 July 23.

Dr. A. JOHNSON'S
American Anodyne Liniment,
FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma
 Pain in the Sides or Breast, Rheumatism, Cramp in the
 Stomach, Spitting of Blood and all Lung Complaints.—Manufactured
 by I. S. JOHNSON, Bangor, Maine.
Dr. Johnson's AMERICAN ANODYNE LINIMENT,
 an entirely vegetable preparation, prepared and in-
 tended for Internal and External application.
 The inventor of this article was in the constant practice of
 medicine for 20 years, and by a long course of experiments
 upon the various diseases for which this Liniment is recom-
 mended, he became perfectly satisfied of its efficacy, and offer
 it with full confidence to the afflicted, as the result of his long
 experience, and best efforts.
 This has long been a standard medicine, and enjoys the sin-
 gular privilege of being known and patronized by a large por-
 tion of the medical Faculty, wherever it has been introduced.
 With the firm conviction that it is the best remedy of the
 present age for all diseases for which it is recommended, the
 proprietor offers his Liniment to the Public; not doubting that
 it will sustain the high reputation it has already acquired. We
 do not affirm that this article is a cure for the ten thousand ills
 humanity is heir to, but let those who are afflicted with the
 following diseases, try it, and we can assure them they will find
 relief.
 Inflammation of the Bronchia or Bronchitis. Rose Cold
 Catarrh, Hard dry cough, whooping Cough, Hoarseness and
 common cold, Pain and Soreness in the Lungs, Stomach
 and Sides, caused by lifting or otherwise, Asthma and Influen-
 za, for Sore Throat and weak Lungs, for Chronic Diarrhea
 caused by Rheumatism in the bowels, for Cramp in the Stomach,
 for Strangury, Gravel and Stone, Blind Piles, &c.
 Externally it will have the most happy effects, in all cases
 where any other Liniment would be used, especially for Rheu-
 matic Affections, Chills, Chapped Hands and sore Lips; it
 is a sovereign remedy for the bites of flies, and other insects.
 There is nothing of equal efficacy to this for Horses and Oxen,
 where they are corcked, cut, bruised, strained or chafed by
 the harness, and it possesses more than double the power of any
 other Liniment.
 Inflammation of the Bronchia or Bronchitis, for the cure of this
 disease it has been wonderfully successful. Those who had
 cases of long continuance have found permanent relief. S. D.
 Ward, Esq. (No. 10 Court Street Boston) who had a case of
 three years standing, has kindly permitted us to refer to him
 in proof of the efficacy of this valuable medicine; also in the
 case of a Rose Cold. This cold comes on when the flowers
