We learn that two limbs of the law indulged in an amusing fistic combat before the bar of the County Court at Summerside a few days ago. The result was not satisfactory to both, however, and one issued an invitation to the other to meet him in the jail yard, with the gate locked and no one present but the pair of legal pugilists. The invitation was not accepted and the victory, pugilistically and argumentatively, is still undecided.

**The Telegraph Operators' Strike.**  
ST. JOHN, July 25.  
It is stated on good authority that the Western Union officers have made overtures for a settlement of the matters in difference by accession to the demands of the operators.

NEW YORK, July 25.  
At nine a. m., the Western Union issued this bulletin:—"Wires east O. K.; west, via Buffalo, O. K.; beyond Pittsburg, four wires short on the Columbia route, they are expected to be O. K. soon. Other routes O. K. west of Pittsburg. South way the wires are O. K., though wires interrupted beyond Lynchburg, cutting off New Orleans and Chattanooga. The peaceable disposition of the strikers has made them many friends. A meeting was held to-day, over 400 being present. The committee reported that the Western Union officials send out false reports and that the cable operators at Dunbury and North Sydney would strike to-morrow. A large number of the members of the Produce Exchange signed a petition to the Board of Managers asking them to settle the strike, as it was a serious injury to the business of the country. It is very evident that the falling off of business since the strike is very great.

**WORLD'S**

*Hair Restorer*

**IS PERFECTION!**

**Public Benefactress.** Mrs. S. A. ALLEN has justly earned this title, and thousands are this day rejoicing over a fine head of hair produced by her unequalled preparation for restoring, invigorating, and beautifying the hair. Her World's Hair Restorer quickly cleanses the scalp, removing Dandruff, and arrests the fall; the hair, if gray, is changed to its natural color, giving it the same vitality and luxuriant quantity as in youth.

**COMPLIMENTARY.** "My hair is now restored to its youthful color; I have not a gray hair left. I am satisfied that the preparation is not a dye, but acts on the secretions. My hair ceases to fall, which is certainly an advantage to me, who was in danger of becoming bald." This is the testimony of all who use Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER.

"One Bottle did it." That is the expression of many who have had their gray hair restored to its natural color, and their bald spot covered with hair, after using one bottle of Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER. It is not a dye.
