Your guests, too, will prefer NESCAFÉ instant coffee

It makes no difference when you serve Nescafé—at breakfast, during the morning, after dinner or late at night—you can always be sure. Nescafé gives you a rich, full-bodied, satisfying cup of coffee everytime. And it's so convenient. Just a spoonful of Nescafé for each cup—add piping hot water—it's ready! Nescafé is so thrifty, too, compared with ordinary ground coffee. You can be proud to serve Nescafé anytime—it's the up-to-date way.

No other coffee, instant or ground, gives you the richer flavour of Nescafé

Nescafé (pronounced NES-CAPAY) is the exclusive registered trade mark of Nestlé (Canada) Ltd. Nescafé is a soluble coffee product which is composed of equal parts of pure soluble coffee and added pure carbohydrates (dextrin, maltose and dextrose) added solely to protect the flavour.

What Do You Know?

Before scoring yourself on the quiz below, remember that it is foolhardy to diagnose your own ailment. If you have been assured by a physician that your stomach trouble is caused by hyperacidity, read off . . .

	YES	NO
1 Do you have to be careful in your choice of food?		
2 Do you take some common alkalizer, mint or soda without getting relief?		
3 Do you currently suffer from either heartburn, gas, pain, soreness or general distress after eating or during the night?		
4 Wouldn't you appreciate a preparation that actually prevented your symptoms occurring?		

Adrem chemists searched for over a year to find a combination of ingredients that would be fast-acting, long-lasting in its effect and therapeutically compatible. EXECUTABS is the result! By actual laboratory standards EXECUTABS is the most effective of all stomach preparations tested.

An Executab before eating prevents discomfort after.

WARRANTY—If taken for a condition or symptoms of diagnosed hyperacidity and it fails to give satisfaction by the time you use half the package, return the remainder and the purchase price will be refunded.
