GRATEFUL-COMFORTING EPPS'S COCOA BREAKFAST.

"By a thorough knowledge of the laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle poisons are floating around in our blood-veins ready to attack wherever there is a weak point. Many a fatal shaft is kept in reserve well furnished with pure blood and is ready to pour itself into every pore.
