BIG TIME COMING.—The ladies of the Convent de Notre Dame are hard at work preparing for the bazaar and strawberry festival to be held in the Market Hall on the 3rd and 4th July next. They are determined to make it one of the pleasantest and in every way most successful affairs of the kind ever held in this Province, and we feel assured that their efforts will not be in vain. Don't forget the place and date: Market Hall, July 3 and 4.

PEDESTRIANISM.—The 25-mile match in the Landsdowne Rink, St. John, on Thursday night, was not much of an affair. The race was not started until late in the evening. Several "champions," alleged to have entered, did not show up, and when the race was over, it was found that only 18 miles instead of 25 had been covered.

The six days' go-as-you-please, in San Francisco, closed on Wednesday night. Albert, the winner, made 535 miles, and Guerrero came second with 525.

THEATRICAL.—The manager of the Lyceum has received a letter from Mr. G. M. Wood, of the Wood-St. John Dramatic Company, saying that the Company will probably give two or three performances in this city about the middle of June. They have been playing with much acceptance in St. John, Halifax and other cities for some time past. Their repertoire includes "Dr. Jekyll and Mr. Hyde," "As In a Looking Glass," "The Steps to Conquer," and other standard dramas.

A letter has also been received from the manager of the Hyers Sisters Comedy Company, asking that they be booked for the 15th June next. They present the drama "Out of Bondage," a picture of life in the Southern States before and after the war.

MACHINE MANUFACTURES.—The Maritime Machine and Car Company of Moncton, manufactures bronze door knobs, gongs, drawer pulls and a line of railway car fittings in a color and style of finish ahead of any maritime goods we have seen. The company also make a specialty of small iron castings, such as shelf brackets, block brushes, cupboard catches, B. B. door knobs, sash lifts, door bolts, flower pot brackets, coat hooks, B. B. drawer pulls and other hardware. They have an expensive plating and bronzing plant, and are doing considerable machine and mill work, etc., besides which they have in contemplation the manufacture of malleable (or the new metal) castings. As there is no malleable casting factory in the Maritime Provinces such an enterprise should be profitable. Mr. Henry Combs (formerly of Charlottetown) is their travelling agent.

CRICKET.—At the annual meeting of the Park Cricket Club held last evening the following officers were elected for the ensuing year:—

Patron—His Honor Judge Young.

Field Captain—Geo. E. Robinson.

Executive Committee—K. J. Martin, A. H. McNeill, F. W. L. Moore.

It was moved and seconded that the thanks of this Club be tendered His Honor Judge Young for his kind donations and assistance to the Club during last season. Carried unanimously. It was decided to commence play on Saturday, June 1st, and a match will be played on that day. Scotch vs. All-comers. Any person wishing to become a member of this Club can do so by applying to the executive committee or Secretary.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER. The Quebec Fire.

QUEBEC, May 17. The value of the property destroyed by the recent fire is estimated all the way from \$500,000 to \$800,000. Many of the sufferers are, of course, in very great distress, having been deprived of their all. Some of them had no place yesterday to lay their heads, and others tasted no food until it was distributed to them by order of Premier Mercier, who, with his colleagues, Treasurer Shelyn and Mayor Langelier, of Quebec, was present, succoring the distressed and placing the means of the Provincial Government at the disposal of local authorities for relief. The insurance is likely to figure up about \$200,000, a lesser amount than would have been held, but for the poverty of many of the proprietors and the inferior class of their dwellings, which precluded the possibility of favorable rates. An inquest on the remains of Major Shortt and Sergt. Wallace was held this afternoon, and the city will probably erect a splendid monument in memory of these brave officers, as it did in the case of Lieut. Baynes in 1866. The following cablegram was received to-day by Hon. Col. R. Hodges:—

LONDON, May 17. Deeply grieved at fire and sad death. Please place wreath from us on Major Shortt's coffin at the funeral. (Signed.) LOUISE E. LORNE.

Another Railway Accident.

MONTREAL, May 17. While an outward bound freight train was shunting cars on the Grand Trunk at Dorval, near Lachine, it was run into by a second freight from Montreal and also derailed by a third freight coming east. All hands jumped for their lives and escaped. Two engines and 24 freight cars, with contents, were completely destroyed. The total damage is from \$80,000 to \$100,000.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alternative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine is the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Ferdinand, Fla.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

Ayer's Sarsaparilla, PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Price \$1; six bottles, \$5. Worth \$6 a bottle.
