NEW YORK

NEW YORK (AP) — Glamor stocks, rubbers and some of the rail merger candidates rallied sharply Thursday as the overall stock market advanced irregularly in moderate trading.

Volume of 5,830,000 shares was below average for 1966 but still was more than 1,000,000 shares above Wednesday's 4,590,000.

The Dow Jones industrial average made a modest gain of 3.28 to 882.62.

The glamor stocks—color television, electronics, aerospace, airlines, office equipments, photography and other fields which appeal to investor imagination—apparently won new following. Many of them showed multi-point gains.

The more sedate blue chips managed to post a gain on average even though American Telephone, off ½, dropped to another four-year low and du Pont slumped 3¼.

A.T. and T.'s weakness was accompanied by testimony at the Washington hearing on its finances and rates, raising the possibility of a mass loss of confidence by stockholders.

Standard and Poor's 500-stock index advanced .57 to 85.50.

Trans World Airlines was the most active stock, up 2⅞ at 90⅞ on 117,800 shares.

A.T. and T. was second most active, sold heavily on 116,100 shares.

Granby Mining shot ahead 3½ points among Canadian stocks. Hudson Bay Mining and Alcan advanced ½. Dome Mines fell 1⅞. International Nickel and McIntyre Porcupine lost ½.

On the American Stock Exchange, prices were generally higher.

Brazilian Traction fell ⅛. Up ⅛ were Canadian Marconi and Canadian Javelin.

BACK NORTH VIET NAM

MOSCOW (AP) — President Nikolai V. Podgorny said Thursday that Soviet aid to North Viet Nam will be increased "if necessary." Podgorny, who did not spell out under what conditions or to what extent the aid would be increased, was making a campaign speech at the Bolshoi Theatre for Sunday's election of a parliament.

Signet Convertible Wheelbase 111"

"raise the roof" convertible

Put some excitement in your life! Valiant convertibles take the lid off more fun than a month of picnics. They're powered to "kick up a storm"—an optional hi-performance 235 hp V-8 looks after that! They're styled to raise eyebrows—Valiant's low, wide and then some. And value—tops! That goes for hardtops and sedans too. See your local Plymouth or Dodge dealer. Raise the roof this beautifully easy way . . . put yourself in a Valiant convertible!

nobody beats Valiant for value
