Make Progress On Ball Diamond At Montague

The new baseball diamond sponsored by the Montague Legion is about ready for play as only the final touches yet remain to be done. Begun only a short time ago, the field was first prepared roughly by the bulldozer after which the grader levelled and prepared the field for the completing work. Hoop drags have completed the fine levelling and the removal of stones, and there now remains the raking and rolling after which the field will be ready for marking and actual play. Several teams have already been organized, two in each age group, six teams in all.

Legion members have been appointed to assist with the training of the youngsters and supervisors from the Physical Fitness Department will be here two afternoons a week to give further training to the boys.

Although not definitely decided, it is possible that a team from each age group may be entered in the provincial competition, and Legion officials are hoping that by this means there will be a revival of summer sports and activities in track and field through a more active interest, not only on the part of the younger group, but also of the older citizens who will assist greatly by their active support.

The pupils of Whim Road school busily cleaned the school and raked the grounds, and an Empire Day program put on by the children was thoroughly enjoyed before school was dismissed for the holiday weekend.

Continued from page 5

took place with the following results: President, Mrs. Alex MacIsaac; 1st vice-president, Mrs. Urban McQuarrie; 2nd vice-president, Mrs. Thomas Monaghan; secretary, Miss Emma Whelan; treasurer, Miss Ethel Brown.

A vote of thanks to the retiring officers was moved by Mrs. Earl Burke and seconded by Miss Ethel Brown. A gift was then presented to the retiring President on behalf of the Club by the secretary, Mrs. Gerald Nantes.

The new president, Mrs. Alex MacIsaac, addressed the meeting and asked the co-operation of all the members for the incoming year. There being no further business the meeting adjourned.

President's Report "It is a pleasure and an honor for me to greet you, members of the Junior League, at this our annual meeting. It is gratifying to see such a large number of members present, a tangible proof of the keen interest taken in our special work of supplying the needs of the nursery, and contributing as much as in our power, to the equipment of the Maternity Department. The year which closes today has been a successful one. Our usual work for the annual bazaar was undertaken and due in no small measure to the leadership of Mrs. Reginald Cronin, we were able to contribute \$372.95 to the Maintenance Fund of the Hospital. Our thanks go out to her and to all for this splendid work.

"This year our annual dinner was held at Keppoch Beach Hotel on Sept. 28th. This was a most enjoyable gathering and it was rendered even more enjoyable by the films shown through the courtesy of the National Film Board by their representative, Mr. Stanley MacInnis.

"In order to ascertain the requirements of the nursery for the year, Mrs. Joyce Gaudet, chairman of the sewing committee, Mrs. Simon Paoli, assistant chairman, and myself called on Sister Mary David. She suggested a number of articles and we are happy to have been able to supply articles, the total number proposed was 120. Sister Mary David, to Mrs. Gaudet and to all who helped reach this goal, I wish to extend sincere thanks. Besides the above, we supplied two layettes to the Hospital which are being held in reserve for emergency, six layettes to the Social Welfare as well as a large number of articles for the Hospital Bazaar and the Spring Tea.

"To the knitting committee under the chairmanship of Mrs. Vincent Pineaue and to her willing helper, Mrs. Reginald Cronin, we extend our thanks for their share in the "Spring Tea" as well as all donations for the Christmas layettes to the Hospital.

"Very special thanks are extended to the ways and means committee, under the chairmanship of Mrs. John MacEachern and her assistant, Mrs. John Connolly, and to all for your co-operation in helping them raise a large sum, through our numerous activities, a detailed report of which we shall hear presently.

I should like to mention here that our Tag Day was made a little more pleasant for those who gave of their time, because of the novel idea of selling book-matches instead of just a tag. Another new idea this year was the Penny Auction which was enjoyed by all who attended.

"To Mrs. Lomer Gaudet for all her efforts in looking after our weekly lunches; to Miss Mary Cronin and Mrs. Yvonne Boudrias for their work in attending to cards of remembrance, mass cards and baby gifts. To Mrs. Howard MacInnis and her committee for keeping everybody informed on the news of the day, and to Mrs. J. A. Peterson and Mrs. John Connolly in their never failing weekly visits to the Hospital with magazines, I wish to say a very sincere thank you.

"Our usual donations of \$10.00 to the Precious Blood Monastery, \$10.00 to the Catholic Social Welfare Bureau, were made at Christmas; also layettes to the Social Welfare and, in addition, some used clothing.

Teachers Study Group At Murray River

On Wednesday afternoon, May 28th a very interesting teachers study group was held in the Murray River centre with Mr. Louis Herring, principal of Murray River school presiding. Miss Bowness, director of Junior Red Cross was present and a demonstration of parliamentary procedure was presented by the Junior Red Cross members of the intermediate department under the supervision of their teacher, Mrs. Margaret Munn.

Mr. Martin of the National Film Board showed two films entitled "Motivating the Class" and "Maintaining Class Room Discipline," which were thoroughly enjoyed.

A vote of thanks was tendered to Miss Bowness and Mr. Martin for their help in making the meeting a success also to the members of the Junior Red Cross who did so fine a job in their demonstration.

The different topics on the agenda were discussed but it was difficult to arrive at any general conclusion. The supervisor, Mr. Willard Brehaut, answered very capably any question put to him, and gave a general outline of the Grade VIII examination. It was found in discussion that the libraries were a good answer to the problem of the encouragement of good literature. There being no further business meeting closed with the National Anthem.

The following members were present: Mrs. Florence Clements, High Bank; Lillian C. Livingstone, Little Sands; Dorothy Derby, White Sands; Janice B. Beaton, Guernsey Cove; Janet Baer, Beach Point; Zelta Harris, Murray Harbor; Sylvia MacKay, Beach Point; Mrs. C. M. Blue, Hopfield; Isabel MacLeod, Murray Harbor; Mary Mackay, Murray Harbor; Mrs. Vivian Beck, Alliston; Louis F. Herring, Murray River; Mrs. Margaret Munn, Murray River; Mrs. Gertrude Whiteway, Murray River.

Mrs. Bernard Hughes from last year's convention, we invited members of the hospital staff to speak at some of our meetings and thus enlighten us regarding the inner workings of the hospital. In their humility, they feared that this procedure might be "too boring," so instead we were given an object lesson by being shown through the central supply and the "O.R." This was a most interesting and instructive session, and we learn a great deal about the inside set-up of the hospital, and now as patients, we can visualize how some of our comforts are relayed to us, since we can mentally follow the various articles coming from this efficiently controlled central supply. Or we could even picture our "spare organs" neatly arrayed in the spottless O.R.

Donation To Nursery "Due to the splendid work of former years, we were enabled to donate from our accumulated funds the sum of \$1,000.00 as the initial payment on the cubicles in the nursery. This we proudly presented to Sister Superior and Sister Mary David on Jan. 29th. We were assured that this was a much appreciated gesture and its repetition will be welcome at any time.

We sincerely regretted the resignation of our vice-president, Mrs. Urban McQuarrie. At our by-election, Mrs. Alex MacIsaac was elected to take her place, we bespeak for her as our incoming president, a year of unprecedented success. During the year under review we welcomed the following new members: Mrs. Edwin Smith, Mrs. Urban Murphy, Mrs. A. J. Gaudet, Mrs. Kip Hughes and Mrs. Bert Croken. We lost an active and interested member in Mrs. Eric Dewling, who left for Halifax. Before her departure the League presented her with a suitable remembrance.

"On Wednesday last, we were happy to be able to give the graduating nurses their reception at Holy Redeemer Community Centre. This was an enjoyable event for them and for us. To Mrs. Ivan Laurie, Mrs. Thomas Monaghan and Mrs. Ivan Hughes we owe thanks for this successful social function.

"My remarks would seem incomplete if I failed to mention the loss sustained by the Hospital and us in the death of our revered Mother Paula. Her interest in our work was always an incentive to greater effort on our part. Her memory will always be cherished. To her successor, Sister Mary of Good Counsel and to Sister Mary David we are grateful for their kindness, encouragement and helpful suggestions.

As retiring president, I want you to know how grateful I am to
