THE SCHOOL CLOSED.—It is said that the school at Macaan, N. S., has been closed, owing to a contagious kind of sore eyes prevalent there.

ARBOR DAY.—Wednesday last was arbor day in Tignish. A good many trees were planted in the gardens surrounding the Catholic church there.

STEAMER NOTICE.—We have been informed by the Steam Navigation Co., that the St. Lawrence will not make her usual trip to Pictou to-morrow.

TREES.—The Halifax Herald says that King's County, N.S., farmers have paid Upper Canadian and American nurserymen \$10,000 for trees this season.

A WARNING.—A Montreal woman named Gauthier was burned to death at that place recently. She carried matches in her pockets that set fire to her clothing.

SLIGHT FROST.—During Saturday night the thermometer fell to 30 above zero—two below freezing point—and there was a slight frost that did some damage to early bulbs.

FOOTBALL.—The adjourned meeting of the Abegweit Football Club will be held in the Y. M. C. A. Parlor to-morrow (Tuesday) evening at 8 o'clock sharp. A full attendance is requested.

NOT TOO BAD.—According to an exchange, Malden, Mass., has used up 37 barrels of whisky for "medicinal purposes" since last June. But then Malden is a prohibition town.

FAVORABLE PROSPECTS.—Judging by the number of hop beer, whisky and brandy casks lying about Queen's Wharf awaiting shipment to Halifax to be refilled, the prospects are favorable for a lively season's trade.

LOOKS LIKE BUSINESS.—The schooner James Davies, Captain Allen, with a cargo of hop beer, etc., arrived from Halifax last week. The cargo, we are given to understand, was mostly for persons in the trade on Pownall Street.

MUCH MARRIED.—A wedding of more than ordinary interest was performed at Fort Wayne, Ind., a few days ago. The groom was upwards of 80 and the bride only 19. The groom has been married eight times, and has buried six wives and been divorced from the seventh.

SCHOONERS COLLIDE.—The schooners Confederate and Sea Breeze collided while going out the harbor one day last week. The Sea Breeze had her stern damaged and mainsail torn, and had to return for repairs. The Confederate proceeded on her way apparently uninjured.

CROP PROSPECTS GOOD.—A despatch from Winnipeg says that crop reports from all parts of Manitoba state that seeding is completed. The crops are at least one month ahead of last year. The weather is most favorable for growing, and the crop prospects are splendid.

FINE HORSES.—Mr. W. S. McKie, shipped by this morning's steamer, a carload of very fine horses, consisting of drivers and workers. Among the lot were a pair of beautiful Percherons, very closely matched, which purchased from B. Heartz Esq. They were much admired, and will no doubt meet a ready sale.

ALL RIGHT AGAIN.—The steamer Halifax has resumed work between Boston and Halifax. The Halifax papers say that the disabled furnace has been thoroughly repaired, tested and inspected by the United States Government Inspector, who has pronounced it as strong and sound as it was the day she left the Clyde.

NEW PLANKWAYS.—New plank having been obtained, the Street Committee have begun work on the sidewalks. To-day they have men engaged laying a plankway along Grafton Street, from Rochford Square to the City Hall. To-morrow they will begin laying another along Rochford Street, from Water to Sydney. Let the good work continue.

SEWER REMOVED.—The sewer on Great George Street, between Grafton and Kent, about which so many complaints have lately been made, is now being removed. We understand that it is the intention of the Street Committee to replace the sewer with a surface drain, properly stoned and graded. This is a step in the right direction.

A NUISANCE.—Complaint is made that some persons are depositing manure on one of the roads leading from the Upper to the Lower St. Peter's Road, adjoining the Roman Catholic and Peoples' Cemeteries, and that already the stench arising therefrom is becoming unbearable. The Board of Health for the Royalty should attend to this matter at once.

THE M. A. STARR.—The steamer M. A. Starr, Captain Ferguson, arrived from Halifax yesterday forenoon, bringing a general cargo and one passenger. She sails on return this evening. Mr. Stirling is with Capt. Ferguson this year, and Mr. Crayden is the purser. The Starr will remain on the route until the new steamer is ready.

Y. M. C. A.—A very pleasant hour was spent yesterday in the Y. M. C. A. Hall. The services were varied by a service of sacred song, by the choir of the Baptist Church, under the leadership of Mr. Hawley. Miss Earle and Mr. Davison also kindly aided the service, the former with a solo "One Sweetly Solemn Thought," and the latter "Oh, What Must It Be To Be There." The audience was greatly pleased, and the Association are grateful for the services so kindly rendered.

SPECIAL DESPATCHES TO THE EXAMINER.

The Strike Spreading.

BERLIN, May 12.

The entire military garrison of Dusseldorf is now in the district disturbed by miners' strikes. Last night the rioters set fire to an oil factory at Lievenfeld, causing the complete destruction of the works. The miners at Murlhern and Duisbury have joined the strikers. The strike is spreading. Pitmen at Schleswig attacked the foreman with daggers last night, and drove them from the works. The military arrived at three this morning, and the rioters took refuge behind the railway embankment, and hooted and cheered the troops. The commander of the soldiers demanded the rioters to disperse, and upon the third refusal ordered the men to fire. Six persons were killed. The rioters then dispersed. The mine owners held a meeting at Essen to-day, attended by Government officials, and passed a resolution to increase the wages of the miners to the extent of their demand, but firmly refused to concede the right for eight hours per day.

A Furious Storm.

CHICAGO, May 11.

After seven days of the hottest weather ever known in Chicago at this time of year, a furious storm swept over the baked city and broke the drought. The storm, while at its height, raged with the fury of a tornado. It came off the prairies with a tremendous roar and sent trees, chimneys and signs flying in every direction. In Garfield Park over one hundred trees were uprooted. Vivid lightning and terrific claps of thunder created consternation. In the streets cabs and carriages were demolished owing to runaways, and the police had their hands full stopping horses which were plunging in every direction. Many buildings were set on fire by the lightning which seemed to fill the streets. Reports from the country are to the effect that great damage was done to buildings.

The Terrible Cyclone.

FREDERICK, Md., May 12.

A tornado occurred yesterday in the Potomac Valley, near Point of Rocks, 70 miles above Washington. Twenty-five men, who were at work on a railroad trestle over the river at that point, were swept off into the water 40 feet below. The wreck of the bridge fell upon some of them, and several were killed; others succeeded in swimming ashore. Wires are down in all directions in Western Maryland and it is impossible to obtain details of the disaster.

The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral. It cures Croup, Whooping Cough, Bronchitis, and Asthma; soothes irritation of the Larynx and Fauces; strengthens the Vocal Organs; allays soreness of the Lungs; prevents Consumption, and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this

Cough Medicine

to every one afflicted."—Robert Horton, Foreman Headlight, Morrilton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. Its effects were magical. I was immediately relieved and continued to improve until entirely recovered."—Joel Bullard, Guilford, Conn.

"Six months ago I had a severe hemorrhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me."—Mrs. E. Coburn, 19 Second st., Lowell, Mass.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of Whooping Cough."—Ann Lovejoy, 1257 Washington street, Boston, Mass.
