WE are sorry to learn by a recent letter from Bourdeaux, France, that Joseph Cameron, well-known in this city, and a sailor on board the George Peake, is missing from the ship and it is supposed he has been drowned. It appears that the regular cook had left the ship and Cameron was placed in charge of the galley. One day while the Capt., was ashore, Cameron left the ship saying he was going to visit some acquaintances on board the Lucy Pope, another Island vessel in port at the time. He remained on board the Lucy Pope until 10 o'clock at night, when he left to return to his own ship, since which time nothing has been heard of him. It is supposed that in the darkness he walked over the pier and was drowned. The Captain and crew instituted a search for the missing man, but up to the time the letter was written nothing had been heard of him. Horse Theft and Forgery. A Truro horse stealing and forgery case was brought to light at Moncton, yesterday. It appears that on Thursday last a man named A. C. Slack, of Truro, drove to Moncton with a horse and sleigh. He went to an auctioneer and on Saturday sold the sleigh, horse, harness and buffalo by public auction for \$51. W. Fulton and E. Lockett of Truro, reached Moncton at noon yesterday from Amherst and revealed the fact that the horse and rig had been stolen from Fulton, while Lockett had been stuck for a hundred dollar note, to which Slack had attached his brother's name. Slack's brother is a respectable resident of Truro. The sleigh, harness and buffalo were recovered, but the horse was residing and is now in Bay Verte. Slack was accompanied by a woman, said to have deserted her husband and children in Pictou. They left home on Sunday morning via St. John, and are doubtless across the line ere this. Slack, who is a horse dealer, had hired the horse from Fulton for a week, and the time being up his suspicions were aroused.—St. John Sun. Horsford's Acid Phosphate, FOR LEMONS OR LIME JUICE, is a superior substitute, and its use is positively beneficial to health.

The Rectorship of St. Paul's.

It is understood that the committee of the congregation of St. Paul's church will recommend the appointment of Rev. Weston Jones, of Lindsay, Ontario, to the rectorate. Mr. Jones is about 32 years of age, and said to be a man of considerable ability as a preacher and pastor. In case Mr. Jones refuses, it is understood that the second choice of the committee is Rev. Dr. Hols, now of London, Eng., and who spent many years as a missionary at the Cape of Good Hope. The committee have received about 100 applications for the rectorship, of which 70 were from Ireland and England, and the other 29 from the upper provinces. The committee could not agree upon the appointment of a Nova Scotian.—Halifax Herald.

Another Man Gone Wrong.

The ledger keeper of the Montreal Banque Nationale, Gustave Mercier, has absconded, after victimizing the bank to the amount of several thousand dollars. About nine weeks ago the management began to have suspicions of the ledger and check keeper and a watch was kept on his movements. A few days afterwards he was suddenly changed to another position, and fearing discovery he made preparations for flight and the following day was not at his post in the bank. An examination revealed the fact that he had been carrying on a regular system of forgery for some time. The forgeries, so far discovered, amount to over \$2,000, but it will take some time before the total amount will be known with certainty. Mercier is about 30 years of age, belongs to a most respectable family and had been employed in the bank over twelve years.
