THE MASK THROWN OFF.
CANDID CONFESSION MADE BY A LIBERAL ORGAN.
How They Managed Matters. In the County of Norfolk, Patrons and Grits have come to an understanding.
To the Editor of The Mail and Empire.
Sir, I have read with not a little interest the letters which have been appearing from various correspondents upon Patrons of Industry and their conduct with election matters. In so many letters, I beg to say to you, are making Conservative Patrons think as they in fact have thought before. This in fact is the Patrons who were Conservative, and no doubt many who were Reformers, went into this organization conscientiously.
There is only to be very little doubt in any of their minds now, however, that it is being used as a sort of sidishow for Sir Richard—who was the worst friend the farmers ever had in the Government—and our own Mr. John Charlton, M.P. for this county.
I noticed the other day in a letter in your columns a reference to this county, but as the Grit paper in New Brunswick was not mentioned and its exact words not given, I felt it my duty to call the attention of Conservative Patrons to just what it says. It should be remembered that the editor of The Norfolk Reformer is Mr. H. B. Donly, the right-hand man of Brother John Charlton, and the secretary of the Reform Association. Here is what The Reformer says:
"Evidence is accumulating that in Eastern Ontario the Patrons and Liberals have come to a very sensible arrangement not to get into one another's way. For instance, in the following ridings, now represented by Conservatives, the Patrons have candidates in the field: Carleton, Gleggarry, South Lanark, North Leeds, Dundas, Stormont, Frontenac, East Hastings, North Hastings, and West York. In these ridings, now held by the Liberals, no Patrons are in nomination: Russell, Addington, West Ontario, North York, and Peel. In Pontiac the Patrons have endorsed the Liberal candidate. In Lennox the Liberals are supporting a Patron. This is indeed gratifying. Patrons and Liberals have in view one object, viz., the defeat of the present Government at Ottawa.
How could they act more wisely than by working harmoniously to accomplish their purpose? Now let the Liberals and Patrons of this county (Norfolk) come to the same sensible understanding."

The word here used is "understanding," and The Norfolk Reformer wants the Patrons here to come to the same understanding as the Patrons and the Grits have come to elsewhere, namely, to unite to defeat the Conservative party. Good, Bro. Donly! Conservative Patrons will be pleased at your candor, at least. What do Mr. Mallory and Mr. Wilson and Mr. Gifford think of this?

Now, a word as to Grit Patron candidates in this old county. In the local Patrons put up two candidates, one in the north and one in the south. The Grit Patrons d-d-d-d their candidates, and elect d-d-d-d candidates, Mr. Charlton and Mr. Carpenter. And to-day the Patron Grits are doing their best to help John Charlton in the North riding, but their wire-pullers are on deck to tug the Patrons to vote for a Patron candidate named Mr. Walker, a d-d-d-d against Colonel Tesdale, in the South riding. The reason they are doing this is because a straight Grit has no chance against the Conservative candidate.
Hoping I have given you some light on the situation here.
Yours, etc.,
PATRONS' CONSERVATIVE,
March 19, 1895.

Correct Comment.
Chatham Examiner (Grit)—In their pending contest Liberals and Patrons are striving for the same object, and a division of the forces in any constituency would be suicidal.
Petersborough Review.—The first division at first sight would seem to indicate that Sir Oliver and Mr. Haycock are not such bad friends, not even on a political system.

MIRTH AND GRAVITY.
Once Mirth and Gravity together
Went walking in the April weather.
Sun shone and Gravity in sorrow
Foretold that it would rain to-morrow.
It rained, and, "Every pretty flower,"
Said Mirth, "is fairer for a shower."
Half through their pilgrimage they parted,
Mirth traquing in the rain light-hearted.
White Gravity, 'mid sunlight shining,
Went on his weary way repining.
Moral: No weather yet invented
Will make a pessimist contented.
—JAMES JEFFREY ROCHE.
20 YEARS OF SUFFERING.
20 Failures to Cure

For 20 years I suffered the torments of the damned with blind and itching piles. Had I known of any cure I would not have hesitated to have given hundreds of dollars to obtain it. I followed the instructions of an eminent physician in using syringe treatments. I used Fowler's Pale Cure and 20 others of different kinds. From some a little relief was gained, but nothing approached a cure. I was about resigned to the fate of having to pass through an almost uninterrupted course of suffering so long as I lived, when Chase's Ointment was brought to my notice. The statements in regard to it were so strong and bore with them a sense of conviction sufficient to overcome my skepticism in regard to its being no better than the rest. I used it, with the result of receiving immediate relief and permanent cure. For weeks and weeks I was fearfully afflicted with a return to misery, but it did not occur. I started using Chase's Ointment, hoping for relief and realized a cure that is permanent. I do not believe there ever was a worse case of blind and itching piles than mine, which leads me to think there is not a case to be recorded that Chase's Ointment will not cure.

OTTAWA, April 8—A visit paid yesterday to the work of the British North American Bank Note Printing Company in the report of recovery from Bright's disease with all its accompanying horrors of swollen limbs, convulsions, coma, and fearful pains, has been the cause of so much discussion in the city, showing that he is still in the enjoyment of the health which he has gained by the judicious use of Dodd's Kidney Pills. For a man who may be said to have had one foot in the grave, and whose health is despaired of, he presented a remarkable picture of health and vigor, and pursued his work at the heavy presses without any indication of weariness. He is loud in his praises of the remedy which cured him.

ONE GIVES RELIEF.
Experience Has Proved It
A triumph in medicine was achieved when experience proved that Scott's Emulsion would not only stop the progress of Pulmonary Consumption, but by its continued use, health and vigor could be fully restored.
Heart Disease Relieved in 30 Minutes.
Dr. Agnew's Cure for the Heart gives perfect relief in all cases of Organic or Sympathetic Heart Disease in 30 minutes, and speedily effects a cure. It is a perianal remedy for Palpitation, Shortness of Breath, Smothering Spells, Pain in Left Side and all symptoms of a Diseased Heart. One dose convinces. Sold by S. W. Dodd.
If too rapid eating causes dyspepsia, and it is in turn producing nervous exhaustion, debility, weakness, anemia, etc., the first step in effecting a cure is to eat slowly. The second and most important is to take a course of Hawker's nerve and stomach tonic, which aids the process of digestion, invigorates the stomach, renews the vitality of the blood, relieves brain fatigue, and makes weak nerves strong.
RHEUMATISM CURED IN A DAY.—South American Rheumatic Cure, for rheumatism and neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits.
