rejection of a second Canadian offer to help with transport planes for the trans-Pacific airlift for Korea.

But final plans for the implementation of the first offer—of eight North Stars and 300 men from the R. C. A. F.'s 428 transport squadron were announced by the Defence Department. They will fly a route from Tacoma, Wash., to Tokyo via the Aleutians.

The second offer involved two or three four-engined planes now used by Canadian Pacific Airlines in the Pacific. Canada, officials said, offered to provide them, apparently free, to the United States—in effect the United States—for the same long haul.

Second and Seventh Charlottetown Wolf Cub Packs

Twenty Cubs took Camp Kingstons by storm, on Friday, June 30th, to enjoy a week-end under canvas at the Anglican Youth Centre, Crapaud. The camp-site immediately became alive with activity as the eager Cubs performed their duties, crafts and camp skills in short order. Cocoa crackers and "lights out" came all too quickly for the Cubs who, with the exception of "Inch," seemed to think Friday the longest day in the year.

Bright and early Saturday morning the Cubs were able to enjoy several hours of sunshine in which to carry out their camp duties from Flagbreak and P.T. to trail following. The explorers arrived back at camp just in time to roll their beds and prepare their tents for the heavy rain. During the afternoon wood carving, painting and leatherwork were the big attractions in the dining shelter. At bedtime many of the campers preferred a double-decker with a roof over their heads, but our seasoned campers stuck to their tents—high and dry.

Sunday morning a special service was held for the Cubs in St. John's Anglican Church, by the rector, Mr. Armstrong. After Church, all were ready for another day in the outdoors and hiked to Crapaud where they were treated to ice cream by Akela. We hear that Donnie Pickard was voted the best hiker at camp. In the afternoon the brightest spot on the program was a hayride to the beach and back. On return, croquet, badminton and volleyball were played by the Cubs before they participated in a hard fought baseball game with the A.Y.P.A.

After a hearty picnic supper, where wieners were toasted over the campfire, the tent with the most points was presented with a prize for each member. Fred Hyndman, Sixer and Blaine Allan, Second, were tent leaders. On the evening of the transport the Cubs piled in for a peaceful ride home—but it just at the outskirts of the city; in the midst of the strains "We're here because we're here," we weren't, we had a flat! But, due to the thoughtfulness of our driver, Mrs. Ross and Mrs. R. Hoag, and in some cases, due to our feet, we all arrived home safely.

Meets Many Islanders A bachelor, Mr. Mitchell has been a long time in the newspaper business and was with the Associated Press in New York and Washington before joining the Boston Globe. He is an active member of the Canadian Club of Boston and is in touch with many former Islanders through that organization.

He is a son of the late Mr. John Mitchell, who conducted a cooper's shop in Souris many years ago, and a brother-in-law of Mr. James J. McElroy, of Brooklyn, whose family came from New Haven and who has several brothers and sisters in this Province. Mr. McElroy is accompanying him on his trip.

A cousin of Mr. Mitchell's is Mrs. McInnis, wife of Sgt. Laurence McInnis, of the Charlottetown Police Force. An old family friend is Senator J. P. McIntyre, whom Mr. Mitchell visited the other night at his home at Savage Harbour.

A few years ago he met Premier Jones in Boston, and on Thursday Mr. Mitchell renewed the acquaintance at the Premier's office, where he also met Attorney-General Darby and Deputy At-

Executive Upholds R.C.A.F. Protest

The executive of the Prince Edward Island Physical Fitness Baseball League met at the armouries in Summerside last night with Brigadier W. W. Reid presiding. The primary purpose of calling the meeting was to make a decision regarding a protest that had been handed in by the R. C. A. F. Royals regarding the game played at the Summerside Airport last week with the Falcons in which a player was sent in from his cap at the ball.

The executive was informed that as two officials had not seen the play clearly and the other had stated that the cap did not touch the ball, the protest be upheld and the game be replayed from the point where the Falcon player was on third base in the top half of the seventh inning. The remainder of this game is to be played when the Falcons are playing their next scheduled game at the airport so that they would not be compelled to make an extra trip.

Other motions were passed as follows: (1) That the two tied games be completed at the next favorable opportunity.

(2) That the executive support the officials in the enforcement of the rules at all times.

(3) That umpires have police protection at all games. This motion was passed, not because any attacks had been made on umpires, but simply as a precautionary measure.

It was agreed that the play-offs should be started as soon as possible after the last of August, that the second and third teams should play a best-of-three series, the first game to be played at the home field of the team finishing in second place, and the games from then on to the completion of the series. That the winner of this series play a best-of-five series with the team finishing first, the first game to be played at the home field of the team at the top of the league standing, and games alternating as above. The gate receipts will go to the home team in the case of the odd game, the visiting team being guaranteed \$50 expenses. If travelling from Summerside to Charlottetown or vice versa.

The following list of umpires was approved by the executive: Reg. Phillips, Glenzie DesRoches, Jack Schurman, Jim Hogan, Jerry Bernard, Frank Savidant, W. C. Willis, Sgt. Lacroix, Sgt. Furnell, Sgt. Oliver, Sgt. Newcome, Ft.-L. Killamee (PLT.), Jackie Kane, Ev Toombs, Cecil Ward, Earl Goss, Urban Blanchard, Leo Doyle and Jack Gallant.

BRAINTREE, Essex, England—(CP)—The motion was passed unanimously by Braitree women: "That husbands should help with the housework."

Homecoming New England Islanders Would Welcome Spud Special Says Newsman

"Why not organize a New England Spud Special next year and bring back a whole trainload of former Islanders and their families for the 1951 Old Home Week and Provincial Exhibition?" queried a visiting Boston newspaperman, Mr. James B. Mitchell, of a Guardian representative yesterday.

Himself a native of Souris, Mr. Mitchell hasn't been home since his boyhood days and is getting a real thrill out of his trip. One of the news editors of the Boston Globe, he sees great possibilities in providing special annual tours for New England "Islanders" who are more numerous than the island's present population and are always thinking and talking about the Garden of the Gulf.

"They would come here in droves if they had the chance they used to have when regular boat trips were available," he said. A special train for Old Home Week would be booked up in no time."

On arriving at the Premier's office he met an old friend, Mr. Roy Mills, who is with the Hearst newspaper services in New York, and has been making his first visit to Prince Edward Island with his wife.

Another New England friend, Mr. Barnes, assistant manager of the National Shawmut Bank of Boston, was encountered by Mr. Mitchell in the lobby of the Charlottetown Hotel, where they are both staying.

Mr. Mitchell arrived here Wednesday from Cape Breton, where he visited a friend, Mr. Douglas Kerr, at Bras d'Or. He crossed on the car ferry and travelled from Borden to Montague with Mr. J. Ernest Kerr, a former president of the Canadian Club of Boston, who with his wife, was on a visit to Mrs. Kerr's sister, Mrs. Alex McPherson.

Also visiting Mrs. McPherson at Montague were her daughter, Mrs. Mildred Gillespie, widow of the late Dr. Norman Gillespie, of Boston, who drove here with her two daughters from California. Mrs. Gillespie is a sister of Mrs. John Mustard and Major Alan Nicholson, of Charlottetown.

Mrs. Gillespie and Mrs. Mustard had visited Bras d'Or Lakes while Mr. Mitchell was there and they were in the same party making a trip over the Cabot Trail.

While the scenery in Cape Breton is rugged and picturesque, Mr. Mitchell said he thought Prince Edward Island more beautiful. He was particularly impressed with the "well groomed" farms in this Province, and with the general air of well-being and prosperity.

On the way to visit his cousin, Mrs. John J. McInnis, at Borden, Mr. Mitchell and his brother-in-law, Mr. McElroy, stopped over at the farm of Mr. Aiden Mulligan, Newton, and admired the excellent crops and farm arrangements.

Mr. Mitchell speaks warmly in praise of the service provided at the Charlottetown Hotel, which he rates as first class in every way. He plans leaving the Island over the week-end.

To Represent P.E.I. Pupils Pass Swimming Tests

Forty pupils passed the elementary and junior tests of the Red Cross Swimming and Water Safety Classes at the Knights of Columbus camp at North Rustico yesterday. Instructor Patrick Gauthier and chairman Rev. Father Robin are to be commended very highly on the enthusiasm and the excellent results shown by the classes.

Awards were won by the following: Elementary: Donnie Gallant, Oswald Pineau, Lionel Doiron, Camella Doiron, Carl Peters, Gregory Gallant, Dolores Peters, Ann Gauthier, Doris Pineau, Roy Doiron, Anois Gallant, Patricia Pineau, Geraldine Peters, Marlene Gallant, Sandra Gallant, Elizabeth Gauthier, Ralph Doucette, Blair Gallant, Louis Peters, Leroy Gallant, Vivian Gauthier, Marcelous Gauthier, Jacqueline Gallant, Alfred Doiron and Wanda Gallant.

Junior: Gloria Doucette, Mary C. Gallant, Alberta Doiron, Marie Gallant, Stewart Gauthier, Norman Gallant, Clarence Gauthier, Patricia Gauthier, Shirley Doucette, Eileen Gauthier, Kenneth Gallant, Rodney Gauthier, and Vernon Peters.

Intermediate and senior tests will be given today by examiners Lois Arsenault, Joan Wood, Philip Murphy and Paul Cudmore.

Free Legal Aid In Saint John

SAINT JOHN, N.B., July 21 (CP)—Saint John has become the first city in the Maritimes to provide free legal aid for those unable to afford the services of a lawyer. Backed by the Saint John Law Society and four leading social agencies, a legal aid bureau has been set up here.

Described by one lawyer as the most important social welfare step ever taken in the city, the bureau will provide legal advice or representation in court for all unable to afford such service. Applicants are first screened and recommended by the welfare agencies co-operating in the scheme and all costs are born by the 20-barrier panel of the bureau.

It is one of the first legal aid bureaus in Canada and grew from the annual meeting of the City Law Society last spring. The Baristers' Society of New Brunswick approved a similar plan and hopes soon to have the idea on a province-wide basis.

Sir Stafford Cripps, Chancellor of the Exchequer, have called for reports from their departments on how best to step up British aid.

Though the Cabinet may take immediate decisions Tuesday no public announcement is expected before next Wednesday. Then, Prime Minister Attlee may give some indication of the scope of proposed new action when he winds up a defence debate in Parliament.

WALLINGFORD, Berkshire, England (CP)—"Welcome Cafe" may be renamed. Burglars visited it twice in six weeks.

LONDON, July 21-(Reuters)—Britain's service and supply chief today worked overtime this week-end drafting plans for more concrete drafting aid in Korea.

The plans will come before the Cabinet when it meets next Tuesday, informed quarters here said today. The meeting had been tentatively fixed for Monday, but has been postponed 24 hours.

A number of Ministers, including

Death At 81 Of Mr. William E. Enman

His many old friends in Charlottetown, his native City, will learn with regret of the death here at an early hour yesterday morning of William Edgar Enman, aged 81, after only a few days illness.

About two years ago, Mr. Enman, when a resident of Halifax, had the misfortune to receive serious injuries as the result of being struck by an automobile. After spending a considerable time in hospital there he returned to the Island and had until recently been residing with his brother, Mr. J. J. Enman in Summerside. One month ago he came to Charlottetown for hospital treatment, and appeared to be making improvement until a few days ago when he became ill.

Mr. Enman spent many years in the United States where he worked with various publishing houses and was a special contributor to The Living Church, widely known organ of the Episcopal Church, published in Milwaukee, Wis., and in which many of his poems and articles were found.

A few years ago, a volume of his verses containing more than a hundred of his poems appeared and received meritorious praises from many quarters.

Always deeply interested in religious matters and having a special talent in poetry, Mr. Enman had many hymns published in other church magazines. In the present Canadian hymnal, two of these appear.

The late Mr. Enman was for many years a devoted member of St. Peter's Cathedral, where he was held in high esteem.

The deceased was a son of the late Thomas and Elizabeth Enman and is survived by his brother John J. Enman, editor of The Summer-side Journal and one sister Mrs. Frank J. Armeson of Longmeadow, Mass.

Maritime Fertilizer Council Meets

Mr. S. A. Hilton of Fredericton, N.B., was elected President for the coming year at the twenty-first annual meeting of the Maritime Fertilizer Council, held yesterday at the Charlottetown Hotel.

Other officers elected were: Vice President, C. Godbout, Grand Falls, N.B.; Directors: Dr. Geo. Smith, Truro, A. Keisall, Kentville, John Clark, Seckville, N.B., W. N. Black, Charlottetown; Frank Smith, Halifax, and J. L. Geary, Saint John, N.B. J. E. McIntyre was re-elected secretary-treasurer for the 19th year.

Mr. L. Bearne, Windsor, N. S., presided at the convention. Leaders of discussions included Dr. Geo. Smith, Provincial Chemist, of Truro, N.S., F. Stairs, Department of Agriculture, Fredericton; J. E. Slank, Charlottetown; J. E. Black, Charlottetown; and W. N. Black, Charlottetown.

Outstanding addresses were given by W. R. Shaw, Deputy Minister of Agriculture, Charlottetown, on grass farming and livestock in the British Isles; G. J. Callister, Agricultural Officer, P.A.O., Washington, on the fertilizer and food needs of the world; and Norman Thomas, O.A.C., Guelph, Ontario, on soil problems and grass farming in Ontario.

Fertilizer recommendations for next year were the following formulae: 3-15-6, 6-12-6, 9-9-7-1B, 12-5-7-1B, 5-10-10, 5-10-13, and 6-9-12.

Resolutions Three resolutions were passed by the Council including one which stated that definitely no 4-8-10 or 2-12-6 fertilizers will be sold next year. The Council also resolved that it favor the consolidation of all experimental data on soil fertility and that the provincial and federal work be co-ordinated.

The other resolution was that limestone-free potato fertilizer be made available to the growers of potatoes in the Maritimes, and that the containers be marked.

Votes of thanks were extended to the speakers and all taking part in the program. The convention was attended by approximately seventy members, representing the trade, farm groups, experimental farms and departments of agriculture.

Young Bandits Hold Up Bank

NEW WESTMINSTER, B. C., July 21-(CP)—Three bandits, one carrying a machine-gun, escaped today with \$6,000 from a branch of the Bank of Nova Scotia in suburban Millardville.

The robbery was staged just before 3 p.m. closing time. The men, all young, were armed. Two carried revolvers and one, about 20 years old, menaced the staff with a sub-machinegun. They carried two of the bank's revolvers away with them.

The runner escaped in a stolen car, heading for Vancouver, police reported. Millardville is 15 miles east of Vancouver.

Sir Stafford Cripps, Chancellor of the Exchequer, have called for reports from their departments on how best to step up British aid.

Though the Cabinet may take immediate decisions Tuesday no public announcement is expected before next Wednesday. Then, Prime Minister Attlee may give some indication of the scope of proposed new action when he winds up a defence debate in Parliament.

Director Deplores Local Situation

Dr. J. P. O'Riordan, medical director of the Maritime Depot, Canadian Red Cross Blood Transfusion Service, Halifax, has been in the Province this week in connection with the Blood Donor Clinics which are to be held here during the week beginning July 30th.

In speaking to the committees in charge of the organization of clinics at English, Alberton, O'Leary, Summerside, Borden and Charlottetown, Dr. O'Riordan deplored the fact that this Province is not producing a sufficient number of donors to supply the whole blood needs of our own hospitals to say nothing of all the plasma requirements. He also pointed out that since the service is available to all that all who live in the districts reasonably near the centres should be donors at these clinics. At least 1,000 donors will be required at the forthcoming clinics to repay the province's indebtedness and to establish a sufficient credit to cover the next three months. The quotas established for the clinics are: 100 in

each of the following centres, Tignish, Alberton, O'Leary and Borden while Summerside should produce 250 and Charlottetown 500.

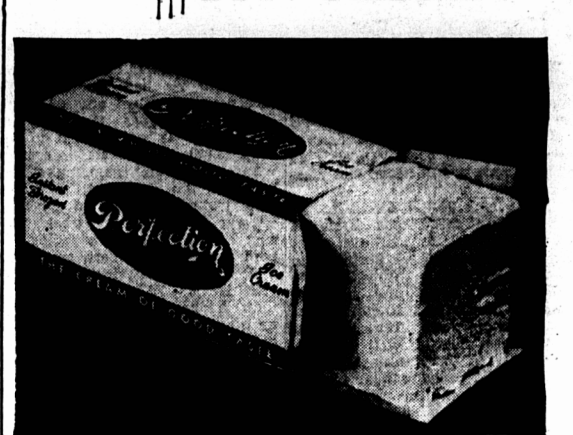

The committees in charge in the different centres reported plans well in hand and expressed optimism as to the response since realization of this Province will be most anxious to provide an adequate service by supplying the required number of donors. Arrangements are being made to have those who can provide transportation in the different districts fill their cars with donors and report at the nearest centre.

Miss Iphigene Arsenault Provincial Red Cross Commissioner, accompanied Dr. O'Riordan to the meetings which she had previously arranged in the different centres.

During the week Dr. O'Riordan also interviewed the doctors and hospital staffs with regard to the operation of the Blood Transfusion Service in this Province and conferred with Dr. J. H. Shaw who is the medical director of this Province's sub-depot at Charlottetown.

LONDON-(CP)—A cricket fan gave a George III gold guinea coin to replace a ceremonial guinea stolen from Lord's cricket ground.

HOLMAN STORE NEWS

ATTENTION TOURISTS! You'll want a piece of lovely ENGLISH CHINA in the "ANNE OF GREEN GABLES" pattern to take home in remembrance of your trip to the "Island". The China Departments of both the Charlottetown and the Summerside Stores have a wonderful Collection of "Anne of Green Gables" China from which to choose . . . These pieces are decorated with scenes from the "Anne" Country in either black and white or soft, pleasing colors. In the China Departments you'll find cups and saucers, plates, bon bon dishes and other useful, decorative pieces — All at very reasonable prices. Make your souvenir headquarters — the China Departments of either the Charlottetown or the Summerside Store.

ATTENTION TOURISTS! You no doubt have a kiddie at home to whom you wish to take a present. Before you make a decision about this important gift, make a point to visit the Record Section in the Furniture Department of either the Charlottetown or the Summerside Store . . . There you will find a wonderful collection of CHILDREN'S RECORDS — these will bring happiness and joy to that certain child's heart. The FIGURETONE RECORDS for children are 6 playing sides for 1.00 — these Picturetone Records tell stories and sing songs that all children love — that all children will play again and again — that all children will remember. Choose Picturetone Records for that child's gift that you simply MUST get . . . You'll find them in the Record Section of the Furniture Departments in Both Stores.

ATTENTION TOURISTS! With just you in mind our buyers have purchased a lovely selection of ANGORA BERETS AND GLOVES . . . These delightful, soft, fluffy ANGORA Berets were made by the Grand Mer Company, and they're in the most beautiful of dainty pastel shades. The Berets, made in the popular Basque style are priced 1.75 each and the Gloves, either embroidered or plain are priced from 1.00 to 4.95 a pair. When you are shopping in Holman's Summerside Store, be very sure to see these Angora Berets and Gloves in the Accessory Department.

ATTENTION TOURISTS! We know that you'll be having many beach parties and picnics on the "Island" during your visit . . . May we suggest that you include CHEESE in your picnic menus — Cheese is one of the most delicious and nourishing foods — fine for Summer eating. In the Grocery Department of the Summerside Store you'll find a grand selection of KRAFT CHEESE in convenient packages or glasses — there is nothing finer than a flock of Cheese Sandwiches for a picnic lunch . . . So, shop for Kraft Cheese in the Grocery Department.
